

As we endeavour to make our communication with you easier, quicker and more efficient, I am pleased to inform you that we have a **FREE APP** service to the nursery.

OurSchoolsApp is a personalised app which allows us to keep you all updated with information, news, policies and calendar events (including term dates). It provides you with access to what's going on within the nursery at the touch of a button.

If you have a smartphone (Android or iphone) you can download OurSchoolsApp from Google Play Android or the Apple Store for FREE. Access is also available on a tablet and ipad by following the same download process.

When we update OurSchoolsApp with new information or news about the nursery, a push message notification will automatically be sent to your device to inform you of this update.

Instructions for download:

1. Using your device (ipad,iphone, smart pad, tablet or android phone), visit the relevant marketplace for your product (Apple Store or Google Play).
2. Search for '**OurSchoolsApp**' and download the app.
3. Once downloaded use the search bar within the app and enter the postcode (SS0 9NJ) or type 'Little Treasures'.
4. Hit the search button.
5. Select 'Little Treasures'
6. Confirm your choice by pressing 'OK'.
7. You can now keep up to date with all events, news and information.

What else would you like to see in our new app?

If you have any ideas on what else we could include in our app please feel free to let us know by either popping into the office or making a suggestion in one of our red comment boxes in the foyer.
