(\*1) With more and more of our members electing to have their monthly newsletter emailed to them versus receiving their newsletter by regular mail, we find ourselves in the unique position of no longer qualifying for the Post Office bulk rate. We recognize that not every member has access to email and that is fine but, if you do, please consider the electronic option. By doing so we will keep our operating cost to a minimum and be able to continue to provide the excellent programs and Museum upgrades that make the Twinsburg Historical Society a well respected organization.
