During the week of January 13-17, teachers will be evaluating the students' progress from this last semester. Progress Reports will go home the following week. These Progress Reports are yours to keep and do not need to be returned to school. A second round of evaluations will take place in late May and end of year assessments will be sent home in June.

Priority Registration Information, New Tuition Rates (Effective June 9, 2025), and Applications will be emailed home on January 13th. Please be sure to read the Instruction

Sheet prior to filling out your application. Please keep an eye on your inbox and contact the office if you do not receive the information by the end of the day. You will need to print your applications (one per child), fill them out, and submit them to the office no later than February 10th. **This is the time to register any siblings for Summer and/or Fall 2025 as well.* Any applications received after the due date, may result in forfeiture of priority eligibility. Registration payments/deposits are due by February 18th.

Please remember to keep a jacket in your child's cubby for the cooler weather. We have been finding a lot of items throughout the hallway without names. So that we can get everything back to its proper owner, please make sure to label all of your child's belongings.

As we continue through cold and flu season, please do your best to keep sick kids at home. Additionally, please make sure that if we do need to call to have your student picked up, that you make every effort to get here in a timely manner. We appreciate your help with this as we all want to do our best to stay healthy.
