

Halloween Yard of the Month 2020

The Farm at Creekside HOA Halloween Yard of the Month recipient is the Staples Family, (Eric and Heather), 2424 Mallard Circle.

Staples' front porch display includes a variety of seasonal items that look great during the day and fantastic at night. The display features many "scary" decorations including numerous ghosts appearing from a black background, a huge black spider crawling on a web, cobwebs with smaller spiders, lighted pumpkins in front of the porch, pumpkins placed in several areas on the porch, a revolving light above the entrance to the porch and lots of strings of LED lights in various Halloween themed colors. The entrance to the porch is draped in crime scene tape advising visitors to "beware". It's obvious, based on their decorations, that Staples family enjoys Halloween.

Congratulations to the Staples for their "Spooktacular" display. In recognition Staples received a sign to post in their yard for the month and a \$25.00 gift card for The Flower Bin.
