Competition Teams Payment Options

Tuition & Fee Payment Options

Tuition and Fees are 2 different things. Fees include: costumes, competitions, choreography and practice fees. Tuition is the monthly cost of taking dance.

Option 1: You can divide your total fees by 2 and pay for them in June and July and then you would just pay your tuition Aug-May.

Option 2: You can divide your total fees by 5 and add them to your monthly tuition Aug-Dec. Then you will just pay tuition Jan – May.

A \$15.00 late fee will be added to all accounts not paid in full by the 15th of each month.

Discounts

If you have more than one child in dance you can subtract \$5.00 off the tuition for the 2nd, 3rd, 4th child etc.

If you pay your tuition and fees in full by August 25th you can take a 10% discount off your tuition only.
