

Supply List for Iaci Flanders' class on September 26th:

* Fabric for geese blocks:

Geese

“sky”

Plaids for backgrounds

* Pumpkins blocks:

Pumpkins

Stems

“sky”

*** Best to see the mini quilts (I made it in two color ways) and the geese blocks and pumpkin blocks before deciding on colors. The geese blocks are 2 1/4” squares finished. This will be a good mini to use those small scraps you save from other projects. The pumpkin blocks are 2 1/4” x 4 1/2” finished so they also don't use up too much fabric.

Pattern (I will bring to class)

Fabric for backing

Batting

Fabric for binding after quilted

Sleeve for hanging (optional)

Sewing machine and basic sewing supplies including a pair of scissors for cutting paper, along with your fabric and thread scissors.

Small iron and iron surface for pressing each seam open.

Rotary cutter, mat, and ruler

*** Optional: I embellished mine with wool appliqué after I quilted and bound it.

If you choose to do so, you will need to add these supplies.
