

Charles Darwin

Our new science topic is 'Evolution'. This is going to be a project which lasts two weeks. There is an information sheet uploaded to help you.

Here are some key questions that should be answered through your project. You can present it however you would like – this might be an informative poster, leaflet, news article or song.

Key Questions:

- Who was Charles Darwin?
- What is evolution?
- Why is he important to evolution?
- What did he find out?
