The Anointing For Music From The Heart, Touch the Hem of His Garment

March 1, 2017

May the blessings of new life and new anointings compass you about, Heartdwellers.

Well, I had some teeth removed...and today was the first time I could really talk with any clarity. So forgive my lapse in communicating with you, it wasn't laziness this time! Thanks be to God.

On the way home from the dentists, Ezekiel and I had been talking. We were discussing the need to really enter into worship during creating music. And I came into prayer longing to know why this has become so difficult for us.

I began, 'Lord, Ezekiel and I are both feeling this need to be so close to You, to speak our hearts to You, and to sing songs of our deepest love and adoration for You. Please speak to me, please tell me how this will come about...for we have tried on our own power and nothing comes.'

Jesus began, *"It is all about relationship, My Dove. As you recognize Me more and more in the doings of your life, as you appreciate Me more and more, as you see your unworthiness more and more and how I amend you with My graces - as you do this, the music will come from a deeper place, with more passion.*

"Without gratitude and appreciation, nothing will come, because there is nothing to say. You are both lacking in stopping your flow of thoughts and focusing more simply, more purely, more steadily on what I have done that is before you - and in essence who I am to you.

"This is one reason the enemy works so hard at condemnation. He wants the focus to be on yourselves, self-centered, rather than on Me."

And you know, guys? I've noticed this time and time again. It's really true. He wants to turn our energy in on ourselves, scrutiny and fear - oh, my goodness! Anything you can think of. That huge reservoir of love coming from the Lord is dammed up and scrupulosity.

Anyway, He continues here, *"You are both lacking in stopping your flow of thoughts and focusing more simply, more purely, more steadily on what I have done that is before you - and in essence who I am to you.*

"This is one reason the enemy works so hard at condemnation. He wants the focus to be on yourselves, self-centered, rather than on Me."

"This is a mighty work, not to be undertaken by the faint or half-hearted. It requires constant readjustment of thought and emotion. This is one reason why I exhort you to read and linger in the

Scriptures. They contain a more full description of Me and how I feel about you. They reveal My character over and over again. To linger in the Scriptures is to linger in Me."

But Lord, can't that make me legalistic?

"Depending on what you choose to focus on, yes. Yet if you go there seeking love, you will find it everywhere. Search out only ONE word or phrase or situation when it's quickened to you, when you ask Holy Spirit to open the Bible for you. Then, read between the lines and linger there."

So I opened the Scriptures randomly, and I opened to Isaiah 49, which I relate to on so many different levels, I couldn't even begin to figure out which one was anointed. But He did show me:

"For He who pities them, leads them beside springs of water." Isaiah 49:10

Jesus continued, "And do we not sit beside springs of running water? Do we not play our flutes there and listen to the gentle flow? Have I not nurtured you with springs of life? Have you not been refreshed in My presence, oh precious redeemed one?"

"Yes, indeed we have spent many, many hours by the running waters and there I have nurtured you. And from these same waters come nourishment for our children."

And here I want to share that my husband has a beautiful gift. It seems like every night, when he tucks me in (if he's going to be staying up later than I am). Every night he has a vision of Jesus and I together. And I enter in to that vision very easily before I go to sleep. And for the past few nights, we've been sitting on a rock near a stream, playing our flutes together. So, that's why He brought that particular vision up.

He continued, *"So you see, My Beloved, it is all about relationship and resting in Me as I revive you with the waters of truth from Heaven."*

"These springs, through osmosis, enter into your entire being and flow out freely into the thirsty. It is not so much about what you gather or make, it is about position and receiving, here in My arms beside springs of running water. This invisible nourishment revives, sustains and overflows to those who are deeply longing for Me."

"What is so mysterious about that? Do you not know that you are all vessels to be filled with divine refreshment for your fellows? You need not garner, collect and labor as if all depended upon you. With just the touch from the hem of My garment you are infused with knowledge and understanding. Yet, it is good for you to read My heart and history with men, for there you will find many parallels in your own lives, through which you can find more understanding."

"But when you have touched that hem, linger, for those words are surely anointed for you. Linger and through that inspiration will come forth the sweet melody and nourishing words to comfort our children."

"Do you see? When you rest in Me, as you did last night through so much pain, I bring an image to delight your soul. Yes, that image is so delightful to you and together we share in that moment My divine delight in you and all of creation. From this place you have learned how I delight in delighting you. How

much your happiness and comfort means to Me, and yet there is a tale to tell about those flashing iridescent wings. Freedom, new life coming forth from My very hand."

And here Jesus is telling me about the Blue Morpho butterfly I love so much. When I was at the height of miserable after having my teeth extracted, lying in bed, He was sitting beside me. He raised His right hand and a perfect blue butterfly landed on His index finger almost as if it had flown out of His heart for the expressed purpose of delighting and distracting me. Which it did! And it flashed its exquisite wings a few times and flew away in newness of life. That is what I felt. Not only great beauty, but off on a new adventure in life, as well. Which He has been telling us all, this is the season for that.

I came to Him this morning with these questions because I want music that comes from a deep and sincere place, not just music, but the cry of my heart that will pierce legalistic veils that separate our feelings from His. I know we cannot do this without the movement of His grace as we abide in the vine.

Jesus continued, *"Yes, Beloved, abiding is the secret; but also gaining control of your mind in harmony with Mine. I give you glimpses into My Divine nature. My affections for you. My profound concern, at all times. That is the hem of My garment. Rather than passing you, I am deliberately coming to you. And I am revealing My presence to you - for I am always with you but not always perceivable. I am coming to be with you perceivably, because I relish your company even more than you relish Mine. And in this case, I relish your recognition of My presence that our hearts may sing together Heavenly Harmonies of Joy and Worship.*

"So, take this anointed word - rhema word - dwell in it and allow our love to be manifested in our music, for I have revealed many truths to you through it."

Lord, you will help me?

"How can I not!" He exclaimed with joy.

Learning to Worship & Create, The Best Wine Last

March 3, 2017

May the sweet Fragrance of Jesus be released from our hearts as He draws us deeper and deeper into His Love.

As I came into worship today, I noticed the Lord was dancing with the worship song that I was listening to. And I began singing to that song. And I just felt such a wave of sweetness come over my spirit when I began to do that. I realized that this, in part, is what the Lord is answering our prayers with: the be worshipful from the heart while creating.

So, I asked Him, 'Lord. What's on Your heart today?'

And He said, *"Dance with Me. Dance with Me, Clare, and allow the joy of our love to permeate your very being."*

I have been seeing Him dancing with me to worship songs. But I think I've been a little guarded.

"A LITTLE!!" Jesus exclaimed, "That's an understatement. You have nothing to be ashamed of, nothing to be afraid of, and every reason to rejoice in this season of your life. And I do intend that it will get better and better, like a fine wine. Is that not the Scripture verse I gave to you and Ezekiel?"

"He has saved the best wine for last." John 2:10"

And that's from the story of the wedding supper. This was the first miracle the Lord did. He was attending a wedding and the groom ran out of wine for his guests. Very embarrassing situation! And interestingly, he didn't do anything about it.

But then, His mother came to Him and she said, 'Son - they've run out of wine.' And He went and performed this miracle, turning the water into wine. And when the wine was served, the guests said, 'This wine is better than the first wine! Usually people wait until we get drunk, and then bring out the cheap wine.' It was a beautiful, beautiful request to her prayer - her intercession, really. That situation.

So, the expression 'He saved the best for last.' is referring back to that episode in John the 2nd chapter.

The Lord continued, *"I follow closely the life story of all My children and so many had very hard beginnings, and have been worn out before their time. That is when I bring out the BIG surprise: blessings beyond what they ever expected out of a life so filled with sorrow and failure.*

"Are you not a good example? While others who have seen their seasons of success early in life are growing older, you two are growing younger with horizons full of hope. I delight in doing this.

"The devils think they can wear you down and make you useless as you get older, but I say, 'Think again. I am the God of new Mercies every morning, new beginnings, and rebirth.' Being reborn calls for an entirely new and hopeful life. Time to leave sad stories of defeat behind and step into My New Mercies. "Every time we step onto a new plateau together, it is time to refresh that original rebirth into My Kingdom.

"This is why I am asking you to dance with Me. Sing to Me. Let our hearts be entwined in the joyous celebration of our love for one another and our children. Sing to Me from your heart beloved, 'Your mouth is an excellent wine.' Song of Solomon 7:9"

I was quite amazed at your response to my singing - it was so...

"Sincere," He said. "That's what captured My Heart. No matter that your voice wasn't warmed up - warm it up on Me Beloved, warm it up on Me! As long as it is from your heart in utter sincerity, I am delighted beyond words. It ministers to Me, Clare. Do you understand?"

"Abandon technique and concentrate on the connection we have, heart to heart. You will be amazed that your voice will adjust itself into perfect pitch without your effort. You see, when you worship in spirit and in truth, I make all the corrections necessary. Your only effort should be in the area of ignoring every other thought than this one: 'Oh My God - I love you!' The rest I will make happen.

"We are on a journey now, Beloved. You have asked Me to teach you how to worship and sing from the

heart, and that's precisely what we are doing, together. We sing beautifully together. You reach out to Me in worship and My Heart comes bounding back in appreciation and with it the anointing to make every necessary adjustment, bringing it into perfection. But not through technical expertise - through love; pure worship and love."

I was singing some Julie True's songs to the Lord earlier and was so amazed when His heart responded with such tenderness and appreciation, like a wave of sweetness washing over me. By this I knew that, somehow, I had entered into worship that was pleasing to Him.

Jesus continued, "The piano is coming. It is coming along nicely. Continue to practice and allow yourself the freedom to experiment. Nothing is more boring than the same old thing over and over again. I have given you liberty, so you can enjoy freedom, as well as finishing the song."

But Lord, you give me so many wonderful melodies that I just keep writing songs...and not getting them out.

"That is in the process of changing. Yes, work on one at a time, but you need freedom to play as well. And I rejoice in your freedoms. Please don't envision Me as a harsh task master, looking over your shoulder 24-7 and asking, 'Where's the song? Why isn't it finished?' You and I both know why it's not finished - but it will be soon."

Is that a promise, Lord?

"It is."

He is talking here about a song He gave me 3 weeks ago, that I still haven't finished ironing out the wrinkles on...but I'm getting close. There is yet one verse that needs rewording and some coordination issues in playing it, then I can put it up for you.

The title of the song is: LORD Have It Your Way

(Clare sings:)

You are beautiful
oh so beautiful
My Heart's in Your hands
Oh take all of me
till nothing more is left
only You.

You are holy
oh so holy
nothing in this world can hold me
Every malice
my heart so callous
fades away before Your presence

The second verse is:

Lord I cherish You, cherish You

please have it your way,
just one glance from you
is all I need to pray, "Have it your way."

So that kinda gives you an idea of what the song is like. As you can tell, I'm dealing with self-will here. And that's, I think, why the Lord gave me this song. To help me deal with it. Because it's His sweetness, His kindness, His love and His presence that makes us want to change! And so, that's really a key-note of the song.

The Lord continued, *"Rest assured. It is coming along. And even better than this, with each song it will get easier. Right now you are facing a hurtle of unbelief and doubt. 'Can I do this?' The answer is NO, you can't. 'But through You, I CAN.'*

"When your eyes are on Me, Clare, and Me alone: not your fears, not your doubts, not your wobbly voice, but on Me. In LOVE with ME - yes, you can. This is why I want to dance with you. I want you to feel My confidence in you, My affection and that I believe in you. That we, as a couple, can do this.

"Oh, My children, so many of you have had dreams that were aborted by life circumstances. The enemy has tried to close your case and stamp you 'FINISHED'. But I say rubbish to finished. You still have breath in you and what you are lacking I can breathe into you afresh each day. Only one thing really is required, faith in ME. And that when I give you My Word, it is My Word, and I back it up.

"It takes so little, dear ones. It looks like a big black monster lurking in the corner throwing out crude and debilitating comments, 'WON'T WORK. GIVE IT UP. GET REAL. YOU HAVEN'T DONE THE DISHES YET. WHAT ABOUT THAT PHONE CALL YOU PROMISED. YOU ARE TOO OLD...YOU JUST DON'T GET IT DO YOU? FACE IT, YOU'RE A FAILURE.'

"No, you are not the failure here. Satan is the failure, that's his byline. And typical of all those in denial, he projects that onto My children - if they will have it. But you are NOT to have it. NOT to go into agreement with his lies. The truth is, I can do anything through anyone who is willing and has faith in Me. And if their faith is wavering? I can fix that, too. Consent is the bottom line. With your consent, I go to work fixing every impediment to your success.

"So I am asking you, don't be cowed by the liars.

"Trust in the LORD with all your heart, And lean not on your own understanding; In all your ways acknowledge Me., And I shall direct your paths. Proverbs 3:5-6

"And I shall direct your paths... successfully, I might add. In other words, when we have a goal together, no matter what it is, we will succeed together, if you don't turn back.

"So, go forth My glorious Brides and let us bring into being all I have given us to do."

Turning the Tide & NDE & Orphans in Nicaragua

March 5, 2017

May the joy of the Lord be our strength, Heartdwellers.

Well, I want to bring you up to speed about what's been going on for the last three days.

First of all, it's been a very intense time politically. And I believe the Lord has been allowing us to make a lot of offerings to Him.

One in particular that I'd like to tell you about is a couple that's on our prayer tea. They have been going through the most extraordinary trials, as the wife was on the precipice of death. She is truly what I would call a victim soul. Many of us are also - but she's really, really amazingly a victim soul.

Her kidneys failed, she had a heart attack, her blood pressure dropped and for the umpteenth time she was not expected to live through the night - even though she was on life support because half of her heart failed to function.

Wow. All our hearts were moved for her. She had a procedure for her heart after the attack, and one side of her heart stopped functioning altogether, with her kidneys shutting down. And she coded twice and she went into a coma. But we all stormed heaven, prayed in proxy and she held on - even though the doctors wanted to disconnect her from life support. Thank God her husband wouldn't allow it.

In the spirit, while this was going on, I saw what I often see when a Christian soul is taken to Heaven. It's a silver cord that comes from the umbilical cord of our bodies and goes to Heaven. And I believe that's the tunnel that a lot of people talk about going down. And I saw she was no longer in her body but before the Lord in Heaven in glorious white garments.

Yet the Lord told me she would survive. Well, we were all on pins and needles for two days and two nights and now she has regained the function of her kidneys. They are normal. And both sides of her heart. Her blood pressure is now normal and she is coherent...exhausted, but coherent. And the doctors are befuddled. It is simply a miracle, there is NO other explanation.

This is one remarkable couple, chosen to represent the Earth and stand between Heaven and Earth pleading for Mercy. And mercy is what they also obtained, not just for her but for the whole world.

My dear ones, the tide is beginning to turn in our country - ever so slowly - but it is beginning to turn. But I must ask, are you doing your part to inform people about who and what our president is to the free world? She did her part and no doubt will be called on again, and not only is she a victim soul, but so is her husband, because of the suffering he endures seeing his beautiful bride on her deathbed, totally in the hands of a Merciful God.

I would like to propose that every person that has written off President Trump because of the lying media, be held to accountability. One simple way to do that is to say, "You can tell me all about how

bad this man is after you listen to his address to Congress. But until you hear the man directly, your information, which you are basing your bias on, is not from the source, but from an angry, resentful media led from behind the scenes by Barrack Obama. Who is also angry and resentful that his puppet, Hilary Clinton, did not get elected. So, after you've listened to his address, I will hear what you have to say about him."

And that's what I do with folks. You know, you get together with your family, without causing and argument or a fight. Just simply say, "I'm going to listen to what you have to say about President Trump. But before you do, I'd like you to listen to his address to Congress and hear the man for yourself. And judge for yourself."

And if they come back with a whole bunch of arguments against him, to ask them a simple question: "Does this man have the best interest of the American people in mind? Has this man benefitted the economy? Is this man concerned that everyone should have a job? Is this man reforming health care so it's affordable? Is this man going to spend more money on defense, because our military has gotten so weak in comparison to other countries?

"Is he going to rebuild America? Is he concerned with the rights of even the migrants? And weighing those judiciously against terrorists who get into this country and shoot innocent victims? Is he concerned for the safety of America - making stronger rules about who can enter the country and who can't? Preventing things like the terrible shootings in Fort Lauderdale and California?

"You may have a lot of things to say against this man, but take a look - isn't there something good that he's doing?"

Anyway, I really feel that's something that can bring balance.

If you stop, you can agree with them and say, "Yeah - he has a pretty colorful past with women, but we all have sinned and fallen short of the glory of God. I certainly couldn't be the first one to pick up a stone to throw at him."

He wasn't elected to be our husband! He was elected to be our president. Allow them to get things off their chest and then bring up the positive side, to try and get them to just acknowledge that there's some good there, would certainly make a difference.

Now, don't do this unless you think you can hold your temper! But, I've found that, with people who have a beef, if you sit and listen very carefully and acknowledge the true things they're saying. And then you present your side - they're more apt to listen. And it can really, really bring peace to a situation that tends to be very volatile.

This is NOT a 'thus saith the Lord' by the way! It's just my personal opinion on a way that we can bring peace in our families and also get them to look at the good. Because right now, they're not focusing on the good. They're focusing on lies.

Please hold your friends and family to a friendly accountability. If they will not listen to his address, then you will not listen to their objections.

This is a stark battle between the power of the press and the power of prayer! But we must also gently insist on accountability with those who are just throwing out what they gleaned from the controlled media sources.

Well, I did digress here, or did I? The point is, this husband and wife team suffered the pains of death and bereavement to add their little portion to turning the tide of public opinion. Now we must continue to carry our crosses and gently insist on accountability with those who are so adamant against our President without knowing anything about the real facts.

So, for two days, all of us have been on the very edge of our seats praying for this couple.

But in the process - praying and suffering for this couple - I believe the Lord timed this oral surgery perfectly around the same time that she would be going into this suffering. Around the same time that we're trying to turn the tide of public opinion. So, it all works together. We had our share of suffering and so did Ezekiel. And that's been a little bit of why I've been slower on the message, because I was very sick for two days.

In the process of this offering, the Lord presented to me a cause that is heart wrenching, transparent and legitimate. It has to do with handicapped and severely disabled children who have been abandoned by parents to fend for themselves. Sometimes - very often - in the garbage dumps outside a city in Nicaragua. One man, a Christian pastor, discovered these 'untouchables' and became an advocate for their cause.

