

# The Straight Farmhouse Base Ball Club of Nankin is looking for players!

Back before peanuts and cracker jacks, the game of base ball was played by people who just loved the game.

1860's style baseball is based on the oldest known record of the rules set forth by Doc Adams and Alexander Cartwright in 1857 at the first meeting of the National Association of Base Ball players. Since then many have continued to keep up the spirit of the game as it was laid out then, and today more than 300 teams play these rules nationwide.

We in the former Nankin Township have gathered together with the Straight Farmhouse to start our very own base ball club! We are looking for players who love to play the game of base ball as it was intended to be played!

If you are interested in playing, or would like more information please contact:
