RE: Business Closing

To start I just wanted to say I am sorry to see this awesome shop close. If you are needing help liquidating the remaining inventory, we would love to help. We have a large affiliate base of auction companies all working together to bring the best in online only timed auctions.

The advertising and promotion segment of our marketing plan brings more buyers to the table to buy your goods and more buyers equals more money for you the seller. Our advertising includes approx. 86 websites leading buyers into our auction platform. The online auction method has cut down on a lot of cost that were at one time the responsibility of the Seller when conducting a live auction. Our online auctions have a much larger reach and it really is an efficient way to maximize the value of your assets.

Do a little research on the web, we are hard to miss and you will find we are successful and good at what we do. Check out The Midwest Auction Collective, our reviews and what we do. Also be sure to drop in on the auction platform directly at: www.midwest.auction

If interested in discussing this further, please do not hesitate to give us a call. We would be happy to set up a free, no obligation consultation where we come out to you to see what we can do to help.

Thanks and Best Wishes.

Sincerely,