Here in this country, another man became a support for his cause and has been sharing their plight with his customers around the world, as well as giving a substantial amount of his income (he makes musical instruments, by the way) to this pastor who has built a mercy house, and supplies feeding programs that are keeping more than 4,500 women, children and elderly alive with a healthy, nourishing formula to help them recover from starvation.

As some of you may know, Nicaragua has been torn by strife and death squads, terrible, terrible civil war. They are still in recovery mode, and the country is filled with widows and orphans. A wonderful plan has been instituted to help them recover and now some of them have self-sustaining businesses as well as volunteering their time to build houses for others who've been rescued from homelessness and gut wrenching poverty.

Now some of these young men who grew up this way are now working in the fields for - would you believe - \$2.50 a day. And how can you support a family on that - let alone someone who needs constant care? Which is what's going on with these handicapped children.

So, my next message will be more about that and what the Lord has offered us as a means of sanctification, because those who show mercy will also be given mercy in their time of need. I am introducing this mission to you because it was handed to me by God. Along with this, I am asking you, if you are moved by these needs, to enlist only two or three friends who are looking for a way to help the desperately poor get on their feet. This will be an appeal for prayer for the hopeless, as well as a two or three-person mercy team to help sustain long-term efforts to help them regain a life.

Just throwing money at a cause isn't what is needed here. It is love and solidarity and accountability for us who have sufficient means to live a comfortable life, to join together with a couple of friends who

have a heart for these children and elderly and contribute to their needs as they are announced by the man here in the U.S. who has done such a wonderful job organizing and enlisting help for this pastor. Lots of photos will also be in this next video.

'Lord, is there something You would like to say?'

And as I sat here waiting for Him, the first thing that came to mind - 'cause I didn't hear His voice immediately, like I usually do.

"It is not our intention that others may be relieved while you are burdened, but that there may be equality. At the present time, your surplus will meet their need, so that in turn their surplus will meet your need. Then there will be equality. As it is written: "He who gathered much had no excess, and he who gathered little had no shortfall." 2 Corinthians 8:13-16

One of those movies about the destruction of the United States, through eruptions and earthquakes and part of California going off into the sea - the only place that people could go was Mexico. So, you know, in that movie that's just a probability. What would happen if our country were devastated and the only safety we had was to go south into Mexico? And then this Scripture would truly be fulfilled. That our need is relieved by the surplus, because we wouldn't have anything. We'd be just as poor as they are.

So that's something to consider. And then the Lord did begin to speak to me.

He said, *"This is not just to meet the needs of the impoverished, dear ones. This is also to meet your need to grow in the Holiness of the Father and in Mercy, as He is merciful. This is an opportunity to say 'no' to your flesh and 'yes' to Godliness.*

"And this is not just an endeavor for you, because I have called you to bring forth fruit on this Earth and those around you are often at a loss as to how they can help others who have legitimate needs. My heart is that your heart should be inflamed to touch those around you in a joint effort to grow in holiness and solidarity with those around the world. This is but one opportunity of millions around the world, but it is one more intimately connected that you will be able to see fruit from it."

And as He was saying that, the Scripture came to mind:

"My soul is satisfied as with marrow and fatness, And my mouth offers praises with joyful lips." Psalm 63:5

And here He's talking about our souls being satisfied. And again the Scripture says:

They drink their fill of the abundance of Your house; And You give them to drink of the river of Your delights. Psalm 36:8

The Lord continued, *"The abundant life is Righteousness, Peace and Joy in the Holy Spirit. My River of Delights is the precious union with My Bride, who most resembles Me with her tender heart for the poor.*

"Many hearts are jaded by reports of corruption even in charities; many hearts have grown closed and hardened. I am bringing this to you as an opportunity to soften your hearts by joining Me in providing for these very little ones, and seeing the effect your caring has had on their lives.

"This is much more about you and I than you and the poor. This is an opportunity to walk in My sandals and be an ambassador of love to your neighbor by simply enlisting them. It is not the amount you give, but the intention, the caring, the softening of your hearts. This is what I am offering you.

"The Kingdom of Heaven has been given to such as these, (that's from the Beatitudes in Matthew) and you shall walk in the glory of My presence as you take on more and more My attributes."

And that was the end of the Lord's part of this message.

And I would like to add that I've done some research, and that also has been having me busy for two days. So I can give you a clear presentation of what is going on in Nicaragua, so you would have at least a little understanding of how these little ones are surviving - or failing to survive. That will be up in the very next video. I thought it would be today, but I still have some work to do on it. So it might not be until tonight.

Anyway - I love you, dear Heartdwellers. And know that we share with everyone who asks of us, and we have already given to this cause. But what is being asked for here is that we bring along a couple of other souls, friends, on this sanctifying journey, and that we join with them in prayer. And helping in smaller ways, as we can. This, too, is a work of mercy for our brothers and sisters in this first world country of America.

And when it comes to providing for these people, very small donations go a very long way. So, a very small donation from, let's say, three people who know what a need is. For instance, a cement floor needs to be put in, in one of the houses. They're living on a dirt floor. You know, here we are with wheelchairs and things on dirt floors - that just doesn't work. Food is extremely cheap. Electricity is cheap. Anything to improve the living conditions and give these people a foot up.

There's one young man who loves to play with radio parts and restores radios. And they want to send him to a school for electronics. But he doesn't have any equipment to help him build these things. So, providing equipment for him would be - even just a few things at a time - would be one cause we could undertake. Just by adopting a family or a cause and standing behind them in prayer. And sending along a few small donations that add up to a nice donation, that will really meet their needs.

And the Lord is asking us to be a part of their lives here - not just sending them a check in the mail. He's asking for us to take an interest, that our hearts will be softened and be more like Him in the long run.

So, stay tuned. I will have another message soon.

Mercy Children of Nicaragua & Message from Jesus 2/3

March 7, 2017

Well, my dear ones, may the Lord touch your hearts with His heart for His children and single parents living on the very raw edge of poverty. He certainly has touched mine.

I have been gathering facts for, actually, three days now for this video, plus recovering from oral surgery, so that's why you've missed me. I am bringing to you a most precious treasure...children that don't have beds to sleep on or a blanket to cover them at night. Children with heart wrenching handicaps that have been left to fend for

themselves after being abandoned or parents dying. Orphans and single parents coping with severe health issues and no income. Please consider this cause and what is needed to do to help them a little at a time. We have been donating to this cause, and will continue to do so after our basic needs are covered and those who we care for around us, as well.

After I found out about this cause, Jesus came to me and began to speak:

"Do you know how thrilled I am that your heart went out to these little ones?" He began.

'I can only guess, Lord.' My Jesus kitty attacked me and wouldn't stop licking me and making kitty biscuits on my back. Climbing around as if I were a jungle gym.

Jesus continued, *"Yes, he is My little messenger of love and I knew you were feeling very guilty for abandoning Me today. But do you know when you minister to such as these, you have ministered to Me? Even as it is written:*

And the King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers of Mine, you did for Me.' Matt 25:40

"These are the ones that break My heart with their poverty. They have been chosen before time in the heart of the Father to be a gift to mankind. Their agreement with Me before conception was to come to Earth and suffer the direst need that the hearts of hardened men and women in first world countries would be renewed and softened. Their reward in Heaven is great.

"This is rarely seen or understood by My people. They see their poverty as a chastisement, when in fact it is their gift to the developing world.

"Where your treasure is, there will your heart be also." Matthew 6:21

"Did I not say that I am their inheritance?"

"Blessed are the poor in spirit, for theirs is the kingdom of heaven" (Matthew 5:3).

"Rarely will you meet a person well-off that is this humble. When you accumulate riches, you become self-sufficient and the need to cling to Me becomes less and less important. That is, unless you truly are poor in spirit, a rare quality in the wealthy.

"Listen, my beloved brothers: Has not God chosen the poor of this world to be rich in faith and to inherit the kingdom He promised to those who love Him?" James 2:5

"And so, it is truly My gift to you, Clare, to soften your heart and live a more circumscribed life of self-denial, the perfect cure for your excessively preoccupied-with-money culture. The American dream has become the American nightmare, with people in such debt that sickness and insomnia plague them night and day as they work to sustain this madness. Which, by the way, has been inspired by Satan, to entrap men and women and keep them from Me.

"When money is abundant, they lie awake at night planning how they will spend it. When money is scarce, they lie awake at night worrying about how they will pay off their debts. This is not the balance I ordained for man. It is right and good that all should have what is needful to a proper and productive life, where men can grow in knowledge of Me. Wisdom and charity and the fulfillment of their destinies. This I will restore when I return. But as it is now there is great inequity on Earth and My children must learn to give and sacrifice as they live for Me.

"This is a perfect opportunity for Heartdwellers, Clare. Lift this cross to your shoulder gently and carry it for Me; it is My delight to see your deep concern. This I will bless greatly.

"It will revive the conscience of many who are at a loss as to how to do something that really makes a difference, one they can see and truly appreciate. Not that your left hand should know what your right hand is doing, but there is an element of solidarity and shared relief that softens the soul and makes them more like Me. This is essential to a healthy spiritual life as well."

And that was what the Lord had to say.

So, I want to share with you, Heartdwellers, the gift He is talking about here. In my search for a musical instrument, I found a man, Erik the flute maker of FlutemakerMinistries.org, who makes flutes and bamboo saxophones and donates much of his profit to providing for orphans and widows in Nicaragua. Especially the hopeless, handicapped ones who have been abandoned by their fathers and living in the garbage dumps. Nicaragua has been devastated by brutal political strife and death squads, and is still in recovery mode.

When I saw what he was doing with Pastor Carlos Baez of [A Heart To Love Foundation](#), and the abject poverty they live in, and the orderly way in which he has planned out and executed self-sustaining solutions that are bearing fruit now, several years down the road. Well, I just melted and sought the Lord on how we could help.

So, I am bringing this to you, dear ones. And I believe this is a worthy and ethical cause and I believe I can vouch for the integrity of those involved.

Rather than throwing money at them blindly, there is a plan in place to help them become self-sustaining. Very simply, each of you has friends that love the Lord. And if you could inspire them to watch this video and check out his site and get them engaged - there is an orderly way that we can go about helping them, without making it a burden on one person.

We are encouraging you to form a little mercy team with two other friends or more, and asking them to consider their needs along with you and a little at a time WITHOUT STRAINING your own needs, giving to this cause. The key words here are THREE PEOPLE OR more and A LITTLE AT A TIME. In this way, together we can gradually have an extended impact on this extreme need, and stick with it for the long term, because new families in dire distress are always being found.

Their needs are simple and the America dollar goes quite a long ways. For instance, a table and 4 chairs is \$54 And it certainly does elevate people, to be able to sit in chairs at a table, rather than eating on the floor. If you have three people in on it, that's only \$18.00 a person and now a family has a table to eat from and chairs to sit on.

For families coming from the dump into their own dwelling, it would cost three people \$70 each to provide \$210 to cover for pots and pans, utensils and plates. \$210 is a hefty offering for many - just a little too much. But \$70 is much easier to handle, when 3 people are involved.

I know our American mentality tends to just do it or not do it. But here we are seeing the wisdom in grabbing a friend's hand and saying, "Lets all pitch in and get what they need."

Or, if you're a little better off, one situation is a family living under rotten roof beams and they need a new roof. And labor there, by the way, is free. 'Cause people volunteer to help one another. The only thing that is asked is that the workers get fed. And believe it or not, daily wage there is \$2.50 - \$3.00. And that's not per hour. That's for the whole day.

In Erik's own words here is a little introduction to their work:

He begins, "Flutemaker Ministries was born in 2006, when my wife, Linda and I performed for and gave out toys to 18 kids who were in the process of being rescued from a garbage dump in Nicaragua. Some

of the children were living in a structure with no water, no electricity, no doors, no windows and no bathroom. The kids were sleeping in bags of rice and beans; it was an audience that changed our lives.

Through the help of many customers, family and friends, Flutemaker Ministries was able to buy land, build the kids a home, start a farm, sow into micro businesses and support efforts to feed children in feeding centers throughout Nicaragua. By 2017 we have expanded our efforts and now support 243 children with disabilities, 52 Feeding Centers, helping children in the Miskito Coast and helping to educate the Kids of Cascabel so they can one day give back to their community. (Learn more at FlutemakerMinistries.org)

"This weekend I learned there are still no doors or windows or electricity in the house we built for six orphaned children whose mother died of a twisted intestine. The doors and windows will be made by Geylin, one of the kids of Cascabel now doing construction. (By the way, that's the name of the house he built for the orphans.)

Anyway, I encourage you to check out his site and watch the videos...I don't think you'll feel the same after you've seen them.

A word of caution here, dear ones. As our hearts are moved, we mustn't forget the efforts to help and support those around us we are already committed to. I had to set aside what we use for those who need firewood and help with medications and utilities, rent money for a free store and shelter. So, a little caution when you give - please do not abandon your tithes and offerings to regular ministries that have to survive in the first world.

But with a small group contributing to one family, it will take very little to support them, and help them be self-sustaining, in God's good timing.

Many of the single mothers have been given sewing machines, by the way, and fabric with which they have produced beautiful bags that are sold to replenish the fabric, buy another sewing machine and help support families with no income. You can find these on Erik's site, under "Other Products." These families have come from the garbage dump. They were living on what others threw away. Now they are producing an income by sewing and some farming, living in their own houses constructed from the profits of the sale of Erik's flutes.

The goal here is to help a family get on their feet with a respectable living. We are in it for the long term, to help as we can, not just blindly donate and not know how it is being used. The element of sharing in their plight is so very enriching to our souls.

After we've met our operating costs, and taken care of the widows here who are in dire need, and in danger of losing electricity, we will give substantially to this ministry.

So, this is my dear brother, Erik the flute maker, and his many children...the ones Jesus has given to him and Linda to love, and the ones he is so graciously sharing with us.

In closing, I just want to remind you to check out FlutemakerMinistries.Org and call a couple of friends to join hands with you in donating when you can, to their efforts. You will find updates are on a month to month basis on the address I provide on the PDF of this video:

The Lord bless you, dear ones. Thank you for your kind, kind heart.

Got To! A Film About the Poor of Nicaragua 3/3

March 7, 2017

Got To!

Got to go to Nicaragua Jan. 31, 2015 by Eric the flutemaker.

Got to bring children's clothes.

Got to see a team playing with kids at a garbage dump.

Got to jump in and help.

Got to hear a story.

“I want to tell you a story about one of our children. One of the children died. And there's a little cross in the dirt up there. We buried her here (in the garbage dump, where they are standing to tell this story)

“We were all here working and they had dumped oil from a restaurant way over there. And when the time came to leave, no-one could find her. We looked and we looked. We called for help and no one would come. We called the mayor's office and the police for hours, but no-one came. We looked all over the trash, we dumped trash...and finally, they dug through the oil and they found her. But, she didn't have anybody. So we said, 'Well. She's from here, let's bury her here.' And they dug a hole and buried her right here (in the dump). And she (the restaurant owner) said to me that night, 'We know you are so busy. But could you just pray for us?'

“And so I said, yeah - we could do that.”

Got to meet this man, Patrick Brown, feeding thousands of kids a day.

Got to help, too.

“And at this moment, we're connecting with Samaritan's International in Nicaragua. This is one of their places. It's heading into the Miskito Coast, the second or third week of February, and they'll be moving the food into about 20 different villages. Nicaragua's having a really difficult time right now, because the rains didn't come last year and people are really hungry.

“Stories before, the Miskito Coast, is simply that people, kids, were eating the bark off trees. And now, actually, we're hearing that further inland, children are dying of malnutrition.

“So, we've connected with some really cool people and we're taking a busload in a vehicle up with us to our children's home in the north. And later on, go into the Miskito Coast and into the (?) area. So I just want to say personally to those who have helped Flutemaker Ministries - it's been a blessing to be able to be here and partner with others who are really making a difference.

“So, thanks for your support.”

Got enough food to feed 4,800 children in 60 feeding centers.

Got to visit one of them.

Got to visit our children's home.

Got to see the washing machine we bought months ago, finally get understood.

“We started this work when we found out there were 18 kids recycling in a garbage dump, and a lot of them weren't going to school, they had all kinds of problems. We decided that we were going to build them a home. And this is the kid's Cascabel. It's one of the greatest things in my life. I'm making not only new friends, but helping them out in their time of need. So, love you. (speaks in their tongue) God bless you, God bless you! Goodbye!”

Got to see the aftermath of the 2014 drought.

“One of the things about present life in Nicaragua is, this (standing in a dry bed of dirt) is a river, and they've had a really bad drought. And because of that, there are serious hunger. We were just meeting with Samaritan's International and in one area there were children dying because the food wasn't getting to them. They just had nothing.

“So, this is interesting. Here's a guy working on the Miskito Coast. His name is Pastor Abel. And I'm going to ask him some questions and translate for you.”

“If this is a river, why is it dry?”

“This is the result of the drought in Nicaragua.”

“Is it true that you are hearing of children dying of hunger?”

In 5 departments, or states, we have heard of this.”

“What is a solution? What can we do to help?”

“One solution is to give a friendly hand with what God puts in your heart.”

“Then we are here to help with the little we can.”

Got to visit kids of the Mercy Ministry.

195 kids in this group.

“So, Eric the Flutemaker here, making the rounds to visit some of the kids from the Mercy Ministry. I just want to personally say thank you to those who have been able to do this. This is Brother Mario, he has three children with needs and he really appreciates when we come. And the foundation that we work with will bring food and toilet paper and things like that. And we'll take up a little offering with the teams we bring.

“But these guys really love when we come and we love being able to give them something. So, we appreciate your love. This is Vianna. Thank you, Pastor Mario. I'm amazed at this guy's love. Thank you.”

Got to see a new house a donor but for 2 blind ladies.

“This is the new house Mario built for this wonderful lady. Her daughter is blind, also. She's been praying for those people that have been coming to bless her. Thank you, ‘Ambassadors of Love’.”

Got to see the kids Pastor Carlos rescued, helping to feed others.

"So, this is food arriving to Jalapa, the farm. I'm a staging ground for feeding centers."

Got to see the 25 acre farm bought in 2012.

"During the dry season we water from the stream. Pastor Carlos, executive director of A Heart to Love is shown in the garden. Thank you, Carabello Coffee for 2 oxen, a fence, cistern and drip irrigation. Thank you Lee Tyler for sending Torivio and his team to learn organic gardening."

Got to plant 500 fruit trees. Thank you, customers of Erik the Flutemaker.

"This is a banana plant that's a year old with their compost. (they are harvesting a huge gather of bananas.) Woo! We're glad that we've sowed into this place. I'm blown away that this papaya tree is only 6 months old (It's VERY tall and yielding dozens of papaya)."

