PRESIDENTS MONTHLY MESSAGE

The year is off to a good start. The Senior Center has new policies for organizations such as ours regarding use of their facilities. The cost of a room is \$20 per hour per room. We use five rooms for our regular meetings and one for our board meetings. However, they are not going to raise our charges for 2019 so we will continue to pay \$1200 for the regular meetings for this year (\$100 per meeting). This will be an issue, however, when we budget for 2020. If anyone has any ideas as to how to deal with this issue for 2020 please let a board member know. With regard to our board meetings, Peter Rohrich has arranged for us to use the clubhouse where he lives, saving us the \$40 per meeting we would have had to pay the Senior Center.

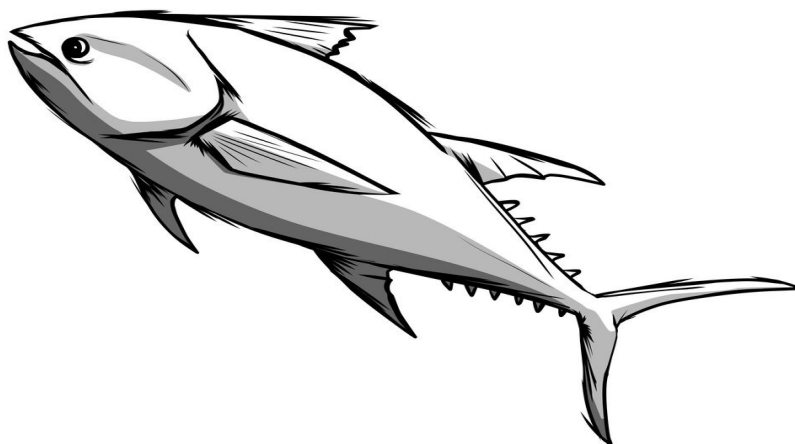

Membership dues are due. For those who haven't paid yet, please send your check for \$25 to Larry Knight, our membership chairman. We depend on our dues to pay for the Senior Center facilities and other expenses.

Our 501(c)3 foundation has received its final approval from the State of California. Donations to the foundation are now tax deductible. The foundation will be supporting our military, kids, and scouts programs. Donations can be made payable to the OSA Foundation.

If you haven't done so, please check out Jim's trip schedule for 2019. There is something there for everyone. For the first time, there is a trip in November through Baja Fishing Charters to La Bocana. We need to fill up all our charters so sign up as soon as you can.

The first picnic this year is Dave and Julie Miller's hot dogs, etc. on January 24th. You can't beat the \$6.00 price for all the food and friendship. I hope to see you all there. Keep an eye on Greg's column for information on all our picnics.

Gerry Graf, President

CHARTER MASTER'S REPORT

This year's fishing schedule is up on the web-site and on every newsletter. A big thank you to our new webmaster, Luis, for the quick response in getting it posted. All of the charters through June and the big one in November are open. July through October will open at the February club meeting.

There was an e-mail that went out and I have been asked about the Vagabond trip. The Vagabond is a side trip, and as with all side trips, it's not a club charter, you must contact John DeWitt directly.

At this point I am going to open all the charters through the end of June and the one in November to family and friends, we need to get these charters filled please. The March charter should be an outstanding trip, we are schedule to go up and out to San Nicholas Island. The May charter to San Clemente Island will try for White Sea Bass in the morning and then Yellow Tail, if not we will fish for bottom fish.

At the December meeting when our guest speaker talked about La Bocana there were many that said they were interested and wanted to go. Well I have 7 open spots for that trip, it is set for November 2nd thru November 7th the cost is \$1925, plus fish cleaning, tips, dinners, alcoholic beverages, parking and crossing fee to the Tijuana airport, fishing gear & tackle if you don't want to take your own. You must, sign up by contacting Jim Mauritz 760-450-7060, commit & get your \$600 deposit in by the March Club meeting. All deposit will made out to OSA. Once we have all 12 deposits then we will send them in. If I don't get 12 signups then I will cancel this trip before we send in the deposits. If you send in your deposit directly to the company, you will be taking a risk of losing it.

Let's take a quick look at the club rules about signing up. Once you have signed up that is the time you select your bunk. The Charter Master has the right to replace you if you are not fully paid within seven days. Once you have paid, there are no refunds. You are responsible to find your own replacement, the Charter Master will provide you with names of alternates if he has any. I will send out an e-mail for you once the charter is filled. If you sign up a friend on our charters you are responsible that that person including their behavior. All guest must be at least eighteen (18) years of age. We have a charter set for August 1, for members to bring the younger guest.

If you have any questions please feel free to give me a call. I hope to see many more you out with the club fishing, we are a fishing club.

Jim Mauritz, Charter Master

February 2019

CONSERVATION

The end of 2018 was exciting as President Trump signed the Modern Fish Act in to law on Dec 31st. But as we were celebrating this victory for recreational fishing, Secretary of Interior Ryan Zinke retired. He was a supporter of recreational fishing and helped us his first day in office by getting rid of the National Marine Monument proposal for Tanner and Cortez Banks thus saving some extremely productive fishing grounds. The Fish & Game Commission adopted revised Mission and Vision statements and core values.

The start of 2019 brings changes in groundfish. The new depth restriction is 75 fathoms or 450 feet. Lingcod limit decreases to 1 fish per person. California Scorpionfish are open year-round with a limit of 5 per person. Depth restriction in the Cowcod Conservation Area is now 40 fathoms. We are looking forward to authorizing the Sheepshead file length this year by the Fish & Game Commission.

For those who also fish fresh water, CDFW is working on a simplification process on trout regulations by streamlining the number of seasons as well as take and size restrictions. They are working to hold townhall meetings this spring throughout the state. We are trying to get them to hold some of the sessions at the Fred Hall Shows.

FEBRUARY GUEST SPEAKER

Mark Olsen, Director of the Parks and Recreation Department from the City of Oceanside, will be joining us at February's meeting.

It's the beginning of a new year, and it's time to nail your spot on one of the club's great trips. Bring your checkbook and visit the boys in the back of the room. The best bunks and best trips fill up fast!

This is time to start planning your visits to America's greatest toy store for fishermen: THE FRED HALL SHOW! Many of our members are so eager for the HALL experience that they make an annual pilgrimage to the opening day of the Long Beach Show. That's Wed. Mar 6th this year. "The Old Farts Go Back to Long Beach" doesn't have quite the same alliteration as "The Salmon Return to San Juan Capistrano," but we still go and enjoy. Join us!

Once again, our club has a booth at the DEL MAR FRED HALL SHOW. This will be from Thursday, Mar. 21st to Sun Mar. 24. The OCEANSIDE SENIOR ANGLERS need you to VOLUNTEER 3 or 4 hours of your time to service our booth. You will be provided everything you need AND receive a FREE admission (\$18.00) to the show. Please sign up at the February meeting on the side tables to help the club and have a great time. This is truly an exciting and fun event for those that participate. We also organize a shuttle from our Park and Ride to the Del Mar Show, so there are no parking fees. (Saves another \$10.00.)

Some of those that work the OSA booth come early and walk the floor before their shift, and some do their meandering after their shift. The worst offenders do both. You can leave your purchases in the booth while you shop. The people working the booth usually have a line on the best deals. There were some great prices on Flat Fall lures and glow-in-the-dark iron last year. Who knows what the great deals will be this year?

At the poker table there is an old saying "If you can't spot the mark at the table, it's you". On our fishing trips "if you can't spot the guy on the boat causing all of the tangles, it's you".

Larry Cusack, Program Director
