

# The Gasparilla Great Endurance Run of 2019

Wednesday - Saturday, March 6-9, 2019

## Tampa to Kissimmee to Jacksonville to Amelia Island

Just one month before our inaugural Concours d'Elegance, we have a wonderful pre-event planned. Celebrating the 110th anniversary of the first running of "The 1909 Great Endurance Run", pre-1910 automobiles will leave Tampa the morning of Wednesday 3/6/19 with a media send-off at the historic marker, stopover in Kissimmee where another historic marker stands, then end at the historical marker in downtown Jacksonville on Friday. Saturday, we are to be displayed at MotorXpo at the Amelia Island Cars & Coffee at the Concours, presented by Heacock Classic Auto Insurance.

Limited to 16 cars preferably 1909 and older, as period correct. If there are not enough pre-1909 cars involved, we will open it up to later models. All are welcomed to tour, but only 1920 and older will display at Amelia Island.

Although the event is certainly about fun and classic automobiles, the real purpose is to help the Shriners Hospital with the great work they do. This is a total volunteer effort. No one is making any money on it; all the proceeds benefit the Shriners and their young patients. Gasparilla Concours d'Elegance Inc. is a 501c3 charitable organization.

All of the Participants of The Gasparilla Great Endurance Run 1909-2019 will be asked to display their vintage cars in Curtis Hixon Park on Friday, April 12, 2019, during the Gasparilla Concours d'Elegance "Cars in the Park" Cocktail Party and FUNraising Charity Auction. You are encouraged to join us for Sunday's Nickel Tour of Historic Tampa as well. You have several great stages to commemorate your accomplishments!