Got to hear 600 coffee trees were just planted.

Got hear this orange tree bore 4 times in 2014.

Got to hear 15 lb. Yucca is now growing to 30 lbs.

"The worst thing that happened to me in the garbage dump was living without Christ in my heart." Jorge Luis

Got to have a Kodak Moment in the banana patch.

Got to play in their new park.

Got to inspect the new construction.

"Thank you, customers of Erik the flute maker. You have built 6 rooms and 2 bathrooms at the farm. And put in a well, a water tower."

Got to see the old fridge and want a new one.

Got to see Fanny cooking outdoors and want to build a roof.

Got to meet with our two teams to see where we are going.

Got to see 2 bikes bought. Thank you, Carabello Coffee.

Got to see the surrounding folks come out to give thanks for the farm and the new park.

(Video of people in the park singing and clapping along with Mary Nelson, a Fair Trade Advocate and Chuck Caine, Vice President of Flutemaker Ministries.)

Got to see an offering go to a little girl who lost her leg when she was 2 hours old, when the incubator light fell on her leg. To say 'sorry', the hospital gave her father a job taking out the garbage...

Got to hang with Pastor Abel, who lost his dad when he stepped on a mine and had to go to work at 7 years old.

"I asked Abel, 'Tell me about the poorest person in your church.' He said, 'A lady roaming the mountains abandoned by her husband came to a feeding center and gave her heart to the Lord. But she needs a house.'"

“So, on our bus ride back to Managua, we got to take up and offering to build her a new home. Tin roof: \$180. Nail: \$10. Wood: \$180. Adobe bricks made by the church. Free labor by the church. 2 doors and 2 windows and a bed!”

Pastor Abel serves many feeding centers and children in need.

Got to say goodbye.

Got to do more!

Just got to...

The Shack movie & Fruits of Caring for the Poor

March 8, 2017

May His kindness embrace you, may you find rest in Him dear Heartdwellers.

Well, today was my birthday. And I know you're all wishing me a Happy Birthday, so I've got that. Thank you. And the same to you.

But, I had a really wonderful day, I have to admit. Most of my birthdays, looking back in the past, were NOT good days! This one was totally an exception to the rule.

'Thank you Lord, this has been such an awesome day! What a joy the whole day was! Amazing! One surprise after another. I can't remember when I've had such a wonderful and rewarding birthday! You have been so gracious to me.'

Jesus answered me, "*It is My joy to be gracious with you, Beloved spouse of My heart.*"

Oh, a thousand thank yous could never express my gratitude.

"No, but your faithfulness to My heart reveals it very well. I know how you are feeling and I hoped this would be that kind of day for you. You even took the frustrations well. Thank you for trusting Me."

Yes, there was a moment, a rather important issue came up and the fear and intimidation came after me. It lasted only a few moments and then my calm and peace returned as I saw and heard the Lord, and He said, "*Don't worry about it. I've got it covered.*"

Well, I am here in Your arms now, Lord - so calm and full of joy. Oh, such a sweet place. I have to also thank my dear friends for such a special day. It is something to remember.

'Lord, I can't believe the music has been flowing so freely. Anything to do with giving to the poor of Nicaragua?'

Jesus answered me, "*Yes, very much so. That and your obedience.*"

And what He's talking about with the obedience is, beginning the day playing music. Those of you who have been with me for a while know that I begin the day with prayer, normally.

So, I answered Him, 'But I can't come to You first thing in the morning to pray as I would like, since you've asked me to play music? This concerns me.'

He answered, "*Obedience is better than sacrifice. I am doing something new and special in your heart. Can you not perceive it? The mornings are important for you and your calling right now. I love to get together in the evenings and isn't it fruitful?*"

Yes, You are here, Lord. And I am deeply contented in Your presence. And I have also been working on the keyboard.

He answered, "*You're coming along, dearest. I love your instrumental pieces and I also love the idea of you singing behind them when you feel inspired. But for souls, the instrumental music gives Me breaks, to do as I please with them. They are Important, too.*"

I wondered about that, because I've been listening to Julie True for worship music. And I noticed the Lord has been picking a lot of instrumental pieces. And I wondered - why is that? And He explains it here.

He says, "*They are important too. This music, coming from your heart, directly connected to Heaven, is anointed to pave the way for My presence and indwelling of a soul. It expresses My heart so very adequately, in all its various moods and feelings towards My loved ones.*"

"By the way I have many wonderful surprises for you. This is only the beginning. Are you enjoying the flutes?"

Immensely.

"Yes, worship with them, you've got the right idea."

And that's what happened to me today. Erik the flute maker was sending me a couple of flutes in different keys that I needed for matching up with the keyboard. And he's amazing. They got here in two days, but they arrived on my birthday and that was so exciting!

So, they arrived at my door in a beautiful bag. He chose some wonderful, mellow flutes that I can play and record in my songs and I'm thrilled. This is all new to me. I've always wanted to play the flute and now, so many things are falling into place, almost effortlessly.

They will be a very tasteful and passionate addition to the keyboard. I really love doing lead parts and improvising. Especially when angels are onboard teaching me.

That really clicked for the first time in the Divine Mercy Chaplet. The Lord told me that He had assigned a choir of angels to help me with the arrangement of different instruments on the Chaplet. Wow! They sure did an awesome job! Oboe. Cello. Flute. Violin - all kinds of instruments. That was my very first recording project. I look back on it now and KNOW beyond a shadow of a doubt, angels were responsible for this.

My dear Heartdwellers, if God is calling you, He will send angels to help you, to equip you so you can work on a much higher level than your skill level. I was just starting out, and what He did was SO amazing! I mean, I was just REALLY starting out. I had JUST been given the gift of music.

The Lord continued, *"So. Getting back to Nicaragua, Clare. You made Me so happy. I could not help but bless you with new melodies, they just flew out of My heart to yours."*

They are beautiful, Lord, thank you!!!

He gave me three new melodies, two with lyrics or the beginning of lyrics plus several improvisations on the "Have It Your Way" that song I put up the other day without vocals.

He continued, *"My people, when you go out of your way to take care of others, you resemble My Father in Heaven and I cannot help but to recognize Him in you. And Oh, how I love Him. Your deeds of Mercy qualify you for more and more anointings. No, this is NOT about works righteousness, this is not about earning rewards. It is about caring and loving those who have no way of rewarding you."*

"When you use the resources I give you for those dearest to My Heart, whether it be time or money, whatever gift you have, it sparks abundant love in My heart that causes Me to erupt with blessings into your lives. Clare has reaped the sweet benefits of that caring, both in her music and in her family. I have brought her children back into her life to work in her mission and this is a gift beyond all gifts for her."

Wow! It sure is. And He was saying that, some Scripture came to mind:

Jerusalem, your children were led away by their enemies; they left you on foot, but God is bringing them back to you, carried in royal splendor. Baruch 5:6

"Your children will return to their own land. ... There is hope for your future, declares the LORD, and your children shall come back to their own country. ... the LORD, 'plans for welfare and not for calamity to give you a future and a hope. Jeremiah 31:17

Oh Lord, never can I thank You enough for such a treasured gift.

"And there is more to come," Jesus continued. *"And I will protect you from those who see and hear and begin plotting destruction. What they dig for your family to fall into, they themselves shall reap and not escape what they have tried to sow in the lives of My faithful ones."*

"I have so much good planned for you; this is only the beginning."

And to me? The good is being able to communicate about the Lord. And reveal His sweet nature to everyone. How wonderful He is; what a best friend He is. And. hopeless romantic, as well. But in the purest sense, because He is deeply in love with His Bride.

Jesus began again, *"Now about the film. (The Shack)"*

Yeah, we went to see that the other night.

"I do not wish for My people to miss the forest for the trees. My Father is male, My Spirit is male in gender. Yes, yes, yes...all this is true.

"But now I wish for my people to look beyond the obvious. Satan has deliberately ruined fatherhood and made it a horror in so many families. For this reason, I am avoided because I am both God and Man. It has become an issue that causes some to avoid Me because of My gender.

"This movie, while not accurately portraying My gender, has done very well indeed portraying My Loving Character. I would advise you, My People, My Children, do not ever fall for the idea that I am a woman. "But there is no woman on Earth who can equal My tenderness and concern for each of you. Is it not written,

"Behold, I extend peace to her like a river, And the glory of the nations like an overflowing stream; And you will be nursed, you will be carried on the hip and fondled on the knees. As one whom his mother comforts, so I will comfort you; And you will be comforted in Jerusalem. Isaiah 66:12-13

"Jerusalem, Jerusalem, you who kill the prophets and stone those sent to you, how often I have longed to gather your children together, as a hen gathers her chicks under her wings, and you were not willing."
Luke 13:34

The Lord continued, *"These are metaphors, My People. This is not to be taken literally. It is to be understood that I am gentle, tender and nourishing, attributes normally assigned to the mother in the family. But discarding archetypes, I AM all that is - including the attributes of a woman or I could not have created her. If I did not know or understand and embrace the specific attributes of a mother, I could not have created a woman, or a family. But as it is, I have established who and what woman is: that tender, nourishing element may be in the center of the family to hold it together.*

"Satan has perverted this to the maximum and done all he could do to destroy the family. Yes, he hates Me, he hates mothers and fathers and takes great delight in separating families, which then become prey for him.

"But let's be very clear about this. I AM the male principal, masculine, your Creator. I have created you to receive Me, and that is why I liken each of you to My Bride, because you have embraced Me and received from Me all that is in your lives. I created you to receive life from Me just as the masculine element gives life to the woman and a child is formed in the womb.

"And please - do not pervert My words. This has nothing to do with sexual reproduction; this has everything to do with receiving all that I give you and bringing forth new life with your gifts.

"When you worship, your hearts open to receive grace from Me. When you study My words, your mind opens to receive My instruction. When you minister, I call you to mother and shepherd your flock, to be My ambassadors of love which was shed in your hearts that you may sow it abroad, that others will receive this new life and be reborn in Me.

"Yes you are receiving from Me and giving birth with your gifts new life to the broken and lost. This indeed is the paramount element of motherhood.

"So, this film has some good elements in it. You can see from the scene at the throne what it cost Me and what I was willing to give to keep you from Hell. This is portrayed very well. I wish for you to stop straining at gnats and swallowing camels, My people.

"The poisonous root in the center of the man's garden was bitterness. I have taught you before, that you must not allow this root to grow in your hearts. The tiny lilies of the valley represent forgiveness and new life in the Spring. When one is wounded, there is a tendency to bitterness; but when one forgives - their hearts are enlarged and healed.

"Do you understand? As real as this movie appears to be, it is still only a movie and the three persons portraying My Threefold nature are merely examples of the attributes of My Godhead.

"So many have been brutally injured from fathers. Betrayal, abuse, violence, selfishness, neglect, abandonment. Fathers have been destroying their children from a very early age. It is usually the mother who remains faithful to her offspring. Many will not consider anything good about Me, because they have been deeply wounded by their fathers or the men in their lives.

"So, I am asking you not to be missing the very essence of the story: forgiveness, letting go, planting life's disappointments with gentle resolve and allowing Me to bring sweet fruit from the bitterest losses in your lives. Coming to Me as a familiar friend, trusting Me to help you walk upon the stormy waters of this life and refusing to sit in My place on the throne to judge your brothers and sisters.

"All these points are valid and biblical and portrayed very tastefully. So, I ask you to know, without a shadow of a doubt, My masculine nature. But learn from what the characters portrayed - that I love you as a mother would, unconditionally. My Spirit guides you very, very transparently and is more easily grieved than you can ever imagine. And I love to listen to you, be in your presence, play with you and appreciate life with you. To celebrate.

"I am at your right hand always and I will never leave you or forsake you. I understand your deep wounds and I am here to heal them."

Martha, Mary & Doing Our Part for Him & America Restored

March 11, 2017

May the blessing of our dear Lord infuse your hearts and minds and spark holy perseverance in building up His Kingdom.

Well, just as an aside, I wanted to let you know that Erik is so very, very grateful by the way you've been helping Pastor Carlos. You've been a tremendous blessing. He's had people from all over the world buying his products, buying his flutes and flute bags and all kinds of things, and donating to the ministry in Nicaragua. And many of his things are totally

dedicated to Nicaragua's needs. So, thank you so much for your hearts being responsive. The Lord's so happy with us right now and I'm just thrilled that we've been able to make a difference.

Erik was bringing up to me how impossible it is for them to build a latrine, because they get paid \$2.50 a day, the people in the field. And a latrine costs \$400 dollars, American dollars. So, the ability for them to build a latrine, or to have the materials for the latrine, is just way out of their reality, as far as money and funding go. So, we have met some very serious needs down there. And of course, those bring up health issues when you don't have a latrine.

So, thank you so much, dear ones. We'll keep an eye on his needs. By the way, some of you have asked me how to see, how he keeps up with it. And if you go to Erik the Flutemaker.com - if you go to that site - and click on Articles. Then click on Past, Present and Fluture...lol...Erik can be very entertaining. Down at the bottom of the page you will see a list of needs that have been met already, and ones that are coming.

Okay. So, on with the message.

I got the Spring cleaning bug a little bit today. And I've gotten a Martha bug. So, it kinda went over my threshold of compulsive/addictive behavior... Don't get me too close to that threshold, because I'll fall off into the depths of it in a heartbeat. The Lord is reeling me back in.

"Enough Martha, My dear." He began. "Now you are here to form a people's heart unto Me."

Lord, I know I've been way too focused on me lately. And organizing. Please forgive me and help me get back where I need to be.

He continued, *"You are letting busy work interfere. You need to put a stop to that. Your son is here to take over, Clare. And I do mean take over. You can let it go, his hands are capable and I need you. I need you. I need you."*

"Please set the unessential things aside. Let's go on now. Much has gotten done, much is set up to be accomplished, but now I need you to turn it over to him. Ahh...You have a hard time letting go, did you know that?"

I do?

"Yes, you do."

Oh. (Isn't it funny how we can be so blind to our faults?)

"Besides, your quick nature and perfectionism...you are a bit overbearing. You have seen he can handle things. Give him a list and let go where you hand it to him. Move on, get back to Me. I am waiting for you, you know."

Then He began to address you, Heartdwellers. All of us Heartdwellers.

"My Brides, this is a season of learning the essentials in serving Me. Many of you are very ambitious as far as how you can stretch your day, your energy, your time. You expect too much of yourselves and end up exhausted, frustrated and unable to serve Me in the more important matters."

"I would like to call you to accountability with your time. I would like you to consider what you accomplish for Me and what you have done strictly for yourself.

"For instance, projects to beautify your space can become very self-serving and cause you to become more involved in yourself, your vanities, and the world. Then you are chasing your tail, because enough is never enough. Rather, I want you to be chasing Me and My needs during the day."

Then this Rhema Came up. The New International Version. It's from Haggai 1 & 2

A Call to Build the House of the Lord

1In the second year of King Darius, on the first day of the sixth month, the word of the Lord came through the prophet Haggai to Zerubbabel son of Shealtiel, governor of Judah, and to Joshua son of Jozadak, a the high priest:

2This is what the Lord Almighty says: "These people say, 'The time has not yet come to rebuild the Lord's house.'"

3Then the word of the Lord came through the prophet Haggai: 4"Is it a time for you yourselves to be living in your paneled houses, while this house remains a ruin?"

5Now this is what the Lord Almighty says: "Give careful thought to your ways. 6You have planted much, but harvested little. You eat, but never have enough. You drink, but never have your fill. You put on clothes, but are not warm. You earn wages, only to put them in a purse with holes in it."

7This is what the Lord Almighty says: "Give careful thought to your ways. 8Go up into the mountains and bring down timber and build my house, so that I may take pleasure in it and be honored," says the Lord. 9"You expected much, but see, it turned out to be little. What you brought home, I blew away. Why?" declares the Lord Almighty. "Because of my house, which remains a ruin, while each of you is busy with your own house. 10Therefore, because of you the heavens have withheld their dew and the earth its crops. 11I called for a drought on the fields and the mountains, on the grain, the new wine, the olive oil and everything else the ground produces, on people and livestock, and on all the labor of your hands."

12Then Zerubbabel son of Shealtiel, Joshua son of Jozadak, the high priest, and the whole remnant of the people obeyed the voice of the Lord their God and the message of the prophet Haggai, because the Lord their God had sent him. And the people feared the Lord.

13Then Haggai, the Lord's messenger, gave this message of the Lord to the people: "I am with you," declares the Lord.

14So the Lord stirred up the spirit of Zerubbabel son of Shealtiel, governor of Judah, and the spirit of Joshua son of Jozadak, the high priest, and the spirit of the whole remnant of the people. They came and began to work on the house of the Lord Almighty, their God, 15on the twenty-fourth day of the sixth month.

(Things haven't changed much, have they, guys?)

1On the twenty-first day of the seventh month, the word of the Lord came through the prophet Haggai: 2“Speak to Zerubbabel son of Shealtiel, governor of Judah, to Joshua son of Jozadak, a the high priest, and to the remnant of the people. Ask them, 3‘Who of you is left who saw this house in its former glory? How does it look to you now? Does it not seem to you like nothing? 4But now be strong, Zerubbabel,’ declares the Lord. ‘Be strong, Joshua son of Jozadak, the high priest. Be strong, all you people of the land,’ declares the Lord, ‘and work. For I am with you,’ declares the Lord Almighty. 5‘This is what I covenanted with you when you came out of Egypt. And my Spirit remains among you. Do not fear.’

(And I just want to take an aside here and say, this is really also about America right now. And the changing of the guard, the changes that are happening in this country.)

The Scripture continues: 6“This is what the Lord Almighty says: ‘In a little while I will once more shake the heavens and the earth, the sea and the dry land. 7I will shake all nations, and what is desired by all nations will come, and I will fill this house with glory,’ says the Lord Almighty. 8‘The silver is mine and the gold is mine,’ declares the Lord Almighty. 9‘The glory of this present house will be greater than the glory of the former house,’ says the Lord Almighty. ‘And in this place I will grant peace,’ declares the Lord Almighty.”

10On the twenty-fourth day of the ninth month, in the second year of Darius, the word of the Lord came to the prophet Haggai: 11“This is what the Lord Almighty says: ‘Ask the priests what the law says: 12If someone carries consecrated meat in the fold of their garment, and that fold touches some bread or stew, some wine, olive oil or other food, does it become consecrated?’ ”

The priests answered, “No.”

13Then Haggai said, “If a person defiled by contact with a dead body touches one of these things, does it become defiled?”

