'A group of Shelters such as Schools, Community Buildings within a Camp/Sector (max 50 high-Risk Individuals per Single Green Zone) where High-Risk Individuals are physically isolated together. One Entry Point is used for exchange of food, supplies, etc. A Meeting Area is used for Residents and Visitors to interact while practicing Physical Distancing (2 meters). No movement into or outside the Green Zone'. -CDC Operation Shield for Un-Vaccinated

On December 30, 2009, there was a television series hosted and narrated by former Minnesota Governor, Jesse Ventura. His program was called 'Conspiracy Theory', and broadcast on truTV. His investigations lasted only for 3 Seasons before it was cancelled and not allowed to continue. Ventura resides in Mexico as he is convinced the US Government is totally compromised and full of such 'Conspiracies' that are coming to be true. Needless to say, when he got too close to the truth about 'Conspiracies', his Program was cancelled but not before exposing what many are now saying was COVID.

The Conspiracy is that the Powers-That-Be release a Bioengineered Pathogen to cull the World's Population and use it as cover to usher in a Police State Orwellian Totalitarian New World Order. Hello COVID. In the December 30, 2009 episode, the controversial Alex Jones was referenced. Ventura then interviewed a Doctor who had 1st hand knowledge of this coming pandemic. In meeting with Alex Jones, whether one believes he is legitimate or part of the Controlled Opposition, his statements have come true about the COVID-19 Police State and pathway to the Mark of the Beast System.

In the interview with Alex, he described how there is an Agenda being perpetrated by the likes of the Bilderberg Group and others. Such Agencies are collaborating with other Luciferian Clandestine Organization that have coordinated this COVID Plandemic. The Plan? According to Jones, Globalist Luciferians seek to reduce the World's Population by 90%. It is no secret that People like Bill Gates have publicly attested to this aim.

But the bombshell was that to reach this goal, it would be by forcing the World's People to get 'Medical Treatments' or 'Vaccines'. And that the 'Medical Tyranny' would not just involve and/or begin in the USA but it would be worldwide. This worldwide effort would be led and run by the UN under the WHO or the World Health Organization. And that behind such a façade, it is the Luciferian types of People like the Bilderbergers, Skull and Bones, the Masons, the International Bankers, etc., that have ordered this rollout.

Genocidal Holocaust

The current COVID-19 'pandemic' is the Endgame, as it has come to this time for such groups to initiate their last stages of their desired World Dictatorship. And this done through the Medical Institutions ironically set-up to protect and save the lives of People. Alex Jones then goes on to stress that the main method of delivering this Medical Tyranny would be by 'vaccines'. He mentioned that the Cabal know that many of these Injections have Adverse Side Effects but that it is by design.

This is end goal. It is a design for a 'Soft Kill' that occurs over time. This synopsis by Jones is eerily similar to what the Scientists and Doctors who oppose the Official Scientific Narrative of the WHO, CDC and the FDA are clamoring. It is believed that due to the mRNA type of new unproven technology, the millions if not billions of People having taken these COVID-19 Injections will die-off within 2-3 years.

Alex Jones then went on to refer to an 'Insider' that lives in Panama for fear of her life. She is Dr. Rima Laibow. She was the Physician to many so-called 'Elites' and had some amazing insights to tell that corroborates what Jones had divulged about the Plan and Agenda to 'cull' Humanity and take control of the entire Planet. Jesse Ventura was able to convince the Doctor who has treated Heads of State that many believe to include the likes of Hilary Clinton. It might have been Christine Lagarde of the IMF.

The Doctor agreed to fly in from Panama to a small airport in the US Midwest and to only be seen and met by Jesse Ventura. Her assessment gave warning that COVID-19 was coming and this in 2009. In the initial meet-and-greet, Dr. Laibow stated that she did 'not feel safe living in the USA'. She did not even want to depart for the entrance of the hanger because to her, she knew what was coming. In her own words, this is what she stated.

'In a very short time, not today, not tomorrow but very soon, we will be facing Compulsory Vaccinations. Under the mistaken term of Voluntary Vaccinations'.

Is this not the current status-quo? As headlines read, 'Governments may not force People to get them, but Companies will'. And now even the Federal Government has relented and is incrementally required Federal Agencies to have all Staff, Personnel and even Contractors associated with them to be 'vaccinated'. And this still for an Injection that is not approved by the FDA and is Experimental. The Great Culling has begun, and this by way of one's supposed trusted and elected Government Officials.

