Graduation Checklist

We are excited to share in this huge accomplishment with your child's success as a high school student. This checklist will help us gage, and make sure we are on the right course in helping with our student's academic success.

Checklist:

- The requirement for each graduating class changes from year to year. Students are required to complete 26 credits to graduate. Bible will be waived for the year(s) that transfer students were not in attendance at Life Changers Christian Academy.
- Students must be enrolled in five core academic classes (English, Math, Science, History, and Bible) per year.

Students must have...

- Taken and passed four state-accepted math courses.

- Taken and passed 4 Bible courses.
- Taken and passed English I-IV
- Taken and passed 3 social studies courses, including Economics and American Government
- Taken and passed four state-accepted science.
- Taken and passed one year of HOPE (PE/Health)
- Taken and passed one year of drama/performing arts.
- Taken and passed three years of elective class.
- Completed 200 hours of community service.

- Earned a cumulative unweighted GPA of 2.0 on a 4.0 scale.