“Yes,” the priests replied, “it becomes defiled.”

14Then Haggai said, “ ‘So it is with this people and this nation in my sight,’ declares the Lord. ‘Whatever they do and whatever they offer there is defiled.’ ”

15“ ‘Now give careful thought to this from this day on — consider how things were before one stone was laid on another in the Lord’s temple. 16When anyone came to a heap of twenty measures, there were only ten. When anyone went to a wine vat to draw fifty measures, there were only twenty. 17I struck all the work of your hands with blight, mildew and hail, yet you did not return to me,’ declares the Lord. 18‘From this day on, from this twenty-fourth day of the ninth month, give careful thought to the day when the foundation of the Lord’s temple was laid. Give careful thought: 19Is there yet any seed left in the barn? Until now, the vine and the fig tree, the pomegranate and the olive tree have not borne fruit.

“ ‘From this day on I will bless you.’ ”

Zerubbabel, the Lord's Signet Ring

20The word of the Lord came to Haggai a second time on the twenty-fourth day of the month: 21“Tell Zerubbabel governor of Judah that I am going to shake the heavens and the earth. 22I will overturn

royal thrones and shatter the power of the foreign kingdoms. I will overthrow chariots and their drivers; horses and their riders will fall, each by the sword of his brother.

23“ ‘On that day,’ declares the Lord Almighty, ‘I will take you, my servant Zerubbabel son of Shealtiel,’ declares the Lord, ‘and I will make you like my signet ring, for I have chosen you,’ declares the Lord Almighty.”

Well, I certainly can't help but think of President Trump in this particular portion of Scripture. It seems very much like President Trump has been chosen as the Lord's signet ring. But this is a time of sowing into the Kingdom of God and building up the Kingdom of God.

On a personal level, what we can do in our own small, little lives and on a national level. On a church level. On a national level - around the world. This is a time for action and for building up the Lord's Kingdom. It's a very exciting time.

And the Lord began, after this Scripture, "Yes, Beloved. Tell My people and lay it to heart yourself as well, this is the time for building up My Kingdom. This is the time for new beginnings that will open the floodgates of Heaven. But if you do not lay it to heart, if you roam about in your own will, there will be tragedy and sadness.

"I am not threatening you. I am merely saying work now while you have the strength, the light, the inspiration. Do not waste your energies on your own nest. Rather, be about My business, helping Me with My Kingdom on Earth.

"For instance, your giving to Nicaragua was a Godly thing, building up My kingdom. You are supporting a pastor with a great vision and very little resources. But now that you have taken note and allowed your hearts to be touched, you are building up My Kingdom in Nicaragua and I shall prosper you, not only in resources to be shared, but energy, foresight, focus and execution for I am with you.

"You, Clare, have decisions to make about spreading My words to you abroad. This is not a little matter, rather it is important for you to focus your prayers on acquiring My understanding on how to go about this."

Yeah, I have to say guys - advertising is just not my field. I could work with art directors in advertising, take photographs and communicate what they wanted. But I never really understood advertising or how to go about it. That was just beyond my focus. So, I could use your prayers here. He really wants His words to be getting out there.

And we have some issues Amazon. We're having a little bit of a hard time getting certain things up, all of the materials for the Left Behind - we're just having one heck of a time getting them back up, since the person who worked for me before dissolved our account.

So, please pray for me. Pray for us to make the right decisions to get things out.

Okay. Also, we need to be tax exempt and that was something, we were going to be a charitable organization. And the paperwork that was prepared by someone who had worked for IRS was not accepted by them. And we still haven't heard back from the attorney that we paid to work on this. So,

please pray for us. That's a serious need right now, 'cause tax time is here. So, thank you for your prayers.

Moving on...

"The great temptation here is to spend these precious graces on trivia, spring cleaning, organizing, etc., etc. Do only what is essential. Hand on to others what others can do and free yourselves up for Me. Those of you who have the resources to have someone clean and cook for you, by all means use them. Give as much as you can of the mundane tasks over to others and come into your prayer closet with Me for times of refreshing, restoration, and direction.

"You will be met by great opposition, using your compulsive/addictive nature to join in the move to deep clean your houses in Spring. All the things that hit you in the spring. I am asking you to beware of the wiles of the devil to side-track you. For several years now that I have been with you through this very frail vessel, you have observed how easily she is thrown off track, and that you, too, have been derailed.

"I am telling you, My People, most seriously - you must RESIST the temptation to do these things. I will let you know the season for doing this, if it becomes necessary. But now is NOT that season. Now is the time to get into the ocean current of building up My Kingdom and flowing in My Spirit to My destination while you still have the light of day to work by.

"Many of you have taken these messages to heart and applied yourselves to new directions. You have already abandoned those things that did not contribute to My Kingdom. For you, this is just a heads up to avoid being derailed by the enemy.

"Yes, that is another dimension; things will be thrown at you from left field. Take My hand and walk upon the waters to a safe destination and the fulfillment of our dreams. Do not allow threats to dampen your joy as you are moving forward. There will be many, but as long as I am guiding you and you are following, I will lead you right through their midst and back into the work I have ordained for you. Just keep your eyes open so you will see it coming. Do not allow yourselves to be side-blinded. Nothing is happening to you that I did not give permission for, that I did not see coming, that I do not have a provision for delivering you out of the hands of evil.

"Yes, I am pleased, very pleased indeed with your tender hearts for the poor, that you love in deed not just in word. That you follow through on your assignments from Me, especially prayer and whatever I give you to promote the Kingdom. That you are faithful in supporting this ministry with your prayers, which make a world of difference for Clare every day.

"I am with you to rebuild My house. Go now in peace and know that the very power of God is infusing, guiding and equipping you to do My will. Do not shrink back from any challenge, there is nothing we cannot accomplish. Do not be intimidated, for Greater is He who is in you than he who is in the world. John 4:4.

"Keep this message before you, Beloved, and continue on to the goal of the High Calling in My anointing."

Extraordinary Sacrifices for America - Light for Nicaragua Orphans

March 13, 2017

May the Peace and Joy of Our Sweet Jesus be with us. And may you stand before Him with a clean conscience, and may you bring joy to His Heart. Amen

Well, Heartdwellers, you are obviously storing up your treasure in Heaven. Oh, my goodness! How joyful it will be for you on that Day!

I got a report back from Erik that I would like to share with you. He's the man who's taking care of extremely poor and disabled in Nicaragua. We had gotten together for family #4. He had listed the needs of certain families.

Family #4

NELSON ARTICA: Nelson (I think he's 12 years old) has Microcephaly and a cerebral lesion from birth with convulsions from fevers. Nelson cannot speak, and is of very small stature and he cannot walk. His mother, Emilia, is 55 years old. His father is 53 years old, and a guard at a school in Tapiche jalapa making \$25 - I assume \$25 a week - because of a fracture to his right foot.

Their history: This is a home of extreme poverty. Three brothers, 16, 14 and 12. Nelson needs medicine, vitamins, calcium, and milk. He also needed a table and chairs and 3 beds. A latrine and a roof, because their roof was falling apart. So, ALL these needs, because of you, Heartdwellers, were met for this very, very poor family. What a beautiful thing! You can imagine using a bathroom out in the bushes all the time, how unsanitary that is. It's wonderful for them to have a latrine. And their roof was rotted and starting to cave in different places and leaking. And replacing their roof is HUGE. So, thank you so much, Heartdwellers, for going out to these families in Nicaragua.

And Erik sent us a thank you note. He said, "Dear Heartdwellers. God bless you for helping us. And what a sweet blessing you gave. It's been raining blessings here since you communicated our work. It came at the right time as we discovered the 45 new families we started to feed, lived in a real extreme condition.

"In these few days were able to serve 4 families in dire need. Every need was met!!! Including providing medicine, clothing, kitchen utensils, school supplies, 8 beds, 3 latrines, 2 sets of tables and chairs, replacing 3 very bad roofs. Putting cement on an adobe house giving it many years of life."

This is the house with 6 orphans whose mother died of a twisted gut. They finished their kitchen for them and brought a lot of hope to these families. Erik said, "God bless you for being part of this miracle!"

It certainly overwhelmed them with blessings.

So, dear Heartdwellers, rest assured that we have cared for the littlest ones on planet Earth and hearts have been touched.

And I wanted to share with you a quick aside, and then I'll get into the Lord's message.

When we lived in Columbia and were on a mission trip, we lived in a little finca out in the jungle and walked to town every day. It's like a little farmhouse. The rooms are extremely dark inside so you have to turn a light on to see anything.

Well, Erik discovered a man in Indonesia who had an invention where you take a two-liter coke bottle, fill it with water and a few drop of bleach. Seal it, pierce a hole in the roof and set it there so it catches the light from the sky and the sun. But it transmits it past that into the house. So, part of the bottle is down below the roof level and part's above. And it's amazing, what it does. How it lights up a room is totally amazing!

So, we made a donation to invest in a little micro-business for some of the young men down there. Which just was the cost of some tin snips, silicone sealer and a few pieces of tin, so that they could properly seal it once they do it. And would you please ask them to share "Jesus is the light of the world" when they put these lights in. So we're excited about that little micro business. It really gives them a chance to get out of their poverty. I mean, at \$2.50 a day - that's a terrible thing. \$2.50-\$3.00 a day. They can't support anything, let alone a handicapped or sick child.

So much for these exciting endeavors. And we've really blessed the Lord's heart. And He's been blessing us extraordinarily, as well.

I would like you to post any new blessings or anointing that have been given to you since you helped this cause.

I asked the Lord, what have You to share with us?

He began, *"Many of you, My dearest Brides, have been going through some of the most difficult trials of your lives. This is what I warned you of before you took My hand and began the steep climb up the mountain. I knew things were going to get tough, because I knew the opposition your president would face from the dark side.*

"And although you can't really see what your offerings are accomplishing, I can assure you cracks and deep fissures are beginning to form in the elite's network. Some things are coming to light that are so disgusting to those who have supported their agenda, that the weak points in their network are beginning to dissolve.

"You and all who have prayed and fasted can be credited with this widening gap and general awareness of who these people really are and what their agendas really are. It is only beginning, but as the network weakens more and begins to crumble, those responsible for heinous acts will lose their public support which will be shifted to President Trump as they realize that he is the only man who was willing to risk his life to uncover the filth in Washington.

"But it has taken a toll on you, My Beloved ones," the Lord continues. "And I want you to know how much I appreciate your sacrifices. I want you to know that nothing you have suffered was in vain.

"Some have paid the ultimate price and are no longer on the Earth, but are with Me. Others have been brought to the brink and back again."

Yeah, and I just wanted to add something here. As an aside, I know of at least one person who has had two NDE's and they were not expected to live through the night - but they're still alive. In fact, she went home and had to come back for another procedure and is on life-support again. But then, the Lord heals her. It's quite amazing, really. She's just dangling over the edge of eternity - in the hands of a merciful God.

"Needless to say, it was very painful for her to have to come back, but they gave their wills to Me and I sent them back. Those who have suffered in this way, will be continually used for My purposes...and their glory in Heaven will be great. Their family and spouses have suffered torture watching their lives ebb away, expecting them to be taken, then given and sent back. Oh, how torturously painful this has been for all concerned.

"This is one reason why I want to commend you for enduring this for your nation and the world. Yes, some have paid the ultimate sacrifice. For others, life seems to be almost as usual, but events unfold in your environment that are extremely trying and frustrating. That, too, is your sacrifice and I do not wish for you to go on ignoring that. These delays, oppositions, accidents, unexpected set-backs, all of them are entirely relevant to delivering America and the world from the clutches of evil.

"Yes, you know that Revelation will be fulfilled and in your lifetime, and parts and shadows of it already have been. But I am bringing the light of My Kingdom to Earth before the final challenge. I am forestalling the inevitable, but it is your suffering that is backing this up. You all have done well.

"As you grow in faith and love, you will discover yourself on high places with Me, saturated in My Love and united to Me in the sweetest bliss possible on this Earth. Yes, with great sacrifice also comes great, great joy.

"This is to strengthen you even as I was strengthened by the Father before Calvary. Except for many, many, many of you, the Rapture will remove you from the worst of it.

"So, I am commending you, dear Brides. I am visiting you with My choicest graces and asking you to carry these extraordinary crosses a bit longer. You will never regret what you have given up for Me. Never."

The Secrets of Worship & Does God Suffer? 1 of 2

March 15, 2017

May His Grace be sufficient for us, dear Heartdwellers.

As reports come in about the suffering of a few souls close to us on the channel, my heart was so grieved and wanting in some way to make a difference. I did have a communion service for them, as well as prayer, but I cried myself to sleep.

Later I asked the Lord, how do you bear the pain of it? Only a handful around me that are truly suffering and my heart is breaking for them. Lord, how do You stand it? All around the world, voices crying out in agony? And You created them

from little babies and have been with them on this journey and now they suffer almost unbearably. How do You take this, Lord?

"Were I to let you see it all at once, you would cease to exist in this form. I take it with great pain and suffering for I love each and everyone as Myself, and cannot bear to see sickness and death."

Interesting note about that, the Lord's saying He loves each of us as He loves Himself. And that's what the Scriptures command.

In John, the Lord said, "you shall love your neighbor as yourself." John 13:34 So, here He is asking us to do what He did for us when He gave His life on Calvary. He did not love His own life more than us.

Boy, I'll tell you - the enemy doesn't want this message out! I've had nothing but interruptions, probably 4 now that I've counted. And I've had to re-record. So, this must be a pretty important message!

Jesus continued, "And yet this is the consequence of sin; generations of sin (here He's talking about sickness and disease) and degeneration because of sin. You see, sin carries with it a wave-length that is highly destructive to created matter and souls. And so a world full of sin is continually bringing decay to this Earth, which began as a perfect Eden, where there was no death."

Interesting note here - dark matter is the energy associated with demons, Hell and CERN. It's extremely powerful, we've found that to be true. It's so very powerful for inciting people to just go mad with anger and destructive tendencies. So, He's talking here about wavelength and I guess that's like the dark matter wavelength that CERN has unleashed.

"Adam and Eve had the deed, so to speak," He says. "And when they chose to believe Satan's lies against me, they signed it over to his influence. He knew very well what he was doing when he tempted Eve to sin. He knew from experience and knowledge of Me that rebellion brings sin and sin brings death. He set her up so that she would bring her mate along with her and they would be in his hands."

As the Scripture says, "Then desire when it has conceived gives birth to sin, and sin when it is fully grown brings forth death." James 1:15

"But that is not the point here, Beloved." Jesus continued. "The point is that I love these souls deeply. Very deeply. And to see them suffering as they do brings grief to Me as well."

"And one of the few things My Bride can do to intervene and bring Me comfort is through worship and thanksgiving. When you worship Me, you bring Me great comfort Clare, great comfort."

"Somewhere on this Earth I can hearken to a loving presence returning thanks to Me, and oh how comforting that truly is. It takes My mind off the pain and suffering and brings deep, abiding joy to your God. If only souls knew and could accept the reality of the pleasure they bring Me we would have many more worshippers on this Earth."

"Part of your assignment, besides making music to bring souls to Me, is also to make music to delight Me and bring healing to My heart wounded by the ingratitude and indifference of man. Then, I wish for you to convince them of My need for their company and worship."

"Satan has done so much to downgrade souls they are afraid to approach Me, because they are so steeped in their own ideas of how repulsive they must be to Me."

Yeah....self-hatred is huge.

"How can you dwell in a heart that you are convinced judges you as unworthy, disfigured, unclean and doesn't want you there? You can't. They must be convinced...and YOU, My love, must ALSO be convinced."

That's for sure. I do fall into self-condemnation quite a bit. I'm sure I'm getting help from the enemy, but still... Far too often I'm turned in on myself and judge and find fault with myself.

Jesus continued, "Now in the matter of the three souls suffering so very greatly right now, the souls that you know about. I am with them, Clare. Where I am, there is peace, but there is also struggle - for the demons want to carry them down into despair without any hope of recovery or joy again in their lives. But My angels minister to these and there is a 'holy Novocain' that brings them through. Nevertheless, it is far from pleasant at certain moments, as you experienced with Ezekiel in the hospital."

And I still experience with him, as a victim soul. And today the Lord said to him, "My Grace is sufficient for you." So, that's the answer we get sometimes when the Lord doesn't want to relieve a soul of a suffering, but needs their offering. That His grace is sufficient for us. And truly, it is.

He continued, "The gift you and others have been given is double-faceted. One facet generates love, worship, thanksgiving to My wounded Heart from My Creatures, especially those made in Our image. But even the birds and the whales cry out in worship to Me."

"The other facet generates My solidarity, My compassion, unconditional love, mercy, delight and affection for every creature I've made. In the center of this gem is My Spirit flowing abundantly from the Living Waters of Heaven for these purposes."

"So, yes, in a way worship comes from Me, as does any fruit of the Spirit generated in a soul. I am no respecter of persons. I generate these opportunities to all, but so very few respond properly and give them the time, attention and protection they need to form their souls into a meaningful habit of Godly living."

"But for those who do, they become My priests and ministers bringing the light of truth to this Earth through their relationship with Me."

"And foremost in this holy team," Jesus continued, "are the intercessors, teachers of the New Covenant, the law of love and the musicians who do more than I could explain to you for each soul, for the Earth and it's welfare, and for Me. So, this is a GREAT honor and all these heavenly gifts flow from Heaven through My Vessels unto honor and transform creation."

"So, My Beloved...take the time to sit by My side to sing, write songs, play for Me and with Me. For I delight in My Spirit's expressions of love through you. Do not allow the enemy to convince you otherwise, Clare, for his entire motive is to deprive Me of the consolations of your Love. Please, see this clearly. Protect this gift and refuse guilt for this holy time set aside to Me. Defend this gift. I need this from you."

"My Brides, you are My delight. Spend this time with Me for no other purpose than to relish My presence and bring Me joy. Do not concern yourselves with sour notes or being off key; the key of love is always perfect. Love Me as you have never loved Me before, because this world brings Me endless pain and suffering...so I need so much endless worship to heal these wounds. And as you worship, I overflow with graces to all My children for healing, and I use the vibration of your songs to bring down the walls of oppression and swath My wounded ones in My Love.

"Do not be convinced otherwise, your gifts so very important to Me. They are treasure and cannot be replaced by anyone.

"If only souls knew and could accept the reality of the pleasure they bring Me, we would have many more worshippers on this Earth."

And that's the end of the message.

Red Heifer Vision & Interpretation - A CALL TO ACTION!

