2017 SPONSORSHIP OPPORTUNITIES

PROUDLY SUPPORTING THE MISSION OF BIG CHILDREN'S FOUNDATION

CHILDREN'S FOUNDATION

Providing opportunity and hope for at-risk youth.

YOUR SPONSORSHIP IMPACTS THE COMMUNITY

BiG Children's Foundation would like to invite you to join us in our mission of "Providing Opportunity and Hope for At-Risk Youth" by securing a sponsorship at our 10th Annual BiG Cardio Event. This unique South Florida favorite encompasses a 5K, multi-sports and fitness activities, and so much more. There's something for everyone.

This year in the US, 26,000 youth will age out of the foster system and be left to fend for themselves because they have no parents or family to guide them. Out of despair, thousands of kids will resort to a life on the streets. Without basic necessities such as money, transportation, and a roof over their heads, most will become a high-risk target for unfavorable outcomes such as homelessness, drug and alcohol abuse, physical abuse, human trafficking, incarceration, gang activity and death.

At BiG Children's Foundation, we recognize that for at-risk youth to thrive and succeed, they need a solid support system, training, guidance, resources and opportunity. Then just maybe they'll have a chance.

BiG Children's Foundation is a 501 (c) 3 non-profit organization committed to investing in the lives of at-risk youth through mentoring, training, resource provision and opportunity in order to prevent another youth from becoming a statistic. Our programs focus on prevention by investing in their health and wellness, teaching them life and professional skills and prepare the youth to transition out of foster care successfully, stay off the streets and transition into a successful adulthood.

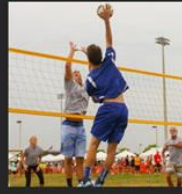

As a sponsor of the BiG Cardio Event, your company will receive benefits commensurate to the level of sponsorship, your brand will be associated with an important social issue, and you will be helping to make an impact in the lives of local at-risk youth.
