THE PRINCE

2 Bedrooms / 2 Baths

(Floorplan Shown in Frame Version)

Block: Living Area 1522 sf • Total Area 2305 sf
(Frame elevation not available in all communities.)

This attractive 2 Bedroom, 2 Bath home has many distinguishing features. The living areas include a central Great Room that opens to a large Screened Lanai, a Formal Dining area, and a cozy bay-windowed Morning Room just off the Kitchen. The Master Suite features a Salon Bath with two walk-in closets, a garden tub and a separate shower.

With terrific views from the Great Room, Screened Lanai and Morning Room, the Prince is ideally suited for a golf course, lake or wetland homesite.
