### REPLACEMENT HEIFERS SELLING BY PRIVATE TREATY

#### Zillich Ranch, Taylor, ND

##### 30 REPLACEMENT HEIFERS

*Contact: Kevin Zillich (701) 290-0259*

Kevin Zillich and family are selling 30 head out of the top half of their heifer calf crop. I helped sort these heifers and they are really nice. They are out of Strommen Ranch sons of Resource, Revival and Thunder. These heifers are backed by multiple generations of AI breeding: Sitz Alliance, Lark's Canyon, Traveler 004, Bando 9074, Right Answer, Capitalist, Effective. This is one of the top sets of heifers in Western North Dakota and they aren't often offered for sale. They have had a complete health vaccination protocol. If these heifers are not sold privately, they will go to the Blue Ribbon Replacement Heifer Special at Stockmen's Livestock in Dickinson, ND on March 7. For more information, contact Aaron (701) 290-7983.
