## This Month's Program

Our speaker for the Wednesday August 14, 2019 will be fisherman extraordinaire, Brian Nguyen, bring a friend and enhance your fishing knowledge .... dick

Brian Nguyen is a Southern California native who worked over half his life in the fishing tackle industry. He has represented some of the finest names in the business including Penn, Shimano, Avet and Okuma. Having been a sales and marketing rep for 20-years, Brian's experience with fishing equipment and his knack for recognizing new trends has helped to pioneer some of the rods and reels on the market today.

Brian has had to opportunity to fish many places in the U.S. and other countries with sport boat and private boat experience. His favorite? San Clemente Island. "Southern California; my roots. I love it and believe our saltwater fishery is one of the best." While having a young family has somewhat limited his time on the water, he still is able to get out on the sport boats twice a week including his own monthly charters. Brian also has Long Range fishing experience and has been on many 5 to 16-day trips with numerous 200-pound tuna under his belt His passion for the sport and industry and his desire to help others understand the products and how to use them make him one of the West Coast's most sought after advisers and outfitters.

## August 2019 President's Message

Wow! The year is moving right along. Since last month's meeting we had our Semiannual swap meet, Fury Trip, our Twilight trip and the Aloha Spirit trip, a lot to do in a compressed amount to time.

Member Laura Jones supervised/championed the overnight Catfish Derby at Legg lake/Whittier Narrows with the help of members Don Merrill and George Lederer. Over 900 people took advantage of the catfish camping trip.

Our trips for 2019 are winding down as I booked a lot of trips to take advantage of the weekends as most of our membership still work. Rumors of the Pacific Dawn moving permanently to San Diego have so far proved wrong. Tucker McCombs who runs the Outrider, a 10-person fishing vessel, purchased the Endeavor out of Oxnard/San Diego at present. We are looking into booking the Endeavor next year. It is a very clean well-run boat. As information, I begin to contact captains in October. November and early December sometimes right up to the date of our banquet to book trips for next year so we can give them away at our banquet. I'm going to change things up a little this year per approval by the Board. We will have individual buckets for individual prizes as we have the past 2 years. The Friends of Rollo raffle will cost \$1000 for each ticket and I plan to have a bucket with 5 (five) \$100.00-dollar vouchers (Nontransferable, Legal terms) which can be used as partial payment on any trip. This way you can pick the trip you want to go one and apply the amount towards that trip! It also avoids winning a trip you don't want or cannot fish.

As I've stated in the past mistakes are part of being human. On our trips when you get off the boat make sure you get YOUR fish. Recently someone mistook a 7 for a 1 and got someone else's fish. A mistake I'm sure but I stress sportsmanship and goodwill and no fish is worth losing that. So please pay attention when the deckhands are handing out fish! We all are in a hurry to get home and cook up our catch, so be diligent and take home yours! Enough said.

On another housekeeping note, REMEMBER YOU MUST ATTEND A CLUB EVENT TO QUALIFY FOR WHOPPER BOARD POINTS! Don't show up at the banquet and say I did not know or did not hear. This is in the rules and will be enforced. We have fresh and saltwater events throughout the year and hopefully you can make it to ONE event to qualify. So please keep this in mind when accumulating those valuable club points. You have to fish one event!!!!!! You don't have to attend a meeting although I'd like to see you there.

Recruitment of new members is vital to keeping the club active and alive. Bring your friend,s coworkers, significant others into the club to help build our club and ensure we can get and fill good charters. As a rule, we carry a limited to significantly reduced load on our charters. with the exception of the Island Tak/Seajay and yes even those boats to a degree I take less fisher persons then capacity to give everyone as much room and a more enjoyable experience. A few weeks ago, I was volunteering on a kids mentoring trip. We were on the Monte Carlo with 30 kids. The Native Sun had 60 to 70 anglers standing shoulder to shoulder trying to catch fish. Every time a fish ran there was a tangle. That is why we may charge more but there will be fewer people on the boat hopefully making your trip more enjoyable.

There will be a BOARD MEETING of board members and all interested members on September 6, 2019 at Mimi's Café. The meeting will discuss our current financial status, the holiday banquet and possible changes in venue and an overview of next year's charters. As I begin contacting boats beginning in October, this is your chance to express what we did right or wrong and what we/I can do better. I can't fill the Toronado or the El Dorado, Yet! But I am looking for suggestions on boats, trips both fresh and saltwater and finally how we can make the club grow and make your fishing experience

more enjoyable. Thank your board members who give selflessly of their time and efforts to make the club what it is. Remember, they do not get paid!

Ok, enough for one month. Give this some thought and you can contact me at [WilliamLDavis7@gmail.com](mailto:WilliamLDavis7@gmail.com) or call and/or text me at 626 390 7673. Texts are better as I am notorious for not returning phone calls. I'm doing better but I'm not there yet. In the meantime get out there go fishing, send in stories of your adventures, turn in your pictures for valuable club points and enjoy life and each other as we only pass this way once and life is too short and valuable to waste. Hope to see you at a meeting or on the water soon.

accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance. Please continue to purchase dinner during our meetings. If you are unable to purchase dinner or prefer your wife's cooking, please consider dessert and a beverage at least. Remember that your check does not include the tip so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

## **2019 Membership Drive**

The 2019 Membership Drive is on!!!!  
 Sam will have **pre-printed forms**. Just bring your check or cash and validate your personal information on the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

**The dues for 2019 are the same as last year: \$45 for an individual and \$60 for a family membership.**

Dave

These trips are open to all club members and your guests. There is no cost involved other than beach parking and entry into the lakes.

**Betty O Trip  
August 3, 2019**

**By  
Denise Davis**

Jose L. Dominguez had a party of 6 on the Saturday night Betty O trip. He got a calico early too. Jose also hooked a Leopard Shark that the crew released at the side of the boat.

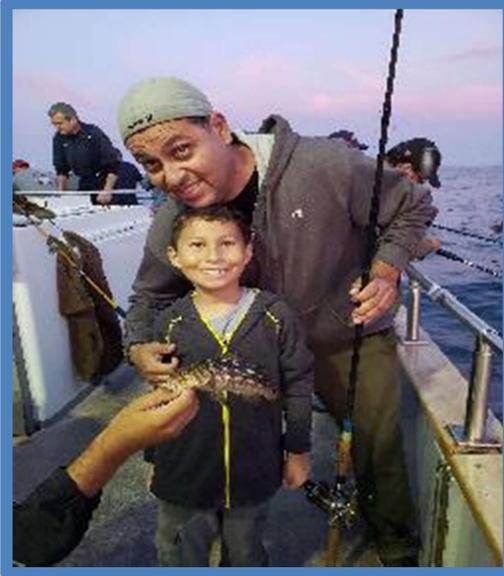

Turners member Teri Cobal got one of the earlier calicos here. Teri brought 3 friends aboard. We enjoyed having them on the trip.

Phillip Wahba, grandson of member Marti Ebersman, won the Betty O trip last year at the Turners banquet. He came up with the biggest calico bass of the trip.

Jacob O'Donnell and father Hugh O'Donnell, guests of the Dominguez Family, are pictured here with his first calico bass. Jacob said the secret of his success was "bloody squid."

Elaine Ige came up with calico after calico on the Betty O but none of them made the grade.
