OUTDOOR ADVENTURES & TEAM BUILDING

ABOUT TREK NETWORK

We're adventure guides, naturalists, artists and team building experts. With a statewide network of professionals, we offer a huge variety of outdoor recreation and experiential learning activities for couples, families and groups of all kinds.

TrekNetwork takes a different approach to team building. We work with customers to plan unique events that offer multiple paths to growth.

Business skills modules, outdoor adventures and artistic treks can be scheduled as stand alone events or combined a la carte. Each activity can be customized to underscore group objectives.
