Dear Parents,

Please first see if you would qualify for the following programs:
Colorado Child Care Assistance Program (CCCAP)
Project Self Sufficiency
Women Give

If you do not qualify for either of the above grants please look below for the sliding scale chart to determine your qualifications for tuition assistance.

Email our enrollment financial counselor Sarah Mays at smajor@1stchoiceask.com or call 970-460-0031. We will help qualify you once you send the information below:

- 1) Copy of previous year's tax returns for **all people** living in same household . (Example: if filing separately but living together)
- 2) Last three month's pay stub on each household member who is working. (If just started a job, most current pay stubs)
- 3) Place of employment, phone number and supervisor's name
- 4) Indicate your sliding scale fees based on the Gross Monthly Income Chart.

Thank you for allowing us to take care of your most precious gems, your children, with their before and after school care needs.
