Receiving Tech Promise was very special to me. I wasn't planning on taking out loans. Realizing that the financial stress doesn't have to be there was a very momentous time for me."

JahWill Fannings, a fifth-year business administration major from West Point, Georgia, is receiving a debt-free Georgia Tech education thanks to the Tech Promise Scholarship.

“Not only did I gain new technical and personal skills, but my co-op helped me pay for expenses related to Georgia Tech.”

Anna Andani, a 2024 business administration graduate from Lawrenceville, Georgia, completed a co-op with Delta Air Lines and received a full-time job offer upon graduation.

YOU'RE IN THE DRIVER'S SEAT

SUPPORT ON EVERY AVENUE YOU EXPLORE!

- Six makerspaces, including the **Flowers Invention Studio** — the nation's largest student-run makerspace — are open to the Georgia Tech community.
- Our startup support program, **CREATE-X**, has helped students establish over 650 startups to make their ideas a reality.
- Study abroad programs on six continents, plus the **First-Year Study Abroad** program, allow you to start learning abroad.

You decide whether you're a helluva engineer, builder, entrepreneur, traveler, or a combination of all of the above!

“We're creating creators.”

Austin Buck, a 2025 mechanical engineering graduate from Canton, Georgia, and former shop manager at the Flowers Invention Studio.
