Message from the President:

Lakeside Gem & Mineral Club members, we continue to focus on the safety and well-being of our fellow rockhounds and as such, we will be cancelling our June Board & Club meetings and activities. As July gets closer, we will evaluate our summer activities to determine whether it will be safe to hold some of our normal meetings. If the conditions are right and if the Governor's phased reopening of our state permits, we will consider conducting some of normal activities outside and with the proper social distancing and safety controls. If you have any feedback or input you would like to provide to the club on this, please contact any of our board members. When you are out Rockhounding, please be safe. Please continue "social distancing" in all aspects of your life. May you and loved ones be safe and healthy.

Thanks - Bill

Classifieds

Stamps -- Stamps -- Stamps

Our club donated several boxes of stamps to the stamp collection. The stamp chairman is selling some of the stamps online and doing very well. He is making money for the cancer fund. Please keep up the good work and keep collecting stamps. I asked him which stamps he wanted us to collect and he said everything. There is a market for everything. Try to keep as much paper around the stamp as you can. You can just tear off the end of the envelope if it is handier for you.

Bring your stamps to a meeting and give them to Pat Lambert.

Thank you again for taking the time to collect stamps for a good cause.

Rockhound Legislative Advocate

When notified by the AFMS, the NFMS, ALAA or club members about legislative issues that will affect rockhounding activities, forward that information to club members via email lists.
