 "CONVEYING A WORLD OF SOLUTIONS"

**ORANGE 45  
DUROMETER**

**PRIME-LINE PLR-45 Orange Skirtboard Rubber is a high-quality, cost effective containment solution. At 45 Durometer, PLO-45 is softer than your conveyor belt, so you can be assured of an effective seal without the risk of damaging the covers of your belt, with outstanding wear resistance and service life. Reduce material spills at transfer points with PAC-OR45 Orange Skirtboard Rubber**

PART#	DIMENSIONS
PLO-45-1/4-FR	1/4" x 60" x 50'
