

Shotgun Instruction ~ Adult

***** Must take Introduction to Firearms class first *****

Location: Range

This basic class will remove the mystery surrounding shotguns. You will learn how to safely handle and operate a shotgun, and make it a “safe” gun. We will cover terminology, equipment, safety rules, proper firearm handling, cleaning, and safe storage of firearms and ammunition. You will be introduced to several different types of shotguns and have the opportunity to shoot them while at the range.

Cost per hour: \$125 one-on-one instruction

\$195 per couple
