*"This institution is an equal opportunity provider."*

## **Press Release**

*East Feliciana Rural Water System Inc., received highest honors this year at Louisiana Rural Water Association's Annual Awards Banquet when EFRW was named 2019 Water System of the Year South for outstanding operation and maintenance. The award was presented on July 17, 2019 at LRWS's 34th Annual Training and Technical Conference held in Lake Charles, Louisiana.*

*The LRWA Awards Program was established to recognize the outstanding efforts of Rural Water and Wastewater Systems and their personnel. Of All the systems across the state, East Feliciana Rural Water System Inc. was selected as this year's winner for their dedication to providing safe drinking water and maintaining a cleaner environment through their efforts in the State of Louisiana – Southern region.*

*LRWA is a non-profit organization established in 1978 to aid small water and wastewater systems through training and on-site technical assistance. Their assistance is geared toward the operation and maintenance of water and wastewater systems and to aid them in understanding the rules and regulations of said operation. For years, Louisiana Rural Water Association has been the driving force, providing water and wastewater training and technical assistance to the small towns and rural areas in all 64 Louisiana Parishes. In short Louisiana Rural Water Association has a documented record of accomplishment in providing the highest quality training, technical assistance and informational products and services necessary for promoting public health and environmental protection.*
