Grades K-6

Tentative Monthly Schedule

Some Notes on what's to follow:

Following is a tentative program layout of special activities that may happen throughout our After School Leisure program. Different reasons could cause us to have to cancel or change our planned activities. An example of this would be if an unknown PD Day is scheduled on the same day as one of the special activities. With our program not going ahead on PD days, this would mean the special activity is also cancelled.

We are hoping to be able to have a free skate at the arena again this summer. The day and time will not be decided until the arena has all core user groups scheduled in. We will update as soon as we know. If we are successful in getting a slot at the Arena, we will not be starting until after the Thanksgiving Day holiday in October.

If there are any major changes to this schedule, a revised schedule will be emailed to those we registered in the program.

Everyday of our program will have various activities, as outlined in our After School Leisure Program info package. What is included here is additions to those activities.
