Mike wins for the first time in quite a while holding off a hard charging George Connors by 1 shot. Ed wondered how Mike shot a 100 at QB when he was Ed's partner on Saturday and then shoots 80 with George as his partner today - Mike had no answer or clue to the turnaround. Congrats to Greg Risoldi for completing his 6th qualifying round today. JR had been Jim 2.0 recently but went back to Jim MS Dos 1.0 today. JD makes a guest appearance since he "has too many vacation days". Ed asked him what a vacation day was. Apparently Reese also has lots of vacation days to use up. George Connors "lives for Thursday golf". Course was in good shape - the rough was high as usual and there is still some sand on the greens from aeration. Picture perfect fall day - guys that wore pants were wishing they had worn shorts.
