

NOTIFICATION OF PSL FEE INCREASE

EAST BAY REGIONAL PRIVATE SEWER LATERAL PROGRAM

As we all know, property owners that are under the EBMUD's Wastewater Service Area (Alameda, Albany, Emeryville, Oakland, Piedmont, Kensington, El Cerrito, Richmond Annex) must obtain a certificate certifying that all of their PSLs are leak-free upon title transfer. Property owners may also voluntarily choose to have their laterals tested and certified.

Effective July 12, 2017, the fees for the Compliance Certificate and Time Extension Certificate have increased to offset EBMUD costs associated with administering the PSL Program, while all other fees will remain the same, as noted in the table below. For more information, please visit EBMUD's website at www.eastbaypsl.com/eastbaypsl/fees.html

PSL PROGRAM FEES

	Current	NEW Effective July 12, 2017
Compliance Certificate	\$225	\$250
