SPECIAL SOLO DAY FOR KUHAR, SR.

BLAIRSTOWN, NJ WINTER 2013 - his son as students who have accomplished

A few weeks ago we featured John Kuhar, Jr. after his first solo flight and we promised Dad would follow. Pictured below are John Kuhar, Sr. (r) with his flight instructor Geoff Orlandi after John's first solo on February 13, 2013. During solo, John flew as the only occupant of the airplane and now is ready to move on to finishing up his pilot training with Orlandi, the owner and chief instructor at ORLANDI FLIGHT CENTER, LLC, located at Blairstown Airport. By joining

solo, the Kuhars can look forward to completing the requirements for their pilot certificates and enjoying the freedom and convenience that personal flying offers.

Kuhar's wife Maren will enjoy flying with her husband in the future so it was only fitting that Kuhar Sr. soloed on his wedding anniversary.

To explore the excitement of learning to fly contact Orlandi at 201-874-5458 or stop in at the Flight Center, open full time and all year.
