“MJ: The Michael Jackson Musical”

MJ is the electrifying new Broadway musical that takes audiences inside the creative process of one of the greatest entertainers in history. Featuring over 25 of Michael Jackson’s biggest hits, MJ allows us to rediscover the man in the mirror – with an explosion of music and theatricality as unforgettable as the artist himself. Michael Joseph Jackson was an American singer, songwriter, and dancer. Dubbed the "King of Pop", he is regarded as one of the most significant cultural figures of the 20th century. He is one of the greatest entertainers of all time. Now, Michael Jackson’s unique and unparalleled artistry has finally arrived on Broadway in a brand-new musical. Centered around the making of his 1992 Dangerous World Tour, MJ goes beyond the singular moves and signature sound of the star, offering a rare look at the creative mind and collaborative spirit that catapulted. **Turn it up, Broadway — MJ is here!