When asked why she thought the vaccination would be 'bad', Dr. Laibow then went on to explain that it is the WHO, the UN that has decided that the Planet has 90% too many People. This would corroborate with the message of the Georgia Guidestones with their 10 Luciferin Commandments that first stipulate 'Maintaining World Population under 500 million. This is precisely having to then Genocide 90% of the World's Population. And COVID-19 shots will be doing that. And that is why the rush was to get as many injected before it was known or discovered what is really in the Injections. Death. Now the words of Brzezinski ring true. 'It is now easier to kill 1 million People than to control them'.

Forced Vaccinations

And now, step by step, those 'Resisters' and the 'Un-Vaccinated' are being threatened with loss of jobs, livelihood, access, travel coming from either Corporate and/or Governmental Mandates. Eventual Forced Quarantine, 'for one's safety' is next. As it is, the Army is hiring 'Internment Specialists' as they did during the Obama Administration and now many States like Tennessee in the USA have in place, by Governors' Executive Order to forcibly intern Un-Vaccinated People to COVID Facilities, etc.

There is also the UN Agenda 2030 that essentially has legitimized the UN's role in superseding any Sovereign State and their Constitution that might guaranteed a semblance of protecting one's Civil Liberties. The Doctor then stated that 1 of the aims of the COVID-19 vaccinations is to achieve Sterility in Humans. And this, again is one of the alarms being sounded by opposing Scientists and Doctors who have researched the contents of the COVID-19 Injections. They suggest that the concentration of the ingredients do indeed concentrate in the Testis and Ovaries of Humans.

Dr. Laibow attests that she has the documentation to prove her statements. She further declared that the Eugenic Plan has been in play since 1974 specific to the quest to vaccinate the entire World like Bill Gates has said has to happen before 'Normalcy' can return. She also asserted that the FDA has illegally been approving such types of 'vaccines' all along. And this again corroborated how in the case of COVID-19, the Emergency Use Authorization was rammed through without much questioning. And now despite the record Deaths attributed to the Injections reported through VAERS and other means, are totally being disregarded by the FDA and such Injections are being approved as 'Safe and Effective'.

Dr. Laibow stated that many vaccines have a specific ingredient called Squalene. It is used to make the human body simulate the Natural Immune System. Initially, the Squalene might induce a strong reaction to attack Pathogens. But the problem is that the Squalene will start to attack Healthy Body Cells and Tissues. And again, this is what the Scientists and Doctors opposing the COVID-19 Injections have alerted the WHO; that the COVID-19 Spike Proteins will be attacking the body itself, as the mRNA takes over and fuses with every Living Cell in the body.

So, that when a naturally occurring Corona Virus comes into contact with the new mRNA Immunity that has been 'hacked', the body will initially mount a response but will end-up attacking itself, thus a Cytokine Storm Effect. This is where Auto-Immunity takes over and organs will begin to shut down and Death will be the result. The next portion of the interview with Dr. Laibow was downright 'Prophetic'. She states the following.

'They will induce a Pandemic using a Nasal Mist Vaccine, which is a Live Attenuated Virus. That means that if I take it, I can infect you. You are going to get the Flu. Everyone gets the Flu. Then the Government, based on their Statements that they have already made, will say, oh my, we have a Pandemic. We do not have enough doses. So, we will add-mix Squalene at the 90,000 Injection Sites that the Department of Human Health announced that they will ship the vaccines to.'

The Great Culling

Is this not what has occurred with the COVID-19 Operation Warp Speed? The Government is really giving the Live COVID-19 Virus to perfectly Healthy People. And in turn, it is they now that through Shedding, are infecting the Un-Vaccinated and Healthy People. Then because of rigged PCR Test Results and mis-diagnosed Deaths being falsely attributed to COVID-19, the 'Spike' in numbers have given the Governments the Emergency Powers to sustain the false Official Scientific Narrative. Thus, the Lockdown, and Mask Mandate and now the Forced Injections, all this, just as planned.

According to Dr. Laibow, what that means is a 'Holocaust', a Genocide in the making, by design. And that those who survive the Medical Devices, will be Infertile. At this point of the interview, Jesse Ventura asked that if the World or in the USA, People started to see the mass die-off, would not they rise up in protest? The Doctor said yes, perhaps initially but that the Military would then be called in to install the Medical Martial Law.

