MLC-6 MULTI-LIGHT CONTROLLER

Rough Country's MLC-6 is a professional quality power distribution system, allowing you to add professional control for your electronic devices in an easy-to-install system that doesn't gut your dashboard or force you to splice into factory wiring. This plug-and-play system uses an in-line fused relay allowing you to safely connect up to 6 devices to one of the 6 interior switches with no mess and no fuss.
