

Capability Statement

8(a)/WOSB/WBE/DBE/SDB

Tootle Construction, LLC is a Woman Owned Construction Company located in the Central Florida area. Our company has extensive knowledge and experience in all phases of the construction industry. Our latest venture is to provide an alternative method of earth-moving that is more economical and effective. We are now using scrapers/pull pans. This replaces several pieces of equipment on projects and allows for flexibility.

Applications

Road Building:

Highway Expansions, Suburban Residential Roads

Site Preparation:

Housing Developments, Ranches, Cattle Feedlots, Airport Runways, Oil field Preparation, Military Weapons, Ranges, Retention Ponds, Commercial Developments, Beach Nourishment, Golf Course Construction, Levees, Lakes