This is exactly what has happened in Canada, the UK and Australia. In the USA, there is a current Purge occurring in the Military, whereby all those considered 'Patriots', Nation-Loving, Christian, etc., are being identified. As such leave, separate or will eventually be eliminated, the Military will only be left with those types that will not see any conscionable objection when Unlawful Orders will be given. For example? To separate Children from Families. To intern People into COVID Camps. And later on, to execute such People seen as the Virus and Enemies of the State and New World Order.

This has happened before and not too long ago in Nazi Germany and what happened to YHVH's Earthly People, the Jews. According to Biblical Prophecy, this Great Culling scenario will happen, it is happening now. Many are denying this now as all being 'Conspiracy' as then, Hitler was rising to Power. That is what many Jews said of the Yellow Stars, Quarantine to Ghettos, Tattooed Numbers on Right Arms, Concentration Camps, Execution by Gas, Bullets and even being buried alive. The conditioning of having to take the COVID Injections to enter establishments to 'Buy and Sell' are a preconditioning to eventual accept and normalize of receiving the Mark of the Beast.

The Doctor goes to state that she knows about the US Military's NORTHCOM, that among its many Mission Objectives, is to forcibly 'Relocate' entire Civilian Populations for their 'Safety' in times of Emergencies, Civil Disorder and/or pandemics. Or is it really plandemics? The Doctor insinuated in the strongest of terms that FEMA will be forcibly relocating those refusing to take the COVID-19 Injections to such 'COVID Camps'.

It is a matter of not 'If but when'. She then went on to attest to how in her many sessions in rendering Care and Medical Services to the Elites, Heads of State, she testifies of an occasion where a very Powerful Woman, described as a Head of State in 2003 told the Doctor that it was 'Soon time for the Great Culling to begin'. This is to basically kill-off or murder the World's Population down to 500 million. And why? It was and is because to these Luciferian Elites, the Natural Resources and the Earth belong to them.

And now there are too many People for them to control and maintain as the Masses 'consume' everything and are seen as nothing but 'Useless Earthers'. Then further to give authenticity to how such diabolical groups are connected to Lucifer, is that the Doctor asked this female Head of State if the Bilderbergers were behind this Great Culling? The female said no, but that it came from even higher Levels, such as the Council of the 7. And indeed, many Insiders and Whistleblowers that have come out of Luciferianism have divulged that here are Councils of 12 and Committees of 300, etc.

They all converge at the 'Capstone', Lucifer. It is he that is presently the 'God of this World' and these so-called 'Elites' but has been defeated by Jesus at the Cross. The Bible does teach that although a World Order ruled by Lucifer and this AntiChrist will succeed, it will be but for 7-Years. At which time, Jesus is to come back to implement all the Power and Authority regained on behalf of Adam that was last to the Old Serpent, the Devil. But until that time, the Planet, Humanity will go through the worst part of its History as Jesus warned. Billions will die.

This is why there is such urgency to Accept Jesus as Lord and Savior now to be spared of the coming Wrath. Jesus is to judge this wicked and evil World controlled by such a Cabal and Lucifer. Believe what Jesus said and did to rescue Humanity from Sin, Satan. Call Upon the Name of Jesus. Other Researchers like Fritz Springmeier produced the book, The 13 Bloodlines of the Illuminati. But for which he was thrown in prison for exposing the Cabal. It is such Initiates that do meet, for example at Bohemian Grove, just 30 minutes east of Santa Rosa in Sonoma County in Northern California to know how to implement their Great Culling of Humanity.

They operate on a Double Standard of Rules that are above the Law of the Land or any Sovereign Constitution and/or Government. They position key People in Banking, Mass Media, Social Media, Medicine, Education, Military, Government Agencies, the UN, Big Pharma, etc. Their God is Mammon and their King is Caesar. In the conclusion of the interview with Dr. Laibow by Jesse Ventura, it was noted that if the People, the Masses only knew that they truly have the Power against so few that such Plans and Agendas like their Luciferian Great Culling of Humanity would not pass.

However, through Fear and Intimidation, it is a human disposition to follow and trust one's Leaders and Government. And this will be sadly why this time, the Cabal will be successful. In fact, it is Biblical in scope and consequence. To a large degree the success of this Genocidal Holocaust that is now currently underway is due to how once God-Fearing Nations such as the UK, Canada, Australia and the USA have willfully turned their backs on the Gospel, the Bible, the Church and Jesus.
