

# PRIVATE ISSUE

## BY CYBERHAIR

**A collection of medical wigs for women and children!** Designed especially for your lifestyle. Finally, hair options that put no limits on your imagination. Be free to live the lifestyle that you have, the lifestyle you have always wanted or just go wherever life takes you. With no limits the choice is yours. Just live life.

Private Issue by Cyberhair is not your typical hair option. Each option is designed specifically for you. All the styles pictured (left) have been created to achieve a desired look or style. The same way that your unique look and style will be created. We are all different with our own desires and expectations - Private Issue wants to keep it that way.

**Our secret is in the details.**

**First and foremost is the hair - Cyberhair.**

What does this really mean for you? Cyberhair performs making it easy and worry-free. All you have to do is Just Live Life. No need to shy away from your favorite activities whether they are swimming, exercising, cycling, relaxing in the sauna or enjoying the beach. The list is endless and Cyberhair will perform and embrace all the activities you choose and bounce back for more.

All the features in Private Issue are the finest available. You may find many imitations, but none will match the quality, performance and value of Private Issue by Cyberhair. Make an investment in yourself and let yourself Just Live Life.

**That is the secret of Private Issue by Cyberhair and it is ok if you tell.**
