

## Expand Podium Case XL

### A super spacious counter created from 2 transport cases

This spacious counter is perfect for presentations, product demos or food and beverage sampling at events. It also works great as a portable bar. Open the two cases and add a large table top, a graphic on the front and shelves on the inside and your counter is ready! In minutes you can create large space for welcoming your customers and provide a storage space for brochures or products.

*Illustrated monitor stand is optional.*

When your event is finished, pack up everything in the two transport boxes. The Expand Podium Case will easily transport most displays.

- Detachable shelves on the inside
- Use the front of the counter for extra exposure
- Equipped with wheels for easy transportation
- Also ask about the single Expand Podium Case.
