

2018 GUILD CHALLENGE QUILT RULES

Any quilter interested in participating should sign up at our February 22 meeting. The guild will be purchasing fabric for participants so we need to know the number of people participating. If you are not able to attend the February 22nd meeting you MUST email Lori Schmitz at [Lori.schmitz1@gmail](mailto:Lori.schmitz1@gmail.com) no later than February 28th with your request to participate.

This year's challenge is to make a small quilt, no larger than 12" x 12" or a perimeter of 48 inches and you must include a recognizable piece of the fabric provided by the guild. We will celebrate the Pantone color of the year 2018 which is Ultraviolet. Each participant will receive a ten inch square of the purple fabric provided by the guild which must appear somewhere on the FRONT side of the quilt. Your challenge is not only to use the purple fabric but also incorporate something into your design that brings you JOY! It may be a favorite food, a hobby, a sport, anything to represent something that brings you JOY!

All entries must meet the size requirements and include the purple fabric or they will not be included in the voting at our July 12th meeting. The quilt entry with the most votes will be named WINNER and will receive a prize. All quilts will then be displayed at our August Quilt Show in the classroom.

I hope you join in the fun! Any questions, please contact Lori Schmitz. Thanks! Good Luck!
