Rex-Livingston Art + Objects is thrilled to announce the release of a select series of ten paintings by **Tim Draxl**, titled **Ten Degrees**. The ten works will be exhibited from 11 September and launched via a 'zoom opening' with Tim Draxl @ 1pm.

In the follow up to his sell out first Solo exhibition, [In Between - The Act of Painting](#), Draxl unearths new depths of feeling and consciousness as he continues to respond to the global pandemic. His work continues to develop in the expressionist genre of painting, exploring the links between emotion, colour and mark making, resulting in a dynamic and gestural visual harmony.

Ten Degrees - 10 paintings only
