April 11-13/April 18-20	ACT test for juniors (Test Window 2)

Information about state testing may be found on the OPI website opi.mt.gov

NOTES FROM THE OFFICE

It's that time of year when temperatures begin dropping. We've already had our first snow and the wind has turned quite cold. With that in mind, all students riding buses for any reason are required to have a coat, hat, gloves/mittens and full-coverage footwear. Students traveling for activities are to have a coat, hat, gloves/mittens, long pants or sweats and full coverage footwear. It is acceptable for students to bring blankets as well.

All elementary students should have a coat, hat, gloves/mittens and boots for playing outside. Snowpants are recommended for those children that wish to play outside in the cold and snow.

February 2023 Breakfast/Lunch Menu

ART

By K. Torgerson

January 10 the Art History students did an "Interview With an Artist" in lieu of a written semester test. They worked hard for a couple of weeks gathering information, art work, and interesting tidbits about an artist of their choice. They then dressed up as their artist, and actually 'became' that artist. They each had a station set up so that people could come ask them questions about their life and work. It was great!! We had a few Elementary classes come to interview, a few other teachers, and even some parents and grandparents. The Artists were available for interviews from 1:00pm to 3:00 pm. It was a great success, and one we hope to repeat again next year.

FCCLA Distracted Driving Grant and Local Business Support

By C. Wittak

Three students, Kinsey Anderson, Emmie Fishell, and Sophia Handran have been working on a project to increase awareness concerning Distracted Driving Prevention. They received grant funding from the Montana Department of Transportation for an Arrive Alive Simulator Presentation and money to purchase wrist bands, lip balm, and they designed a coloring book for younger passengers to be aware of Safe Driving Skills. They received three separate grants for \$3500 (the simulator), \$700 (wrist bands and lip balm with prevention messages) and \$600 (coloring books and guest speaker).

The Arrive Alive Team was interested in adding Drunk and Drugged Driving with the simulator, as well. They needed more funding and a big Thanks to Leif Handran for organizing additional funding with Nemont, Pro Coop, Independence Bank and Daniels Sheridan Federal Credit Union to fund the full session of Arrive Alive. Thank you for your support of increasing awareness to prevent an accident with our youth! The Arrive Alive Team will be here one day during the week of February 20th . They will also be presenting at Medicine Lake, Plentywood, Glasgow, and Poplar.

We are very fortunate to have received MT DOT funding for each school for the Distracted Driving portion and with the support of our local businesses we will be reaching out to other local schools to have them join in the presentation. Scobey will be inviting Opheim to participate and the other schools are working on surrounding school involvement as well!