March 16, 2017

May we all hearken to the Lord's call to battle, Heartdwellers. This indeed is a new day!

Ezekiel had a powerful vision today right after receiving communion today. He saw, suspended above America, a red Heifer - a young female cow that has never had a calf, that was used for the Temple sacrifice. Priests in Levitical garb came, but Jesus was the one to slaughter the heifer and when He did, the blood ran down from the sky and covered America.

When I came into prayer, I asked the Lord, what is the meaning of the red heifer in this context?

Jesus began, *"It's a symbol for purification by trial. A flushing out of the wickedness that has gripped this nation for far too long. It is more than financial, it is ideological and moral filth that needs to be expunged from America."*

And here's the note that I got from Wikipedia: The ashes from a ceremonially clean and slaughtered (Kosher) red heifer were combined with pure spring water and sprinkled on those who were unclean and had been in contact with a corpse, or someone else who had been in contact with one who had been in contact with a corpse.

The rotten decaying immorality of our nation....

Well, Wikipedia didn't say that, but I see the parallel there... And it's interesting, you know, we have been in contact with a corpse. Our nation has been dead, morally decayed and dead.

Interesting, just the other day the Lord gave me a rhema from Haggai 2:12-19

'If a man carries holy meat in the fold of his garment, and touches bread with this fold, or cooked food, wine, oil, or any other food, will it become holy?'" And the priests answered, "No."

Then Haggai said, "If one who is unclean from a corpse touches any of these, will the latter become unclean?" And the priests answered, "It will become unclean."

Then Haggai said, "'So is this people. And so is this nation before Me,' declares the LORD, 'and so is every work of their hands; and what they offer there is unclean.'

'But now, do consider from this day onward: before one stone was placed on another in the temple of the LORD, from that time when one came to a grain heap of twenty measures, there would be only ten; and when one came to the wine vat to draw fifty measures, there would be only twenty. 'I smote you and every work of your hands with blasting wind, mildew and hail; yet you did not come back to Me,' declares the LORD.

'Do consider from this day onward, from the twenty-fourth day of the ninth month; from the day when the temple of the LORD was founded, consider: 'Is the seed still in the barn? Even including the vine, the fig tree, the pomegranate and the olive tree, it has not borne fruit. Yet from this day on I will bless you.'"

And after this, Jesus continued, "For far too long people have turned a deaf ear to the complaints of those who are grieved by the corruption of this nation. Now is the time to flush the corruption from the soil of this nation so that she may arise in newness of life. This process is always painful; purification is never easy. Decay and death have been the basis for the majority of this nation's politicians. Maintaining the status quo, passing over the real moral issues and straining on gnats. The time for that is over. I, myself, will see to it that evil is flushed from this government and its deceptive arm, the media.

"The time for indignation is past; now is the time for action. The church has thickened on her lees, it is time for her to awaken the world and take an active role in seeing to it that righteousness reigns in this country.

"Your president cannot do this alone. He needs every man and woman on board with his agenda. It is your prayers for the nation, your outcries, your educating those who are ignorant, your active role in fighting this massive front of evil until it comes crashing down."

But Lord, I thought it would only be suppressed, not stopped.

Jesus continued, "When I remove My Church, then evil will have its opportunity. But until then, Clare, you all have work to do: to pray, inform and enter into spiritual warfare to see to it that wickedness in high places is brought down into the dust.

"This is the clarion call. (A loud and clear call to war.) This is to be a time of defeat for the darkness, a time of frustration and failure. And until I remove the Church, this is what it will be if you shoulder your cross and walk with Me, declaring righteousness and morality the standard of life for your country and politicians. Now is the time to make your opinion heard. Even in songs and art, in letters to editors, in public speaking forums, internet forums, and the like.

"Don't run from the fight. Stand up and declare what is right without rancor. Make your voices heard, My people. Declare this previous administration so thick with filth to be ruinous to the moral and ethical

survival of this nation. Choose your words and your weapons carefully. Prepare the way with prayer and fasting, then make your voice known. It is the grass roots that are going to turn this country on its ear. It is the ruling elite that were destroying it. But the people rising up have indeed put a blockade in their way and I wish for this to grow bigger and healthier and more outspoken.

"Not by ugly remarks nor fighting, but by exposing the truth. You are on a mission to prepare all for My coming, a mission that must include taking responsibility for your government, not turning a deaf ear.

"If you want to live under oppression, famine and persecution, go ahead and medicate yourself with shopping and movies.

"If you want to insure your freedom and rights to love Me, protect your children from crime, drugs and indecent lifestyles, this is the time and season to act.

"I have indeed brought forth the heifer to sanctify this nation and deliver it from its uncleanness and culture of death. But without the reordering of your lives to stand up and be counted for what is right, it will not endure. You must correspond with this grace, My people. You indeed must make your voice heard and make your life count for righteousness."

Lord, would You please show us how to do that?

"It is this simple," Jesus continued. "When you see or hear error, bring forth the truth and stand behind it. Do not expect results if you are not praying first. Remember, ministry of any kind is like an iceberg. Ninety percent is beneath the water and unseen - that's prayer. Ten percent is visible - that's ministry. Likewise, your mission begins with serious intercession. Then, when I bring you opportunities, you will be prepared."

Lord, I have not and still do not feel the burden for this nation I should. Forgive me.

Jesus continued, "That is true enough. But to your credit, when you catch wind of something I pass on to you, you do show serious concern. And it's not all about how you feel - it's your commitment to doing the right thing when it's inconvenient. Will you go out of your way for a serious discussion with one of your children who doesn't know her right hand from her left as far as the battles of the powers of evil vs. good in this nation? Will you stand the heat when you are scorned for your perspective? How much are you willing to invest? That will determine your return.

"My people, I am dead serious. Rise up and claim dominion over this land. Rise up or perish with it. This is no time to run after your pleasures and distractions. This has been your behavior of the past and that's what they are counting on. But now you are informed. And you are not of this world."

"Greater is He that dwells in you than he that is in the world." I John 4:4

"Stand up and take dominion. You are not alone; the hosts of Heaven are marching with you. I am with you, in you and working through you. Stand. Stand up and take dominion."

Well, as a closing note, I wanted to mention to you that after Ezekiel had this vision, he kept hearing a song by Julie True called "Benjamin's Peace". And I don't know what that's about exactly, because I couldn't find the lyrics and I didn't understand all the words. But it's a very powerful song, and it seems

to be about warfare, spiritual warfare. And this song has been playing in his head all day long, ever since he had the vision.

So, I feel that's a confirmation. If any of you have the lyrics, please post them for me.

The Secrets of Worship & Does God Suffer 2 of 2

March 18, 2017

I wanted to share a quick insight with you. Many of you new to the channel have asked, "I don't know how to worship, what do you do?" Anytime you think of the goodness of God or your relationship with Him, whether you express it out loud or not, this is worship. But more specifically entering into songs of praise, thankfulness, appreciation for Who He is, is entering into worship.

This is the way I do it. If I see spring buds on the trees and marvel at their beauty and the wonder of the seasons, I tell Him how beautifully He has made His creation, and thank Him for the opportunity to experience it.

And when I come into worship, I put music on and then enter into the song. And here I want to say, not just any song. Music that is very personal and intimate in worshipping Him. Or music that is very inspiring. Or even some of the classical pieces that are very heavenly and inspiring. But it should be music that is set aside strictly for worship, not something you listen to in the background. Not just general worship songs, but things that you can really feel in your heart, really express where you're coming from with the Lord.

I happen to really like Julie True and her more recent albums. She has an intimate, beautiful connection with the Lord. Very authentic, extremely authentic connection. And I find that, she probably doesn't even have one song that I don't worship the Lord to - they're all so beautiful. And the really awesome thing to do is to put it on 'shuffle' and allow the Lord to pick the song, exactly the right song for your thoughts. It will really blow you away! He has done that to Ezekiel and I many times. It's like, we're thinking about something fearful, and all of a sudden He comes along with a song of how He's guarding and protecting us. It's just amazing, really. Putting it on shuffle. Let's give HIM the opportunity to pick the song HE wants us to worship to at that time, and you'll be totally amazed at how targeted it is, for exactly what we're going through at the time.

But save those songs for your time of worship. Don't 'wear them out' listening to them in the background. They're too special. Unless you're doing something, and you want to worship while you're doing it.

Sometimes He is singing it to me and I'm singing it back to Him. Other times, the musician is singing to Him, and I lift my heart and mind up to God in that song and either sing with it or spiritually and mentally enter in, and praise Him.

Music is so very, very powerful, engaging the emotions, thoughts and vibrations created by the wavelength of the music, which do much to the physical body that either stirs those deep emotions or covers us in waves of gratitude and peace.

But the same affect can be had by reading God's words, the Bible. Please, pick a translation that speaks to you clearly, and open it and start reading. You will find counsel in times of confusion, comfort in times of fear, hope in times of darkness. Every conceivable medicine for our souls is in the Scriptures, because they are God-breathed for our edification and growth in the knowledge of God and formation of holiness.

And by the way, some of you may not know about our book, Rhema, which is really a compilation of messages from the Lord to us, organized by subject. So that you can go to Him in prayer with this book and ask Him to speak to your heart, what is important to you to know right now. Open it and start reading, and you'll be absolutely amazed at how right on target the answers are. Because He has the ability to open that book to the page that He wants you to read. Of course, I always bless the book and I ask Holy Spirit to please choose a reading for me.

And that's not something that should be done lightly. He said we were a "kingdom of priests and prophets" and the priests would consult the Lord for the congregation, to find out God's will, whether they should go into battle or not, whether they should move in this direction or that direction. So, you have that gift, as a believer. As a current-day believer in the new dispensation, the New Testament. You have the gift and ability to seek the Lord and receive answers from Him.

So, that's about the book Rhema. You can also use the Bible Promises book, another tool we like to use.

These words at times, especially the illuminated ones, the Rhemas, can send you right into tears with thanksgiving because God is obviously hearing and understanding and right there with you on the same page. And the answer He gave you is solid proof, and sometimes it's just overwhelmingly wonderful to know.

Other times, you may fall into a swoon with the delicate way He expresses His love for us, especially through the examples that have been written of those He healed. We see ourselves in their stead: the woman at the well. The woman with the issue of blood who was unclean, but dared to touch the Lord - and as a result, was healed. So many examples and ways that He was compassionate over the blind and the lepers.

Sometimes you'll open to that and He's talking to YOU. There may be a sickness that you may have, or a blindness that you have, and He's speaking directly to you. His heart for you. His heart of healing for you. And then we give thanks, and enter into a special place of praise, because the God who created Heaven and Earth is so connected to us and so very deeply concerned even as a mother would be. Yet, of course He is Masculine, and our souls are feminine.

But coming back to the message, dear ones, when you make time to praise and adore Him, when you respond to the graces He gives us at times, calling us aside with Him - oh, don't pass those by. Even if you are driving down the road. If He calls to you, find a safe, quiet place to park and give Him all your attention. Linger with Him, He is lonely for you. Put on some music and worship, comfort Him with your love. He is so vulnerable and needy for the love from His creatures.

For those of you that just have to ask, "Where is that in the Bible?" I encourage you to check out the Psalms that David wrote when he was alone in the fields with God, tending his flock. And when he was running from the murderous King Saul. And premier among those words are the Song of Solomon, where through a metaphor, God is speaking to His Bride and praising her beauty. Many of the words are metaphors for her spiritual attributes and love for Him and not to be taken literally as erotic literature, but rather describing the beauty of her soul. Also Hosea, the prophet of Divine Love is a wonderful love story of how God feels about us.

The Scriptures are peppered with metaphors and examples of God's love for His Bride and His longing for her devotion and even coming aside into the wilderness to be alone with Him.

Open your eyes dear ones...He is in love. In love with YOU. Don't disappoint Him. Spend quality time with Him. Remember - He needs your worship and praise and love and adoration to make up for the millions of souls that don't have a clue. Don't love Him and don't worship Him. He is in love! In love with you.

Erik the Flutemaker Ministries Update

March 17, 2017

Well, God bless you, Heartdwellers. I wanted to tell you, too, that Erik Sampson of Erik the Flutemaker Ministries has taken care of several families that he has received funds for families 1, 2 and 3. Latrine holes are dug and three teams are ready to finish projects before the rains of late May. That's beautiful. We're talking about roofs, latrines, furniture, medicine, food...many, many needs have been met.

So, we're doing very well there.

I would like to ask a favor of you. Please, if you're going to donate to them, please donate to them directly, when it's appropriate. I also wanted to let you know that we have made several substantial donations to them. So, they're doing quite well. And I think at this point, it's good to keep them in mind, whenever you have extra or every month, if possible. That indeed will keep the needs being met.

So, I just wanted to give you a head's-up on that, dear ones. If you do want to make a donation, please do make it directly to Erik and mention that you are from Heartdwellers.

And thank you for continuing to support us. We really, really appreciate that. We have two new people on board, because the amount of work and volume of work that we have is getting much more intense. And I need more help. So, we've got two more people that are involved in the ministry now and working full-time. So, we very much appreciate your donations. It helps to take care of them.

And we're planning also on being able to distribute books and CD's in the not too distant future, right out here from our home, for free. Freely we've been given and we've received, so we give freely.

The Lord bless you all. You're greatly loved and appreciated. Your letters to me are wonderful. I read them to Ezekiel and to our staff, and they're very, very touched by your letters. Thank you so much.

And forgive me if I haven't answered. We have truly been overwhelmed with wonderful things over here.

Still Small Voice, Why Some Have Left, Message from Jesus

March 19, 2017

Dear Heartdwellers, may God reward you for your faithfulness on His channel.

Well, my dear family, the Lord brought my attention to the drop in views and comments on our channel and asked me to pray much harder for our listening family because we are all under attack...and also to spend a little more time on the messages. Which I've been feeling anyway, so I've been picking out more Scriptures.

Anyway, Ezekiel and I were feeling pretty badly and blaming ourselves for not being on it more. Though surgeries and sickness, personnel changes and betrayals, have been hitting us hard. These have been strong sacrificial months, draining a great deal out of us. And the Lord is allowing these attacks as an offering for our nation. That makes it a little easier to take!

The Lord had just given me communion readings about His disciples deserting Him after He spoke about His Body and Blood. And I wondered why... What does this have to do with us, Lord?

In the sixth chapter of John, after He had fed the crowd, they had crossed over to the other side of the lake, in anticipation - knowing that that was where He was sailing to.

28 Then they asked him, "What must we do to do the works God requires?"

29 Jesus answered, "The work of God is this: to believe in the one he has sent."

30 So they asked him, "What sign then will you give that we may see it and believe you? What will you do? 31 Our ancestors ate the manna in the wilderness; as it is written: 'He gave them bread from heaven to eat.'"

32 Jesus said to them, "Very truly I tell you, it is not Moses who has given you the bread from heaven, but it is my Father who gives you the true bread from heaven. 33 For the bread of God is the bread that comes down from heaven and gives life to the world."

34 "Sir," they said, "always give us this bread."

35 Then Jesus declared, "I am the bread of life. Whoever comes to me will never go hungry, and whoever believes in me will never be thirsty. 36 But as I told you, you have seen me and still you do not believe. 37 All those the Father gives me will come to me, and whoever comes to me I will never drive

away. 38 For I have come down from heaven not to do my will but to do the will of him who sent me. 39 And this is the will of him who sent me, that I shall lose none of all those he has given me, but raise them up at the last day. 40 For my Father's will is that everyone who looks to the Son and believes in him shall have eternal life, and I will raise them up at the last day."

41 At this the Jews there began to grumble about him because he said, "I am the bread that came down from heaven." 42 They said, "Is this not Jesus, the son of Joseph, whose father and mother we know? How can he now say, 'I came down from heaven'?"

43 "Stop grumbling among yourselves," Jesus answered. 44 "No one can come to me unless the Father who sent me draws them, and I will raise them up at the last day. 45 It is written in the Prophets: 'They will all be taught by God.' Everyone who has heard the Father and learned from him comes to me. 46 No one has seen the Father except the one who is from God; only he has seen the Father. 47 Very truly I tell you, the one who believes has eternal life.

48 I am the bread of life. 49 Your ancestors ate the manna in the wilderness, yet they died. 50 But here is the bread that comes down from heaven, which anyone may eat and not die. 51 I am the living bread that came down from heaven. Whoever eats this bread will live forever. This bread is my flesh, which I will give for the life of the world."

52 Then the Jews began to argue sharply among themselves, "How can this man give us his flesh to eat?"

53 Jesus said to them, "Very truly I tell you, unless you eat the flesh of the Son of Man and drink his blood, you have no life in you. 54 Whoever eats my flesh and drinks my blood has eternal life, and I will raise them up at the last day. 55 For my flesh is real food and my blood is real drink. 56 Whoever eats my flesh and drinks my blood remains in me, and I in them.

57 Just as the living Father sent me and I live because of the Father, so the one who feeds on me will live because of me. 58 This is the bread that came down from heaven. Your ancestors ate manna and died, but whoever feeds on this bread will live forever." 59 He said this while teaching in the synagogue in Capernaum.

60 On hearing it, many of his disciples said, "This is a hard teaching. Who can accept it?"

61 Aware that his disciples were grumbling about this, Jesus said to them, "Does this offend you? 62 Then what if you see the Son of Man ascend to where he was before! 63 The Spirit gives life; the flesh counts for nothing. The words I have spoken to you—they are full of the Spirit and life. 64 Yet there are some of you who do not believe." For Jesus had known from the beginning which of them did not believe and who would betray him. 65 He went on to say, "This is why I told you that no one can come to me unless the Father has enabled them."

66 From this time many of his disciples turned back and no longer followed him.

67 "You do not want to leave too, do you?" Jesus asked the Twelve.

68 Simon Peter answered him, "Lord, to whom shall we go? You have the words of eternal life. 69 We have come to believe and to know that you are the Holy One of God."

The Lord had just given me communion readings about His disciples deserting Him after He spoke about His Body and Blood. And I wondered why? What does this have to do with us, Lord?

He has also been asking me to be content if I am overlooked and judged as being unimportant while others are spoken about and applauded. Actually, I am very happy in that place. It feels secure...and I have nothing to defend, it all belongs to the Lord.

After communion today and a time of worship, Jesus stopped and asked me to begin writing.

We danced for quite a while to worship songs and He held me so tenderly and kissed my left index finger...the one with the aquamarine ring from the Father.

Jesus, You are so very intensely loving to me, looking deep into my eyes with such exquisite tenderness and love...I hardly know what to say, I am so melted. I just want to reciprocate and love You with my life, my actions, bring glory to You, Jesus, through my poor little vessel that's been so quickened by you.

