## ABOUT GREEN APPLE

---

In 1998, after graduating from Douglas college with a diploma in Early Childhood Education, Jeanette Henderson founded Red Apple Preschool in Coquitlam. In 2006, the community and their families were in need of a daycare so she opened Green Apple Daycare. The Daycare was such a big success that in 2008 Green Apple expanded to a second location in Port Moody. In 2012, the Coquitlam community was in need of a Before and After School Program so Green Apple stepped up again and opened a Before and After School Program. To this day Green Apple continues to be flexible and serve the communities needs. The community has rewarded Green Apple with their "Best Daycare" award for the past decade.

## POLICIES

### COVID-19

Green Apple Daycare follows the BC Ministry of Health's guidelines for COVID-19

- Illness / Sick

- Child Abuse Reporting
- Pets / Smoking
- Releasing a Child from Care
- Custody Arrangements

- Emergency Procedures
- Fire Drills

### ILLNESS / SICK

Green Apple Daycare is under strict guidelines with regards to disease control. There may be times when we are forced to either send an ill child home, or not to accept an ill child into care. Parents should have a plan for alternate care. If a child becomes ill while at Daycare, we will do everything possible to comfort the child until the parent(s)/guardian or emergency contact person has been notified and has arrived to pick up the child. The child will be isolated from the other children.

Parent(s)/guardian will be notified and required to remove the child immediately if any of the following symptoms appear/occur:

- Fever of 101° F (38.5°C)
- Persistent diarrhea
- Severe coughing
- Difficult or rapid breathing
- Conjunctivitis
- Vomiting
- Yellowish colour or tint to the eyes or skin (jaundice)
- Difficulty in swallowing

## **POLICIES (PAGE 2)**

.....

### **MEDICATIONS:**

When medication, either prescription or over the counter is to be given to your child while in care at daycare, the parent/guardian **MUST** fill out, sign, and date a **MEDICATION PERMISSION FORM**. These are to be filled out for each and every medication. Medication must be in the original container and have an original label. If any reaction occurs, the medication will be stopped immediately and the parent/guardian will be notified.

\* This medication will be kept in a locked location

### **DISCIPLINE AND GUIDANCE:**

We believe discipline should be done in a positive and respectful manner. Giving positive verbal rewards encourages acceptable behaviour. This reinforces a child's good feelings about his/her behaviour and serves as excellent role modeling. Asking a child to stop and think about his/her unpleasant behaviour enables that child to work at self control.

Our daycare policy helps children to use their words to talk out problems or to use re-direction to diffuse a conflict situation. We encourage children to speak about their feelings and to work with each other to help each other feel good.

Problem solving is accomplished quietly and in a respectful manner. As caregivers, we will model respect and problem solving to the children.

Under **NO** circumstances will corporal punishment be used. **NO** child will be subject to ridicule, sarcasm, labeling or demoralizing.

Time away is given after appropriate warnings have failed; the child is then put on a chair for 1 to 4 minutes for inappropriate behaviour. The next step is, the child is asked :

Why are you on a time away?

What do you need to do next time?

The child is then re-directed.

### **CHILD ABUSE REPORTING:**

As a licensed daycare we are required to report suspected or disclosed abuse to the Ministry of Social Services.

All child care staff is legally bound to notify the proper authorities if they have any concerns regarding a child's well being.

Any educator who has reasonable grounds to suspect a child may be abused or neglected has a legal obligation to report the matter to the Superintendent of Family and Child Services or their delegate.

### **PETS:**

No animals are allowed on the premises or in the Daycare unless prearranged with staff.

### **SMOKING:**

**NO SMOKING** allowed on Daycare grounds. >>>
