President's Cup Rules - 2018

- Members must have participated in at least one Men's Club tournament (excluding the Longo/Spoto Memorial Super Bowl Tournament) in 2018 prior to the President's Cup Qualifier held on 4/8/18.
- The 32 lowest net scores of the tournament played on 4/8/18 qualify for the President's Cup Matches. If 28 – 31 players participate, top seeds will receive a bye. If 27 or less participate, 24 will qualify.
- All participants will use their L.I. (Low Index from the prior 12 months) as of 4/1/18 for the duration of the matches
- Matches may be played at any agreed upon golf course from the white tees. Disputes between Members about where to play will be settled by a coin flip.
- The first match after the Qualifier must be played by 4/15/18. All following matches must be played in consecutive weeks by Sunday. Be aware that if you win your match, you may be playing every Sunday for several weeks.
- The President's Cup bracket will be posted on the Men's Club website www.CalimesaMensGolfClub.com
- If members can't agree on a date and time to play their match, the default is Sunday morning as close to 8:00 am as possible, contingent on golf course tee time availability. If one or both members can't make Sunday morning, the member or match is forfeited.
- If weather prohibits the play of a match on a Sunday, all matches will be postponed for one week.
- The Member with the higher handicap gets the difference between his handicap and the Member with lower handicap. For example, if a Member has a 16 handicap and is playing a Member with a 10 handicap, the Member with the 16 handicap gets the difference between the two handicaps. The Member with the 16 handicap would get 6 strokes on the 6 most difficult holes and the Member with the 10 handicap would not get any strokes.
- If the match ends in a tie after 18 holes, the match immediately goes into sudden death on the next hole and strokes are given based on the hole's handicap. If a match is played during a tournament and the match started on hole # 13, sudden death starts on hole # 13 using the same handicap differential as the first time the hole was played.
- Members may concede putts to their opponent during matches. If the match is being played during a Men's Club tournament, all putts must be holed in order to remain eligible in the tournament.
- All matches must be posted in accordance the USGA Handicap System Manual. Unfinished holes, conceded strokes/putts or unfinished rounds are not reasons for not posting your score. Please review the [USGA Acceptability of Scores](#) flyer.
- Contact Handicap Chairman, Isaac Kerr (909-600-8504 kerr.isaac@gmail.com) with questions or concerns about posting scores. Contact Doug Owens (909-649-1963 ddowens929@gmail.com) with questions about the President Cup Matches.
