

DJ Scott and Company

DJ Chris Garavito

DJ Chris is originally from Long Island, New York where he lived until he went off to college in Pennsylvania. After graduating with his degree in Physical Therapy, he relocated to the Myrtle Beach Area and met his beautiful wife Casey at Conway Medical Center where they both continue to work as physical therapists today.

Chris and Casey were married in November of 2014 hosting their beautiful reception at Pawleys Plantation where DJ Scott and Company kept the dance floor rocking all night long!

Chris really loves spending time with his wife and new baby boy, Chase. In his free time Chris enjoys playing golf as well as softball with his buddies. In addition to his passion for music, he is a die-hard Mets fan, which doesn't always go over well with Casey who is a Yankees fan! Come NFL football season he is ready to root for his 49ers!

DJ Chris is excited about the opportunity to work and train with DJ Scott and Company and is looking forward to taking in all the knowledge and energy that DJ's Scott, Mike & Connor have to offer!
