

Notice of a Public Hearing

A public hearing will be scheduled for a drilling permit and production permits for Bobby Nedbalek if requested before March 11, 2026. The drilling permit and production permit is located on FM 631, 3.0 miles Southwest of Sinton. The drilling and production permit applied for by Bobby Nedbalek is for a term of 5 years, and 118 gallons per minute and 191 Ac/Ft located on 154.65 acres of land. If the permit is not contested by March 11, 2026 in writing to the District, the District manager or board president of San Patricio County GCD may approve the permit. For more information contact Lonnie Stewart by phone (361-449-7017) or email at louwcd@yahoo.com.

Run 1 time in the legal section of the Sinton Paper.

Next paper.

I will need an affidavit.
