WHAT'S UP WITH

Welcome to the monthly newsletter of Werkman Transport! Just a way to keep in touch with everyone!

SAFETY BONUS!

A big shout out to each and every one of you drivers!! I pulled a carrier profile this week and it looks fantastic! Nothing to report! Everyone has earned their Quarter 1 bonus of \$250.00. Thank you all for being so diligent and doing your part to ensure Werkman Transport maintains our reputation of being the safest carrier out there! Keep up the amazing work, you are truly appreciated!

JUST A REMINDER!

Just a friendly reminder when filling out your BOL's, please ensure you are checking off if your load is a lead haul, back haul or straight haul. This ensures we are getting the correct rates when we submit our paperwork!

HERE WE GROW AGAIN!

Welcome Norm Banner to the team! Norm brings over 30 years driving experience to Werkman Transport. Most recently, Norm was driving way up north to the NWT delivering groceries.

Welcome back Denis Gousseau! Denis has joined the team again to complete our amazing team of possum belly drivers!

UFA FUEL CARDS

I have been able to hand out most of the new UFA fuel cards to everyone. If you haven't received yours yet, I will be mailing them out because our paths just don't seem to want to cross! Let me know if you are having any issues using your new cards!