He answered me in a soft voice, *"And you will."* He said, *"It's a long road, Clare...and you're almost there. A bit more...just a bit."*

What do you have for your Bride tonight, Lord?

"Wishful thinking," He said.

Hum...?

"Thinking that every day brings us closer to the wedding day I have for so long anticipated. It is a long time for Me, too, My Love. Waiting is not any easier for Me and besides, I can see more clearly what still awaits this Earth and how many are NOT ready, and My heart pines for them. I send My angels to prepare them, but the business of their lives keeps them preoccupied."

Yes, Lord, I know about that...since Martha is my proverbial middle name.

"Indeed you do," He answered. *"But I see your heart, Clare, and it resembles Mary's more every day as you grow weary with the endless demands of life. That is why I have brought you competent help. So we can get on with what's really important. And it is right and good to share with them that their reward in Heaven is great. As they are contributing to this ministry, so they shall be rewarded. Though it not be understood or accepted right now, in truth, anyone who gives a cup of cool water ..."*

And when He started that, I looked up that Scripture and finished the sentence for Him.

"Whoever receives a prophet because he is a prophet will receive a prophet's reward, and whoever receives a righteous man because he is a righteous man will receive a righteous man's reward. And if anyone gives even a cup of cold water to one of these little ones because he is My disciple, truly I tell you, he will never lose his reward." Matthew 10:40-42.

Jesus continued, *"I wish to elaborate on this Scripture. Understand My people, it is your faithfulness to those around you that will accompany you into Heaven with great reward. It is not those who begin and abandon the right way that will receive the reward. It is the ones who persevere during the dry times,*

during the dull times, during the unwanted times. If they persevere in holiness and faithfulness through all their trials, they will be greatly rewarded.

"It is not what tickles your ear, what you like to hear, what you avoid hearing that makes the difference. It is your faithfulness. Life is full of contradictions. I would wish to make it sweet for you each day, but some days are flat and difficult and a test of faith.

"Right now there are many who should be here on this site to receive this counsel but they are occupied in flashy news, gossip and slander. Many who should be listening in are looking for the latest titillating news about the 'news.' Many who should be seeking Me on a deeper level have grown weary with going deeper and wandered back into the shallow waters.

"The shallow waters have pretty shells. They are warm, there are no threatening sharks. They are close to the comforts of home, the pier, the beach blanket, relaxation. They became weary with the strong currents, predators and cold waters of a choppy sea so they have wandered off to their comforts.

"Who is left? The ones who would die for Me. The ones who know I have the words of everlasting life: 'My sheep know My voice and another they will not follow.' John 10:5 & 27

"You remember yesterday's communion readings?"

Yes, Your disciples deserted You when You said, "You must eat My flesh and drink My Blood or there is no life in you." They didn't understand that You were not talking about cannibalism.

He replied, "Yes. Isn't that funny..."

Well, no, Lord - that's sad.

"And why didn't they understand that?"

Because they didn't recognize and know You, Jesus. And as you said later in the Scriptures, "The Spirit gives life; the flesh counts for nothing. The words I have spoken to you—they are full of the Spirit and life. Yet there are some of you who do not believe." John 6:63-64

He replied, "Exactly. Then, did I not say, "This is why I told you that no one can come to me unless the Father has enabled them." verse 65

Yes, Lord.

"This is also why I gave you the Rhema: "Many say many things, but they are not to be taken seriously." and the other one I gave you: "This is not about personal rejection, this is warfare. Allow Me to strengthen you."

I've gotten that several times recently.

"So, there are two factors involved here." He continued. "One is that I have said some difficult things on this channel lately, things that are challenging comfort zones, personal tastes and preferences. Some

would like to spend all their time in the wedding chamber with no blood, sweat and tears. But My Bride resembles Me; that is how I recognize her. And My life on Earth was anything but a chamber of delights.

"I am forming souls on this channel, Clare. Some can't wait to get to Heaven, so they rivet themselves in front of channels that feed on the Rapture and world events leading up to it. A little of that was necessary, but did I not say you had three years...almost a year ago?"

He did. And nobody believed me. And a lot of people left our channel.

He continued, *"The point is, while some are seeking entertainment, listening to channels that are constantly feeding on the coming catastrophes and approaching Rapture, others have taken Me seriously and have gone to work finding creative ways to bring souls into My Kingdom. Oh, I highly commend them. And they are the ones who stay here. They are the ones that know they are getting direction from Me, life changing direction.*

"They heard My voice when they came here and have been faithfully following My directions. They are the ones, may I say, that can look forward to the Rapture.

"Others who are avoiding using their time and talents for My kingdom, 'cause they think there's not any time left, by the way. Well...it will not go well for them on that day. I am not saying they will not be Raptured, but they wasted time. They wasted life. They lived for their own reward on a future day and refused to invest their talents to help in the harvest.

"You have been through some very rough waters the last few months. I have continued to give you good, solid teachings, though you were weighed down with suffering and betrayal. You could have worked harder, prayed harder and applied yourself a bit more. But in all honesty, you have worked very hard and with great integrity. You have never once put out a message to tickle ears and draw viewers. For this I commend you, because a great many fall to this temptation.

"And on this channel, I have challenged many and said things that were not to their liking, and so they turned away. But I am still here. I am still teaching and I am proud of those who have waded through the things they didn't want to hear, and obeyed. They are growing. They are climbing the summit with Me. They are facing difficult challenges and decisions every day. And they are here because they know My voice and they laid down their lives for Me.

"Issue number two," He continued, "is that your audience has been under attack by demons of distraction, lying, gossip and calumny."

By the way, just to be sure, I looked up calumny: the making of false and defamatory statements in order to damage someone's reputation; a false and slanderous statement. Like what they're doing to President Trump.

He continued, *"And they have been struggling through some of the messages and getting upset when there were times without messages. Some are less matured in their walk with Me and do not recognize the enemy's fingerprints, but buy the lies."*

Lord, it's funny that you mention distractions. I just had a very dear lady write to me and tell me she has not been able to finish listening to my messages, because she gets barraged with distractions the moment she tries to listen to one, and so she hasn't finished several for quite a while.

"Yes, My Love," Jesus continued. "Your precious listeners are being attacked and I need your prayers for them. They cannot fight this on their own. To you, Heartdwellers, I say: this is the work of the enemy trying to steal My direction from you. They hate this channel because this channel is dangerous to their agenda. This channel encourages you to fast and pray, forgive wrongs, to work hard for Me, to avoid the media, and to take responsibility for your government. To love and support the poor, and so many, many other instructions that have been very damaging to the kingdom of darkness.

"To you who have been struggling to stay with this channel, I say: Buckle up, stay seated, don't change course, you are being sifted and breakthrough will come.

"Really, I have much in store for you to enrich your lives. You have persevered and not run around seeking comfort from this prophecy and that. You have embraced what is precious and rejected what is vain.

"I know you are weary, I know you get disappointed, and I know you are faithful to pray and hold onto what is good and right. Your reward is coming, My dear ones. Truly you are among My most faithful believers and you continue to bless Me every day by your faithfulness.

"What did I say to those who didn't turn their backs on Me?"

And I looked it up in John 6. "From this time many of his disciples turned back and no longer followed him."

By the way, the address of that Scripture is John 6, verse 66.

67Then Jesus asked the Twelve. "You do not want to leave too, do you?"

68Simon Peter answered him, "Lord, to whom shall we go? You have the words of eternal life. 69We have come to believe and to know that you are the Holy One of God."

"And to you I say," Jesus continued, "I am here, I am leading you. It's not always pretty, in fact - it is painfully trying. But I also say, have I not continued to be at your right hand, leading and whispering things to you for your guidance and edification? Am I not closer to you now than ever before? Am I not sharing more and more of My life and concerns with you, because I have found you to be faithful and caring, loving Me more than yourselves?"

For whoever would save his life will lose it, but whoever loses his life for my sake will find it. Matthew 16:25

"Yes, I say, Yes! That and so much more. We are intimately bonded together and My words resound in your hearts as truth for your times. My invitation to you to dance with Me, to lay your head upon My heart, to express your deepest feelings freely to Me, has opened a door to intimacy you have never experienced before. Because with great suffering comes great intimacy with Me, closeness, tenderness,

understanding and spiritual growth that will visit you with sublime ecstasy on the day I take you to Myself.

"Yes, that Day is coming. But you did not hide your talents until I returned. No, you put them to use and produced spiritual children and with you I am well pleased. You, indeed, will enter into your Master's joy."

Still Small Voice Channel - Why People Are Coming Back

March 20, 2017

May the Lord bless you all, Heartdwellers, a thousand-fold for your kindness in sharing with me your reasons for being here, and even your reasons for leaving and coming back. We really, really appreciate that.

Wow guys...357...comments!! Well, I know that audience is alive and well in the Lord and catching the 'wind of the Spirit' as Jesus put it.

How can I thank you!? You have no idea what that's done for morale around here. We are truly blessed to have you. And it's very disheartening for me to put out a message and see maybe two pages of replies, when we normally get 6. And I'm really, really blessed this time at your response. You are like Gideon's 500, a force to be reckoned with, because you couldn't be knocked off the channel.

Dear ones, really there is no word adequate enough to express my gratitude for what Holy Spirit is doing in your lives. Even just persevering is a huge thing. I know, one of the rules that I learned about spirituality and authenticity is that, if something prevails and perseveres, there's truth behind it somewhere. Because things that are not true tend to flake off and die. If you can persevere, there's a tremendous amount of virtue in that - especially when we know that we are constantly under siege over here. Constantly!

Some of your testimonies are so striking. We are under attack by the Satanists on YouTube and you will know them by their fruit: bitterness, gossip, lying and their smell. It isn't a fragrance - that's for sure. It's the odor of a carcass several days old.

When you begin to hear anything that grieves the Holy Spirit within you...run, run, run from that. It can do nothing but bring forth rottenness in your hearts and minds. God forgive me for the times I've been tempted to listen to those who oppose what Jesus is doing on this channel. It left a really sad, bad taste in my mouth.

But you have all been pure joy. And you can see through the enemy and now you KNOW, without a shadow of a doubt, you are under attack when you get foggy headed, restless, confused, distracted. This is like a wet blanket the demons put on you. All you have to do is rebuke it. And in all honesty? It hits me several times a day and I don't always follow my good counsel. Sometimes I lay down and take a 20-minute nap and it all goes away.

Other times I call upon the Lord, "Help me, Jesus!" (which is what I should do every time) And He very often removes it. Even doing these messages, I start to fall asleep and have to get up and take a break, then come back. Right now my eye lids are heavy, and my voice seems far away - but I'm fighting through it, because you all mean so much to me, and to us who work on this channel. And I really wanted to give you a response to your kindness.

Heartdwellers, the enemy HATES you with a particular hatred. That's why he's targeted us and you so strongly. You dwell in His Heart. You live to show His love for those around you. You are not easily fooled or led off in a wrong direction with teachings full of error, because you KNOW Him, and LOVE Him. "My sheep know My voice" the Lord said, and you hear His voice. You all have very special discernment to see past our opposition.

So, I want to thank you all for posting a comment, and I'm asking you to please go back a day and check for replies, because I did post many replies from yesterdays' message. Or the day before's message. I put up some replies today and will tomorrow as well. 357 comments - good luck! That's huge. But I want to show you how much I love and appreciate you. And I love your stories of how the enemy tried to throw you off the channel and you came back. Those are so instructive.

So, please check your comments the next day, because I love to answer, but I don't always get the chance to do it that day or night.

Well, this is just a quick update. I worked for about 13 hours yesterday on some music. Thank you, Heartdwellers, for praying for the music. Some of which I will not post yet, because I'm working on a really beautiful song's lyrics and I want to get it just right.

But something very sweet came out of it - it's an instrumental, and I'll be getting it up shortly tonight. So stay tuned. I do believe this will help us in our soaking prayer, help us to visualize our Heavenly Bride Groom and the garden He has created for each of us to dwell in alone with Him...all alone, 1 on 1, a heavenly time with Him in a garden He planted just for you.

I love you all. And even those who hate me - for you I say, someday maybe we can be best of friends. Jesus will change your life like you never dreamed possible. I don't care what you've done or how you've been hurt and damaged. He's the Healer and He can fix anything. And he wants to, because He loves you and the Blood of the Cross proves it. He gave His very life for you who are involved in this darkness. He died to save you and everything bad you've ever heard about Him is a lie from Satan.

And any promises you've been given about a future kingdom is also a lie. Satan has nothing but evil planned for you. Just like he's caused you to do harm to others - boy, when he gets ahold of you after you pass? He is going to kill you, over and over again and torture you. So please - don't believe him! Look into your heart and see how he makes you feel. Hatred. Bitterness. Anger. Retaliation. Awful things.

God bless you all with conversion and keener discernment, dear Satanists.

And for my regulars, you delight my soul. Thank you so much for taking the time to comment and encourage us.

I Am Carrying You Over the Threshold of Your Dreams & Rivalry

March 21, 2017

May you catch the wind of His Spirit and move into your dreams with new anointing.

Dear Heartdwellers, the Lord is carrying His Bride over the threshold into new places, places that have been dormant in our hearts, are now coming alive and being empowered. Moving beyond some of the clouds and the darkness of difficulties, moving into our destinies in a new and fresh way.

Jesus began, *"Things are heating up in the world. There are pockets of breakthroughs all over the world. Places and peoples that have caught the wind of My Spirit blowing on them and carrying them into new territory, new anointings. Heartdwellers are a part of that and I wish for My Brides to recognize when they feel their heart's desire overtaking them, that is a good thing. That is a beginning. Do not suppress that or write it off. I am encouraging you, remember, I have placed those very desires in your hearts.*

"Like for you, Clare, the flute. I did at first spark that in your heart and with Godly prudence you sought the discernment of your husband. And so I have ratified that to you; you have only to pursue it. Practice and worship to songs with it, you will find you learn it very quickly for I am with you. Remember always to seek My help and that of the Holy Angels."

Yeah, it's been interesting. I've been picking up the flute and playing it during worship time. It's been very, very productive and very sweet.

The Lord continued, *"Remember always to seek My help and that of the angels."*

And just to clarify that on the angels. He has assigned a choir of angels to me, to help me compose and arrange music. And sometimes I'm aware of them in the room and sometimes I'm not. It's a matter of being more sensitive. But I do pray and ask Holy Spirit, 'Would You please ask my angels to help me?' And things go more smoothly when I do. Just wanted to qualify that for you.

Jesus continued, *"Others have begun writing projects, others have visited forums and spread My fragrance abroad. Others still are visiting the poor and volunteering at soup kitchens and loving on the very, very poor and destitute. Others are growing in the gifts of intercession and learning the skills of visiting the sick in the spirit. You, too, are doing this although I do not always allow you to remember.*

"What I am trying to point out is that there truly are pockets of breakthrough. My People are finding joy in serving Me.

"Dear ones, results are not the focus; the focus is in the doing for love of Me. Whether you touch 2 or 2,000 is not the point. What is important is that you are flowing with My Spirit and as you are faithful in the little things, I will come along and increase your anointing, as well as your visible results.

"I am training you. Some with baby steps, some with bigger steps. Different manifestations of My Spirit, but the same Spirit through all.

"Even as it is written: There are different ways of working, but the same God works all things in all men. Now to each one the manifestation of the Spirit is given for the common good. To one there is given through the Spirit the message of wisdom, to another the message of knowledge by the same Spirit, to another faith by the same Spirit, to another gifts of healing by that one Spirit, to another the working of miracles, to another prophecy, to another distinguishing between spirits, to another speaking in various tongues, and to still another the interpretation of tongues."

All these are the work of one and the same Spirit, who apportions them to each one as He determines. The body is a unit, though it is comprised of many parts. And although its parts are many, they all form one body. So it is with Christ. For in one Spirit we were all baptized into one body, whether Jews or Greeks, slave or free, and we were all given one Spirit to drink. For the body does not consist of one part, but of many. That's Paul speaking to the Corinthians, in I Corinthians 12:6-14

Jesus continued, "I wish for you all to cooperate with one another. Do not fall into the invitation from the enemy to think your gifts are greater than your neighbors. Even if You are starting with a pure heart, I promise you, you are a target and the enemy wants to sully your heart with envy and jealousy. Clare has done battle with those spirits as well."

I have Lord, and it seems like they think they can have me. But I belong to You Jesus and I will not give my attentions to these filthy demons. May their jealousy turn back on them and cause division.

The Lord continued, "You have done well, My Bride. But just as Satan waited for a more opportune time to test Me, so does he have his eye on you. The secret, as you have discovered, is to keep your eyes on Me and the sublime love we share.

"All of you, My Brides, when you feel threatened in this area, come running into My arms so I can calm your hearts and explain things more fully to you.

"You are each My irreplaceable diamonds, pearls, emeralds, rubies and rare gems. Each of you is SO unique, there are no comparisons one to another. I want you to focus in your gifts, the ones I have given you to cultivate. I want you to focus on My eyes of love so deeply penetrating your souls. There is none other like you in all of My creation and what we have together is not duplicated anywhere or with anyone else. I am totally yours and that part of you that is from the Father and returned to Him is received perfectly in Me - the glass slipper of Cinderella; only your precious feet fit into it.

"He created you all different and when you come back to us, you fulfill that place you were taken from. And I respond as your spouse, needing all that you were created to be, in Divine Union. I and the Father are again complete, our life has come back to us of her own free will and is received uniquely - never to be taken from you again.

"It is indeed a mystery of the most profound beauty and magnitude. All I ask of you is to believe and receive that union of souls, made complete in communion and keep your eyes on Me and not on your neighbor - who is satisfying a whole other spectrum of beauty and completeness with their singular created being as they enter into union with the Father and I, completed of their own free will. And we are joyous.

"So, you see, there is no need to envy your neighbor. When you focus on anyone else you miss the beauty of who and what I created you to be. The singular beauty is soiled and frustrated by attitudes of competition and jealousy. The greatest in My Kingdom is the meekest soul who never provokes jealousy, but rather is so humble you have no idea of the gifts hidden inside that vessel."

Lord, I feel provoked when I share something with a spiritual friend and they reply back in a way that insinuates, "Well, I have that gift, too!", or "I already knew that." It makes me feel so stupid and not unique - but common and lacking.

Jesus answered me, *"The sooner you get over that, the better."*

"But I will say to My Brides, acknowledge the special virtues, gifts and insights I give uniquely to each of you. Do not fall into rivalries and belittle one another. Recognize their beauty in gifts and insights. Learn from them, but do not push them down by declaring yourself over them. This stems from deep insecurity and a need to be better than others. I abhor that."

