My vision is to love each child with the love of God; to nurture them and teach them daily that God is a part of our whole lives. I want to help each child grow in their abilities so they will master skills that will help them throughout life. Loving and Laughing will be active daily in our classroom.

### **Testimony:**

I came to know the Lord as a young child. I grew up in a sweet Christian home. I am so thankful to my parents for teaching me about Jesus and living for Him. I love the Lord with all my heart. In August of 2000 when God called me to CCS, I knew He had a plan for my life and the lives of the students and families I would be blessed to serve for Him. My heart abounds with His blessings from my years here at CCS. God has allowed me to share His mighty love with wonderful and delightful families. I am very excited to be a part of what God is going to do at CCS in the future. His Grace and Mercy are the life line of my life.
