## FEBRUARY PRAYER LETTER

FAMILY

### GREETINGS FROM FERNWOOD!

We hope and pray that this letter finds you well.

I am thrilled to write to you about the fantastic things that the Lord has done in February! Typically the winter months are less busy than the summer, but last month gave us a run for the money. One of our most significant events every year is our Young Preacher Training. This event is a labor of love and requires much work, but the outcome is worth it! We had 12 young men with us that participated. We had a wonderful time full of learning and growing. We also had quite a few pastors from the area join us. It is always a great time of fellowship and refueling.

Once the training was over, I got on a plane the same evening and took off for Tampa, Florida, for a week. While in Florida, I spoke at a youth event for a church that saw three young people trust Christ!! (praise the Lord). Then I could attend a three-day conference while I was there and be at several Bible colleges to promote our available staff positions for the summer. It was a hectic week, but the Lord Brought Me home safely just in time to present the camp the following day with about a 3-hour gap in between! ( I might be getting too old for all this running, haha) Lena and the boys stayed home and were very excited about my return! We are so thankful that God allowed this opportunity, and I'm incredibly grateful since it was my first time in FL.

We are gearing up for a very busy Spring. Our first work day is March 18th, and we are working on exciting new projects!! We are quickly outgrowing the old chapel and will convert the pole barn on the property to our new chapel. We have to install electricity as the first move and proceed from there. We plan on having the building ready for our 2023 Gear Up Youth Rally at the end of April. Please pray that things progress smoothly and that we raise the necessary funds to complete this project! We are excited to watch the Lord bless the efforts here! He is so GOOD!!