"Humble yourselves, Children, humble yourselves. Declare the gifts unique to one another, praise Me for them. They came from Me. I am the sole author of virtue; all praise is to be directed to Me. But do acknowledge and learn from one another without rivalry or an air of spiritual superiority."

"The truly humble person on the outside seems so bland and without extraordinary virtue. Yes, they are a fountain sealed and only I know what is within. I have called Clare to share what we do together along with her numerous short-comings and faults, so that you may understand. If I can continue to work with her, you are a piece of cake. And I mean that with all sincerity."

Yes, Lord. Honestly, I am at a loss as to why you continue to clean the mud of this world off of Me. Like today, when I was repenting for giving in to SO many distractions. Terribly neglecting you, so frustrated, so full of the hurried 'Martha, Martha' mentality and activity, grabbing everything in sight to finish off. I was so ashamed today, Jesus.

And you gave me the Rhema, "Exclude all activities and things that are not within the circle of focus. Mortify curiosity and the unending desire for what pleases the eye."

Boy, is that right. It's that perfectionistic thing. It's never enough, it's never perfect enough. There's always something else to do. You can always make it better. And what a waste of time that is! It's terrible, really.

You see, I noticed brown edges around my rubber plant's leaves and I just had to trim them off. Well, it's a seven-foot plant and could take a long time. I was convicted that I was wasting time, so I stopped without finishing. I knew you needed me here, Lord. I was disgusted with myself for that and a proverbial million other distractions I gave into earlier in the day.

Jesus continued, *"I know. And what did you say to Me?"*

I asked You - thinking about my insufficiency and that I'm constantly having problems staying focused... I said, "Is this the best You could do?"

The Lord replied, *"In other words - 'You couldn't find someone better for this job?'"*

Yeah - that's exactly what I mean.

"And what was My answer?"

You replied, *"I'm afraid so."*

Jesus continued, *"I really have My hands full of challenge with her. She is a hardened, stubborn case, so easily distracted. And the demons enjoy watching her for entertainment and a good laugh. There is just something about you, Darling, that you can't sit still without a semi-load of graces to hold you down..."*

I know, Lord. It is a shameful thing.

"But you see, I can and am using you in spite of that. In fact, I love a challenge.

"So, My Brides there is not one of you out there who has more faults than she does. Calm yourselves. If there is hope for her, your hope is secure in Me. Do not downgrade yourselves because of your faults, offer them to Me so I can change you. That's all that is required, with trust of course. Knowing that nothing is Impossible to Me. I have brought and unmasked Clare to convince you of that.

"So, there is no need to be jealous. Not of her, not of anyone, because I love you with a love that cannot be duplicated by any other soul. We are in this together. I am committed to you. I know what will bring you the greatest joy and I am taking you there.

"As My Bride, I am carrying you over the threshold of impossibilities. YES, I scoop you up into My arms and carry you right over the threshold into new life in Me. How exciting is that?! All that is required on your part is to believe."

And a Scripture came to mind after He said that:

After the miracle of the loaves and fishes the crowd followed Him to the other side of the lake. Then they inquired, "What must we do to perform the works of God?" Jesus replied, "This is the work of God: to believe in the One He has sent." John 6:27-29

Jesus continued, *"Dear ones, you need encouragement, because the accuser of the brethren is 24-7 finding fault with you and whispering that in your ear."*

"For the accuser of our brothers has been thrown down, he who accuses them day and night before our God." Revelation 12:10

Jesus continued, *"You think it is your own mind, when in reality it is the devils feeding you discouragement, so you will not believe in My ability to use you. This is their favorite way to bring you to a halt and to sabotage the mission I have conceived in you before it ever gets off the ground. They convince you that you are too flawed to be used by God. That is why I have made such a point of explaining this, and exposing Clare's faults and sins.*

"When you realize who she really is, on her own, without Me - you will truly understand, 'Wow, I'm not that bad!' Of course, don't fall into pride or judgement, but if you see who she really is, you will never be jealous of her.

"There is another aspect of envy and jealousy I would like you to understand. That is simply that I set good examples before you. I want you to climb upwards, to soar with Me, and when you see others soaring you will desire to be there, too. It is an excellent example for you.

"But at the same time the enemy will be saying, 'You're a loser. You'll never be able to do that.' And if you listen to him you will become discouraged and even jealous that you aren't as good as another.

"WATCH OUT! for that ploy. It will be used on you over and over again. I know I have told you this before, many times – many, many times. But it bears repeating, because you are still falling for it.

"My Darling Brides, go with the inspiration you are feeling in your hearts now and know that I have empowered and anointed you. We will do this together. Do not look back or consider your past, for truly, I am doing a new thing in your lives.

"Receive Me in communion every day. Not only will you be strengthened, but it is the tangible, physical manifestation of our union. I have made it so.

"I bless you now, to continue to catch the wind of My Spirit and fly with Me to your very unique destiny."

Obedience Defeats Distractions & Chaos

March 24, 3017

May the Lord open our eyes to the tactics of the enemy, that we can withstand him, dear Heartdwellers. So much depends on this!

I have been having just monumental problems with demons of distraction. Well, I didn't really see it as demons, I just saw all these things would barrage me that needed to be done. It get called here and get called there. It would hit me that something needs to be done, and that has to be done and this has to be done. It just has been never-ending for two weeks!

And I know that this is the enemy now. I just didn't quite know how to handle it.

The Lord had asked me not to do something and I did it, anyway. It was a very little thing - but that's not the point. I reasoned in my own pride that it was okay to do. And I'm talking about something very tiny and small. But the point is, I could feel that I've grieved Him and that was the wrong direction to go in. And so now I'm trying to recover myself and get back on track.

And not allow these things to take me off track anymore. Because we're in a war right now! And we're definitely under fire. The Lord has released tremendous graces to a lot of people all over the world, and the devil has come in to steal, kill and destroy those graces. And the missions and the destinies that we have - that's exactly what he's all about. And along with the graces the Lord has given, the demons have come to steal them.

So, I came into prayer really contrite, asking Him to help me. And this is how He began:

Jesus said, "You are being buffeted by demons of distraction and this is a move that is occurring all over the Earth. It is a campaign to sidetrack My People from following their destinies and the anointings I have distributed around the world."

So Lord, how do we handle this?

"First of all, cleave to obedience. Compromise opens the door for them. Second of all, pray against them, confess your weakness to Me, ask to be forgiven and empowered to resist this evil force. Spirits of Chaos and Distraction - renounce them and make a firm resolution not to give into them. Send them packing and ask Me to protect you.

"Clare, your greatest protection is obedience. There is no power to move forward like obedience. I know what is needed when, how much is needed, and how to motivate you. But if you do not obey My counsels to you in your heart, you end up being taken over by Chaos and Distraction. These are evil forces used even against Adam and Eve in the Garden. But you do not have to be victims; you are overcomers. And I lay the path you are to take before you. You have only to obey and keep on obeying.

"Because if the enemy cannot cause you in the beginning to disobey, he waits for another time when you are not paying attention and then leads you astray. So often it is the harmless little things that cause you to compromise in obedience. 'Oh, I'll just take care of that quickly and be right back, Lord.' No, that's not how it works. When you give in to that voice to leave the place you are in out of obedience, you open the door and the enemy lines up more and more distractions to keep you from coming back.

"Don't you see this, My Love?"

I do now, Lord. I do now.

"Well, this is not an easy lesson and you tend to forget. And of course, you are getting assistance in forgetting from the enemy and so far, he has succeeded with you every day for the past two weeks. Now is the time to put your foot down. Things you should have done are passing their time to do and now you are behind in what I had planned for you.

"Dear ones, I cannot use a disobedient soul effectively. Obedience is the very hinge on which other things depend. Those who understand this and are brutally faithful, taking their will by force and making it behave, are the ones who reach the high calling.

"Those who compromise and put off obedience are the ones I must set aside for the mission I intended them to have. Please, do not be one of these any longer. Do what is right WHEN it is right and do not delay.

"Someone once said, 'Delayed obedience is not obedience at all.' And oh, how true that is.

"Now I do not want you mourning over this, but grabbing hold of the rope of the grace of obedience and NEVER letting it go. Obedience is your protection and guarantee of graces continually flowing and feeding those around you. Once you abandon obedience, you have abandoned all the benefits I could have given you had you stuck with it.

"This is a massive problem in your society, because so many distractions present themselves and are laid at your feet as traps to ensnare you and frustrate My will for you. Pride is also behind this. Giving in to your own wisdom instead of cleaving to My instruction. Satan brings many down this way. Please do not be another one of his victims; rather, do violence to your will and follow steadfastly in My footsteps. This is how you will reach the high calling I have for you.

"The most direct path to pleasing Me is obedience, which opens the windows of Heaven, which pour forth graces on you and all those around you. Conquer your flesh with the power of obedience. When you are lacking, cry out to Me, 'Lord! Deliver me from evil.' That is, the evil of disobedience.

"The battle is raging, Clare - raging and raging."

And after He said this, Ezekiel has been in a lot of pain for days in intercession, and we know exactly what it is all about - and it is intercession. And He just happened to get a beep on his phone. And he went to look and see what it was, and it talked about the problems we're having with Obamacare, repealing it. And how the government is so divided. And Ezekiel asked the Lord, "Is this what I'm suffering for, Lord?" And he opened to Bible Promises to Holy Spirit. So, there is a battle raging right now in our government as well, and it's very serious. It's so serious that some people are getting glimpses of the Rapture and little Tweets about the Rapture.

And I asked the Lord about it. And He said, *"The battle is raging, Clare. Raging, raging..."*

Lord, please explain this to me. Are these tweets about the Rapture relevant right now?

"What did I tell you earlier, My Love? If enough people didn't pray, the wicked would get their way. I need more prayers, more sacrifices. People like the three in your group that are fighting for their lives are carrying tremendous burdens for this country. And there are more all around the world that do not know what their lives are being sacrificed for in their minds. Their spirits know, but not their intellects.

"Yes, I need more prayer. Yes, it is not looking good. Still, I do not want anyone putting down their endeavors for Me and sitting on their rooftops waiting. One thing I am doing with this channel is waking people up to their gifts to be used in My service. If you talk too much about doom and gloom, a certain hopelessness will set in, and I don't want that. Keep marching soldiers, keep marching. Let your obedience in following what is in your heart be a love offering to Me for the world.

"Distractions are the number one way your missions will be frustrated, Heartdwellers. Do not let this happen. Press in, be resolute, ignore the invitations to go another way. The devils are trying to set you up to give into despair, frustration and another mission under the guise of being a better choice. Ignore these invitations to digress; hang onto your missions with all your might.

"You cannot go wrong by obeying Me. The last two areas I am focusing on with you now are building with one hand and fighting with the sword in the other. This is a time like Nehemiah's. The enemy is at the door, in many cases even in your own household. But the enemies that will steal your destinies if you will allow it, can be overcome with simple obedience and refusing to think on your own, rather relying on Me 100% and deferring to My wisdom no matter what it looks like.

"So, it is time to raise another standard of prayer, My dear ones. Fight. Fight in the spirit for this country. Make your prayers heard on High. At the same time, work your missions. Move forward with what I've

given you to do. Do not drop it. Do not stop building. Do not stop obeying or expanding. Continue to carry on with what I have given you to do. And wield the sword in the spirit against the enemies of this nation. And pray for this nation. In this way, your individual destinies and the destiny of this nation will succeed. Pray. I will crown you with success."

America is in Trouble - NYC IN DANGER - Prophetic Word from Jesus

March 25, 2017

Lord, give us the presence of mind to wake up to what is happening and help us to put aside our personal agendas to carry this cross of intercession.

Dear Heartdwellers, my heart is heavy. We are in serious trouble.

This message is somewhat of a contradiction, but taken with prudence - it makes total sense. So, I am asking us all to consider both of the Lord's requests and balance them with action.

Last night, rather than working on my song, I felt the prompting of Holy Spirit to intercede for America. We are in trouble. Very simply: not enough intercession has gone forth to stop the evil ones and they are gaining on us. We still have a narrow window of grace to storm Heaven and change things. From all the reports I am getting back and what the Lord has quickened to me, the beginning of April could be a very serious time for NYC and America.

And last night, when I sought the Lord on this heaviness in my heart, I opened the Scriptures to Ezekiel 24:9-22 "Woe to the city of bloodshed! I, too, will pile the wood high. So heap on the wood and kindle the fire. Cook the meat well, mixing in the spices; and let the bones be charred. Then set the empty pot on the coals till it becomes hot and its copper glows, so that its impurities may be melted and its deposit burned away. It has frustrated all efforts; its heavy deposit has not been removed, not even by fire."

Here He's talking about the rotten influence in the government that is opposing everything Trump tries to do.

"Now your impurity is lewdness. Because I tried to cleanse you but you would not be cleansed from your impurity, you will not be clean again until my wrath against you has subsided." "I the Lord have spoken. The time has come for me to act. I will not hold back; I will not have pity, nor will I relent. You will be judged according to your conduct and your actions, declares the Sovereign Lord."

I said to them, "The word of the Lord came to me: Say to the people of Israel, 'This is what the Sovereign Lord says: I am about to desecrate my sanctuary—the stronghold in which you take pride, the delight of your eyes, the object of your affection. The sons and daughters you left behind will fall by the sword."

The antiChrist element is not giving up, guys. They had this country slated for desolation and they are opposing Trump with all they have. And unless we can move on the heart of God with our outcries, we will forfeit the two years of peace left to us since last year.

Jesus began, *"There is hope. But it is dimming. I know you cannot work without hope..."*

'Cause I was thinking at that time, Gee, Lord - how can I even write and record music when things look this bad?

Lord, please speak to me...what is happening? I feel this strange unrest.

"Clare, I told you that unless people are willing to fast and pray you will not live out the full three years of peace and prospering of the Kingdom. We are at a crossroads right now. It could go either way. Yes, the enemy has had a victory, but the end is yet to be determined."

Here He's talking about the defeat that Trump suffered over Obamacare. I really don't understand how people can possibly support that. Most people can't afford that insurance, it's unbelievable to me. And that's not even beginning to scratch the surface of what New World Order tyranny laws have been stuck in there. That's not even scratching the surface of what's been hidden in that Obamacare.

The Lord continued, *"I am calling all Heartdwellers to pray and fast as you can, to turn the tide at this crossroads so we will gain upward momentum and crush the powers of darkness."*

For all of you who want to know how to fast? Fast as the Lord leads you. The first thing you can do is cut out pleasant foods and desserts, and go on a very bland, simple diet. A restricted diet, like a vegetable fast. Or a grain fast. And for others who are led to go on a juice fast or a water fast, that's between you and the Lord. Seek Him on how He wants you to fast. I, for one, because of my Fibro and low blood sugar, can't do as much as I used to do when I was younger. But I can certainly cut out treats, which I shouldn't be eating, anyway, guys! It should be a continuous self-denial there, and it's not. But I'm definitely going to do that now.

So, He's calling all Heartdwellers to pray and fast as you can. To turn the tide at this crossroads, so we will gain upward momentum and crush the powers of darkness.

"It is extreme, extreme rebellion and wickedness that is manifesting in this resistance. I need more prayers from you, My people. This situation is dire and I need your enhanced intercession."

"There is no way for me to communicate how bad the situation is. You do not understand what it is like to live in Hitler's Germany or with ISIS in command of a city. Your president robbed the antiChrist of his prey and there is a life and death struggle to bring him down. If that is not successful, at least cause so much opposition and turmoil that nothing can get done."

"So far, the enemy is succeeding on several fronts, but there is still hope. When I told you that much of your president's difficulty in office would be in the first few months, truly I was counting on more prayer and fasting. But as it is with human nature, people forget and life goes on. Yet life is not going on. Death is going on and the struggle is fierce."

"I have laid some very heavy crosses on those who were willing. Some, I have even taken home to be with Me, because their sacrifice was complete. Others are approaching their own personal crucifixion and I know how each is suffering. It is very difficult to go on with creative plans when you are under such oppression, but really - you must keep going. Don't stop, don't lay down your cross. Remember, we are ascending the mountain and you are bound to be out of breath at times. You are bound to need to rest at

times. But then get back up. There is too much to do for you to take your ease. Build with one hand, fight with the other against the kingdom of darkness.

"I know, My Brides, the anticipation you have suffered through the past months over My coming. I know also that you have offered Me your very will and life, as a sacrifice to move the mountains of pride in this nation that has led to it being in the clutches of the one world government.

"So much has been put in place in key positions that the battle is heavily weighted against good. However, with prayer and fasting, I can do things that no one counted on. No one expected to happen, especially not the evil ones who think the game is over and they've won.

"The game is NOT over and they have NOT won. It is looking bad, but I am rallying My army of intercessors to pray as never before for Mercy and that good will conquer evil, at least for the time being.

"The Divine Mercy Chaplet is very powerful. Communion is very powerful. Your tears are powerful. Any sacrifice you make has merit that will be applied to this cause. We are not done yet, but we are in straights that require intense application to prayer.

"My People, there is yet a chance that all I have told you can still occur. Apply yourselves to prayer and offer EVERYTHING to Me as a fast offering that these next two years may be lived in peace. Every day you live is another day closer to the Rapture, every day. However, I am not ready to take you. I still have work for you to do, much work. You have all been given missions and if you have not yet connected with yours, go where your heart leads you and you will arrive there.

"You have all been given work to do. I am counting on you to continue working while you still have the light. And the freedom. It grieves Me deeply that some have rejected My invitations to go higher with Me and use their gifts - and springboard from their hearts into the ministries I have for them. It grieves Me deeply that some have not taken My invitation to heart, but have insisted on living for themselves. This will have serious consequences in their lives, the lives of their families, and those they were meant to minister to.

"So, I adjure you My Brides, work hard, encourage others in their gifts to work hard. I am the harvest master and I will see My fields gleaming with golden wheat ripe for the harvest. And remember, whatever happens, I have told you and promised you that each shall receive a reward according to their faithfulness. Nothing and no one can steal that from you. Do not rivet your attention on the results, but on Me and the ways in which I am leading you. Your reward is guaranteed and safe with Me.

"Behold I come quickly, prepare the way of the Lord, prepare My way! This is your commission.

"How dearly I love you. How wonderful what I have planned for you. How wonderful is your faithfulness against all odds and opposition. You are gleaming with new life and new light and the enemy is beyond intimidated by you. He is counting on your failures; I am counting on your faithfulness. And I will have a victorious Bride. She will not return to Me without bringing forth that for which I sent her, the way of the Lord prepared. Even as the first apostles ran the race, so shall she also run her race to the finish line.

