Formal Invitation for Delegates and Attendees

PESC Fall 2019 Data Summit

In Partnership with the Groningen Declaration Network

October 21, 2019 – October 25, 2019

Montreal Canada

Dear Colleague:

On behalf of The Postsecondary Electronic Standards Council (PESC), please accept this letter as a formal invitation to attend the PESC Fall 2019 Data Summit, being held in partnership with the Groningen Declaration Network (GDN).

Through initiatives and discussions between GDN and PESC, the international voice has emerged as critical and paramount. It is PESC's mission to ensure the interoperability of education data, with the understanding the global interoperability is not only required, but achievable in the very near future.

As an important and respected organization, your participation would significantly enrich this convening. I encourage you to register and plan engagement with all delegates attending from Australia, Canada, Europe, New Zealand and the United States of America.

All relevant information for the Fall 2019 Data Summit is posted on the PESC website at <https://www.pesc.org/fall-2019-data-summit.html>, including the program, featured speakers, hotel/venue, and travel information and logistics.

I hope that you are able to join us for this unique and important convening. Should you have questions or need further assistance, please do not hesitate to contact me directly.

Thank you for your continued support of PESC and I hope to see you in Montreal in October!

Best Regards

*Michael D. Sessa*
