Wren's Famous Fish Fry is Back!

From the early 60s to the early 90s residents of our community had a favorite fish fry they would order every Friday. This fish fry was served first at Wren's and then at Wren's II, both of which were Glendale staples. Wren's owner, Louie Hren (Tim's grandfather), prided himself in being one of the few restaurants in the area to offer hand-breaded fish fry instead of beer battered. Residents responded and made it one of Milwaukee's best selling fish fries year over year. The Brick's owners, Tim and Chelsea Hren, have brought that fish fry back to the area and are proud to serve Grandpa Louie's recipe to our community. We sincerely hope you enjoy your meal and invite you to join us every Friday!