"I am empowering you now, dear ones, to follow these instructions and to apply yourself to these instructions to prayer and to work."

And I just want to exhort you who live in NYC and the surrounding areas, if you have not fasted and prayed, understand your whole life is at risk here. All you own, your family, pets and friends, all are in danger of being struck with calamity.

While the Lord did not pinpoint NYC, I have it from several reliable sources that that will be the first violent strike taken to throw the country into lawlessness and chaos, for those who survive. So please, warn everyone you know who lives in NYC to begin a fast and prayer as if their life depended on it, because it does. Pray for the safety of President Trump and his family members, many who live in NYC.

Remember, Jesus said, *"There is hope but it is dimming."* Let's pray with all our hearts for a turn around of this nation. Especially, pray the Divine Mercy chaplet and offer your communions for a turn-around in the nation.

And for those of you who are new on the Channel, the Divine Mercy chaplet is... I recorded it and other people have recorded it. My version is a long, contemplative version. The other versions are very nice, too. Just find something that really works for you and pray it with all your heart. The Lord does respond to our cries for Mercy. Let's show Him that we really mean business with these prayers and fast offerings.

For those of you who are sick, please, offer your pain and suffering, the inconvenience, the frustration, the humiliation - everything. Offer that to the Lord for a turnaround in this nation while there's still time.

God bless you, Heartdwellers. And thank you to the ones who have been helping and supporting our mission, we so appreciate it. We have three salaried employees now. Everything you donate is either used for that or for the families around here who are in danger of having electricity shut off or they don't have food. So, we really appreciate your donations.

The Lord bless you for that and enrich your spiritual life. We carry every one of you in our hearts. And we live our lives to serve the Lord and to serve you through the graces He imparts to us. Pray for us. God bless you.

America Hanging in the Balance, Satan's Offerings vs. Our Prayers

March 28, 2017

Dear Heartdwellers, it is my prayer that we correspond to the grace the Lord is imparting to us in this message. Lord help us to respond in obedience. And to understand the gravity of this situation.

Well, this is an update on the state of affairs in our nation, spiritually. I have carried America in my heart today, crying out at different times for the mercy we so desperately need, especially as I

prayed the Divine Mercy Chaplet.

Jesus began, *"I have seen your tears and heard your cries for mercy, yet the outcome is undetermined. However, if all My people will apply their hearts to this kind of prayer I will be able to turn the tide."*

And just to be clear on this point, I didn't spend hours and hours in prayer. I spent probably an hour and a half with the communion service and then praying the Divine Mercy chaplet, altogether. But they were strong, heart-felt prayers and they were anointed. And the Lord gave me the gift of tears of praying for our nation. So, this is not a huge dedication of time that He's talking about here. This is doable.

Jesus continued, *"But My Love, not everyone is listening and caring enough to join in. They have no idea of what horrors await them if these disasters are not averted by prayer. So I want you to continue to call all to repentance and fasting. Repent for the times you didn't go to prayer; deny yourselves for the times you didn't pay heed. Apply your hearts to the prayers and perhaps this evil event planned can be circumvented. If enough hearken to My plea, there will be mercy."*

"My people, this is the time to rend your hearts on behalf of America. The very evil underground government also has underground armies, mighty and fearless, bold and without a conscience, shoulder to shoulder, none breaking ranks. Woe to those they fall upon."

And as an aside on that, I've been having an understanding - I keep seeing black military uniforms. And I've been having an understanding that the U.S. Military is not the only army on American soil. I keep having flashbacks to the NWO military in the Left Behind movie. Black uniforms. U.N. Ruthless, with full authority. Authority even over all of our forces in America.

And this evening we gathered together for prayer and one of our number was shown the scales of justice in Heaven and the angels were placing our prayers and sacrifices on the right side of the scale, which was just a little lower than the left side. The other side were also things weighing it down and she asked, "What are those?" And the answer that was given was that it was curses, spells, wicked deeds, offerings to Satan, by his worshipers.

As she looked at the scales, the left side was just a tad above the right side, but barely. The Lord said to her, *"Pray, My children, pray. Sacrifice and give as much as you can, for we need to keep the balance tilted to the right."* And it was understood that the servants of Satan were praying and sacrificing almost as much as the servants of Our Lord Jesus.

People, that shouldn't be! We need to tip those scales off the charts to get the promised two years before the Lord's next review. The Satanists fast and pray curses on others to please Satan. We need to fast and pray blessings, healing and deliverance to counteract their wickedness.

There is still hope, but our dedication to prayer must outweigh the Satanic covens who cast spells and curses to bring chaos on the world, division among Christians and moral decline. The future is in our praying hands. Antichrist is here, but he can do nothing until the Church is removed. That's because our prayers are POWERFUL and he is still being bound until the appointed time.

The appointed time is in our praying hands.

I am not able to do a lot in fasting, but I can keep a reign on my heart and mouth, and not allow my judgmental thoughts. I can give up desserts and other small things.

But I do carry the United States in my heart and frequently cry out to the Lord, "Mercy over our country, Lord, mercy!" That heart cry is heard all the way to the Throne. I pray other prayers as well, but that simple cry does add weight to our side of the scales of justice. It comes from my heart.

And those of you who are praying from your heart, that is a powerful prayer. Carry America and the world in your hearts, Heartdwellers. Carry her and cry out over her as well as praying in the spirit and with understanding.

The Lord continued, *"Your country is precariously teetering because of the wickedness of certain key members of your government. However, I am still with Donald and as long as you pray, change will come. Not as much as I would like to see right now, but still - it is some progress. Oh, how I need more, more, more from all of you.*

"My people, the more you pray and offer sacrifices, the more joy you will experience as you see your government turned from evil to good. The more secure your life and ministries will be. The more productive and fruitful your lives, your children's lives and the lives of those around you. But I am calling you to really deny yourselves, pick up your cross and follow Me into the battleground of prayer. This is a time for 'all hands' to be on deck! In other words, each one of you are critically needed to turn this monster.

"None among you are too little, too small or insignificant that your prayers don't matter. Every child's prayers, every senior's prayers, every disabled person's prayers are needed. You who suffer with sicknesses that I have not yet healed, have great weapons in your hands as you offer your daily inconveniences, embarrassment and pain. That is a very great influence.

"I am calling upon every Sunday school teacher, pastor, counselor, nurse and those in positions of influence to put the word out. Pray for peace to come to America. Pray for an end to the political posturing and using Americans for personal agendas. Pray the eyes of all will be opened to how destructive this bickering is. Pray your president will be respected so he can move forward with the reforms I have given him. Pray the evil persons in government will be exposed and brought to justice.

"Pray for the disarming of the lying press that is continually shaping people's minds. Pray for those minds to start operating on their own, not under the spell of the media. For that is TRULY what has happened. "The media is under a spell by the forces of darkness to deliberately mislead and sabotage your nation. Pray that this spell be broken and people wake up and start thinking for themselves.

"Pray all these things with passion from your hearts and you WILL see change. Break the curses off your government controlled by Satan. Thousands of innocent children have been victimized, brutally raped and tortured as offerings to Satan to bring this nation down.

"Offer blessings, prayers, vigils, kind deeds, works of Mercy and especially informing the ignorant to offset this plague of evil that determines the destiny for you and your children. This is what is needed now. I am calling all of you, from the oldest to the youngest, to storm Heaven on behalf of your nation.

"Then, I promise you, you will see change. This is the time to rally. All hands on deck! Then you will see change."

Conflicting Prophecies: Which One is True?

March 28, 2017

May the Lord bless us all with the gift of clarity in discernment and wisdom to know your voice for us. Amen.

Well, Heartdwellers, I received an email that caught my attention. And you know I try to avoid looking at anything on the internet, because that's what I've been told not to do. And I was not obedient to the Lord, I allowed my curiosity to get the better of me.

So, I checked it out. It was an internet person claiming to be a prophet and their message was greatly conflicting with the ones He has been giving me. So, I began to question my source...am I really hearing from God or not?

You know, it's always a nice confirmation, especially when what you're being given in prayer is different from what other people are being given. I went through this around the time of the Rapture, when I lost a bunch of people, because the Rapture would be delayed if our prayers and offerings were sufficient to hold back the wrath.

So, I came kind of tucking my tail and I said, "Lord, I don't understand. A voice claiming to be a prophet speaks about rioting, etc. And this American Spring demonstration planned on a Satanic Sabbath, May 1 this year, seems to be a likely source of trouble and instability in our nation. Was that word from You or the enemy?"

Jesus answered, *"Many say many things. Not all are to be believed. And this will be disarmed like all the rest of Satan's plots if My people continue to pray and fast."*

That definitely seems like a threatening thing, but you know? The Lord disarmed, I guess it was the Republican convention, there were supposed to be riots. And He handled all of that. And we're continuing to pray and fast, so I know that He can handle this. It's not set in concrete.

Jesus answered me, *"Many say many things. Not all are to be believed. And this will be disarmed like all the rest of Satan's plots if My people continue to pray and fast."*

I know I've had a burden every single day, and I've been giving up what I can for our nation.

Jesus continued, *"My love, I need to explain to you that each ministry I empower has a different purpose. Your purpose is love, hope, intimacy and empowerment. This is My dearest wish for My Bride. Sadness, doom and gloom, disaster must also be brought forth, but for different vessels I choose different messages. However, on close scrutiny, they can all be resolved as saying the very same things in confirmation."*

"For instance, some of My prophets are strictly encouragers, such as Lana Vawser. Others are watchmen that warn, foretell future events based on what I see will happen. However, they appear to be more cast in concrete rather than given with the impetus to pray against them."

"Some people latch onto the bad news and never go any further. Others fall to their knees and plead for Mercy. There are times when disaster is turned away and times when it is mitigated, and times when it hits seemingly full force. But in reality, it never hits full force. Things are never as bad as they could have been, because I hear the pleas and prayers of those who cry out for Mercy.

"In this ministry, I have steadily exhorted all to look to the good but carry the sword in one hand while creating in the other. Taken over all, change is coming to America, but not without a fight. It will be either good or bad depending on who hearkens to My exhortations to pray and fast. If enough souls respond, the worst will be averted. It truly is a balance as you have portrayed it.

"Chaos is from the enemy, even the use of dark matter to incite insurrections and fighting. There is much evil planned for events coming up, but prayer will disarm much of it as it did with the demonstrations set off during the elections.

"The best you can do is pray and educate. Spread the word. The unemployed, criminal element terrorist networks, Islamic extremists and those who are looking to make an easy dollar and have no scruples about how they do it, are being paid to demonstrate and cause trouble.

"My Love, you have the right perspective and the right message. This is Me, Clare. I understand much better than any man or woman can what My Bride needs to her keep going. I have anointed you to lead according to My words to you, that she may be strong against the enemy AND productive. Not just fighting constant battles and getting ready for the worst, which is what is happening to those who focus on the bad new prophecies. Many lives are not productive, because they are living only to protect themselves and their families. It will not go well with them when I come.

"Here on this channel, I have taught you all to put on My sandals and walk the Good News out to everyone through the medium anointed for you. From gently educating the doubtful on forums, all the way to taking part in productions that reach the masses: music, movies, radio and television. No matter what the nation is going through, you can still exercise your gifts and expand your abilities to be more relevant. As you learn to create, speak, write, you become more and more sensitive to My Spirit and as things in the world occur you can address people with what is on My heart.

"You see many live in a punishment mode. 'You sinners are going to be punished and I'm going to be saved.' This was NEVER My message, NEVER. Even in My ministry there was only one group I condemned: the religious hypocrites. The prostitutes did enter Heaven before them. Not because they felt condemned to Hell, but because they felt loved and forgiven. This is My message still, to this date: to heal, bind up the wounded, set free the captive and teach forgiveness as well as forgiving their sins.

"Those who major on punishment narratives very often lose sight of the heart of the Gospel, which is love and forgiveness. They become slanted and twisted, sowing condemnation and fear. Yes, some will convert out of fear, but then I have the task of convincing them of My Love.

"The reason why you have had so many conversions is because you present the Real Me, the Loving Me, and most have only been exposed to the judgmental Me, which I only exercised on the Pharisees, because they failed to love.

"So you see, you are doing your job by presenting not just the calamity but the answer to forestalling the calamity and being productive in the midst of it. If Satan can keep you surfing 24/7 for where and when

the asteroid is going to hit... well, he has effectively stolen your gifts. You will not use them because you are riveted on when it's going to hit.

"This has been going on since the 50's, Clare! Look at the lives that were wasted because they only lived to escape the wrath to come written in Revelation.

"Now I have shown you the REALITY of what will or can happen, and asked you to pray against it, while working on the joyous things I've given you to do. So, you are prepared when difficulties arise, but you are also maturing in your gifts and reaching people. How wonderful is that?"

"If I were to give you only prophecies about the end, you would never have done that painting of Me. Please, My Beloved, do not compare yourself to other vessels; each has a unique charism unless they are fashioning themselves to look like another minister. They each have their uniqueness and when all are joined together, the message becomes complete. Warning, yes. Nourishing, yes. Building up, yes. And maturing in the things of the Spirit, including spiritual warfare and caring for the poor. Yours is a very well rounded message and I do not want you changing anything about it.

"And when you examine the doom and gloom prophecies, most if not all have not come to pass. Why? Because those in My end times army bent the knee, prayed and fasted for more time, more grace and more mercy.

"There is not even a trace of the poison of self-righteousness, 'Well, the comet's going to hit and kill all those sinners and we are going home in the Rapture.' This is driven by pride, self-righteousness and judgmental attitudes, all attributes of a religious spirit. The sad thing is, if those who judge others and condemn them could see themselves in My mirror, they would see that they, too, are unworthy. In fact, even more unworthy because they failed to love their brothers as they love themselves.

"You need to know this, My Love, you really do."

He said that because I was thinking, 'Well, Lord, You've told me this so many times. I should know it by now. So, He repeated that I need to know.

He continued, *"I know it is a long message, but you need to understand that prophets - be they authentic and of Me, or false and of themselves - just parroting to the public what they have heard others say and calling that prophetic... You need to know that what I am doing on this channel is covering all I taught while I was on the Earth, as well as calling out for repentance. Again and again and again I have said, it is My KINDNESS that leads to repentance. It was My kindness to the adulterous, the prostitutes, the tax collectors that led to their conversions. They had heard the judgement and condemnation of the religious community all their lives and it only drove them into hopelessness and further from Me.*

"So, there is wisdom to My approach on the Still Small Voice channel and I would not have it any other way. Do not look at the other prophets and condemn yourself. Look at Me and obey. You are My faithful Bride. You have not allowed yourself to be influenced by others. Hold to this grace and Our children will be many and healthy.

"And for you, My children, I exhort you. If you go to many channels out of curiosity, you will have spiritual conflict and confusion. You will be so busy following the threads of who is false and who is real that you will neglect the beauty that is within you - the unique gifts I would love to empower you in.

"Your discernment needs to come from your relationship with Me. That is why I have led Clare to do multitudes of videos on discernment, so you would be equipped to deal with these deceptive times; a different voice on every corner, many inciting fear not love."

And I just wanted to mention something here. And that is that I'm realizing now, that if people who have internet ministries can constantly excite insecurity and fear in their audience, the audience is going to become addicted to them. And want to all the time hear the latest thing, just to make sure that it isn't going to come down tomorrow. They're going to be very insecure and restless. And they're going to want to hear more about what's going to happen next. So, they'll constantly be feeding on what the next person says is going to happen next. And that's a bad place to be. That's a terrible place to be. We need to put our trust in the Lord, finely tune our discernment, so we can hear His voice clearly. That's the most important thing, is to know Him. To love Him. To hear Him clearly and to serve Him. So, I just would exhort all of you, dear Heartdwellers, to pay particular attention to what the Lord is asking us to do. And drown out the voices of fear and insecurity that keep coming back for more fear and insecurity.

Jesus continued, "I have warned you on this channel from the very beginning, you will have spiritual heart burn if you pursue the latest fad in prophecy. Pursue Me and you will have the latest Prophecy. I will see to it that you are the right position in My Kingdom."

"Look around you, dear ones. Many false prophets have come into the world, seemingly sincere. Examine their lives closely: are they for Me or for themselves? Have they brought you into a deeper relationship with Me or more confusion?"

"In the end, all that matters is our relationship and your faithfulness. Where you grow in this area is where you should stay and not give your ears to the latest prophetic gossip that comes from sources that would alarm and shock you. Stay faithful to Me and you will become who I created you to be."

"Months or years down the road you will discover that the ones who follow every prophetic voice without discernment are still without fruit. Are still confused and feeling far away from Me. Still struggling with the same sins, and not growing in holiness, charity or brotherly love. That will tell you all you need to know and be a confirming sign to you that I am the only Voice you need to hearken to. I am your Light and your Salvation. I alone can be trusted. The most important thing in your life is to learn to discern My voice and to know Me on an intimate basis."

Jesus, please forgive me for listening to that chatter. I followed that rabbit trail and was not convinced it came from You. The fruits were very questionable, but I didn't want to think anymore about it, 'cause I didn't want to fall into judgement. That's YOUR servant, not mine.

The Lord continued, *"By their fruits you will know them, Clare. My precious, come to Me. Let Me wipe away those fears and doubts that have attacked you tonight. You are Mine. There is beautiful fruit on your channel. That's all you need to know. You are Mine and I am yours."*

But I do make mistakes sometimes, Lord....

"A diamond is not considered authentic if it doesn't have a flaw. My grace is sufficient for you, and should you err in a message, I will cover for you. Not cover over, but come back and straighten it out and make sure no one did things based on what you said if it was in error. I will be your safeguard for My

sheep. I, Myself, shepherd them through you, and should they eat a toxic plant? I, Myself, will medicate and heal them.

"My people, be faithful to Me. Harken to My voice alone. A stranger do not follow. Sensationalism is the motive behind many who make an outrageous living by keeping the flock restless and fearful. It is a travesty. Those who deliberately mislead My sheep for worldly gain will occupy some of the hottest places in Hell.

"A stranger My sheep will not follow; they will run from them. When you lose your peace and begin to think in anxious ways, beware. There is a wolf nearby. Stay on the path of peace and intimacy with Me. Truly the road ahead is treacherous for those who hearken to strange voices.

"My sheep know My voice. I will lead them in and out of the sheepfold. They will drink from pristine springs of water. They will be spiritually healthy and eat from the finest grass."
