

# Tightrope Skills Required

*By Eric Miller*

*“Fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God” (Hebrews 12:2).*

Tightrope walking is the skill of maintaining balance while walking along a tensioned rope between two points.

As you walk between heaven and earth on the tightrope of life, the only way to keep from falling in the midst of the tension around you is to keep your balance by making the Lord your refuge (focus) and strength.

Fix your eyes upon Jesus to maintain your balance! As you learn how to be still before God, His presence will guide you through every trouble you will ever face and lead you to victory!

Psalm 46:1 God is our refuge and strength, an ever-present help in trouble.

Psalm 46:10 He says, “Be still, and know that I am God; I will be exalted among the nations, I will be exalted in the earth.”

Eric Miller  
Philippine Missionary

“We believe the Lord brought our family to Davao City, Philippines for a very specific reason. That reason is to “Restore and Reassign Spiritual Inheritances” here in the Philippines and in the nations.”.
