

We are having the dental hygienist here on May 30th, she will be coming to the community once every three months to clean teeth. If you are interested, she will be here on May 30th at the health center. This is only offered to people that do not have a regular dentist or haven't had any services in the past year. You can book an appointment with Angie at the Health Centre 705-842-2670
