

THE LAST SHEMITAH

The purpose of this illustration is to show the possible timeline of the duration of the Biblical Tribulation Period of 7-years. One is of the opinion that the need to be on the correct Sabbatical Cycle of 7 years or the Shemitah that has been popularized as of late. This to mean that from Fall 2021 to Fall 2022 on those 1st day of Tishri, that would be the 7th Year. And to suggest then that the 1st of Tishri of 2022 would be Daniel's 70th Week of Years. It is conjecture, so could be wrong but the day count is amazing. Consider that one holds to the evidence that the birthday of Jesus was on September 11, -3 BC. Would it not be wild if He came on that same day at His 2nd advent to Earth? There are several 'Harvests' that go with the 3 Orders of the Resurrection as mentioned. The 1st Order was Jesus with a few others as tokens as First Fruits, Barley during Passover Week. This was the 1st Resurrection as He is the Head. Then the 2nd Resurrection is/will be His Body, the Bride. This will take place during Pentecost, the Wheat Summer Harvest. Then the 3rd Resurrection is the 'Sickle Harvest' that corresponds to the Wine Harvest. 2021 is the 6th year of the 7-year Sabbatical Cycle. If it follows the Creation Week and gathering of the Manna, then the present 6th Year is a Double Portion and the 7th Year of Day, there was and will be no 'Gathering' or 'Harvest'. Will there be a similar prophetic parallel then? To reiterate, the 7th year, to start in the Fall of 2022 on 1st of Tishri will be the Year of Rest and no 'harvesting' can occur. This would then suggest that perhaps then this present 6th year is a Double Portion and Rapture as the 7th, there can be no 'Gathering' or Harvesting of Souls.

DANIEL'S 70TH WEEK OF YEARS

October 18, 2022 - September 11, 2029

(Shemini Atzerets to Yom Teruah)

POSSIBLE TRIBULATION PERIOD TIMELINE?

Sep 11, 2029 - 1260 days = April 1, 2026 (midpoint)
= Passover: Daily Sacrifices are stopped, A.C. 3rd Temple, etc.

March 31, 2026 - 1260 days = October 18, 2022 (beginning)
= Shemini Atzeret: Daily Sacrifices are begun, A.C. 3rd Temple, etc.

Thus, based on this model, Tribulation begins: October 17/18, 2022

THE SIGN OF THE SON OF MAN RETURNING?

If 2022 is the possible start of the Tribulation Period, it does not preclude the Rapture event from occurring beforehand. Realize that it is the Daily Sacrifice offering is what initiates the 1260 +1260 day segments that make up the 7-year Sabbatical Cycle or Daniel's Week of Years. There could be then a gap of time, enough to set in place the New World Order and construct the 3rd Temple in Jerusalem.

TRIBULATIONM - TIME OF JACOB'S TROUBLE?

GREAT TRIBULATION?

If the Rapture is to occur within a Summer Wheat Harvest Season, called the Rapture Zone, it just all depends what calendar one is using and from what day does the count occur and if then the Double-Count of 49 days and 50 days is true also. So, there are a lot of moving parts. One does realize that about more than half of all End Times Looking Christians are banking on a Rosh Hashanah Rapture though. But any day is not soon enough. One sees that as Jesus first fulfilled the Spring Feasts in that week long procession, so too will He return at the beginning of the Fall Feast sequence to start at Yom Teruah, which is the battle cry to assemble and make war. Consider that all the Fall Feasts are a type of reflection, repentance and atonement required, not one of a Marriage and joy or celebration where that would contrast the Fall Feasts as being somber, contemplative, etc. Then on Yom Kippur, Jesus would enter the Holy of Holies to cleanse the Temple. And after the 7 days of Tabernacle, where Jesus abides literally with His People, He is crowned King as He finishes off the Feast by reading the Law in Shemini Atzerets.

If calculation model is correct, then Jesus will return on His birthday. This is based on a -3 BC date on 9-11 likewise when He birthed on Earth at His 1st Advent. Now at His 2nd Advent, likewise on Feast of Trumpets. This Feast of YHVH also signifies the sequence of prophetic fulfillment. This assertion is based on the Menorah pattern of having fulfilled the 3 Spring Feasts as the Lamb of YHVH. Likewise, Jesus will then return to fulfill the Fall Feasts as the Lion of Judah. The middle Pentecost Feast was for the duration of the Church Age Gentiles to have been grafted-in. It concluded with the Rapture just before the Tribulation Period begins with the start of the Daily Sacrifices 2520-Day Count.
