

Hall of Fame Member's Accomplishments

Buck Prewette

Buck has been very instrumental in promoting horseshoes throughout the state and everywhere he travels. He started pitching in the early 1980's. Became a member of NCHPA in 1986. Since that time has won many trophies and awards. In the early 80's he had four courts in his backyard where there was horseshoe pitching every week-end. In 1990 he married his wife Rivers and now they have one outside court and a building that houses two courts that are in use winter and summer. From 1986 until 1991 I have no record of his accomplishments, but there were many.

He has pitched in tournaments such as:

Ringer Classic-Greenville, OH (two times)

Raymond Fry Memorial-Winchester, VA (once)

Head-of-the-Mon- Fairmont, WV (four times)

Summerfun- Clover & Newberry SC (5 times)

Music City Team Tournament- Joelton TN (4 times)

His team won 1st place one year and 2nd twice and a Third place one year.

Buck has also been very supportive and coached many people in the rules and skills of horseshoe pitching, including his wife Rivers, who is NC State Women's Champion. He also helps run the Burlington tournaments and helps Rivers with the Secretary & Treasury duties. In 2001 he had back surgery and didn't compete for that entire year.
